## INSTITUTE

KIET Group of Institutions was founded and established in the year 1998 by “Krishna Charitable Society” at Ghaziabad. It has been contributing technical knowledge in all the branches of Engineering, Computer Applications, Pharmacy, Management and M.Tech. degree since last eighteen years. Witnessing the indelible development, it has been honoured with ISO-9001-2008 certification and NAAC accreditation with ‘A’ Grade for five years for its versatile faculty and high placement.

The vision of Department of Applied Sciences is to enhance and empower the scientific temperament of the students through the knowledge of myriad branches : Physics, Chemistry, Mathematics, Environmental Science and Professional Communication as per global needs. It assists in honing the students’ personality, propelling towards making them successful string of corporate world. The department aims at equipping students with scientific knowledge with the blend of mind and aptitude.

## CONFERENCE

ICFST-17: International Conference on Frontiers of Science & Technology is a prestigious event organized with the aim to provide an excellent international platform for the academicians, researchers, engineers, industry participants and budding students around the world to share their research findings with the global experts. The key intention of ICFST-17 is to provide a premier interdisciplinary opportunity to discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the field of science and technology. The brainstorming sessions of the conference will be of immense help to achieve this objective. So, the researchers from all the parts of the world are invited to develop symbiotic relationship, in order to take the research world one step ahead.

## GHAZIABAD

The city is named after the founder, Ghazi-ud –din . Initially known as Ghaziuddinnagar, now named as Ghaziabad. It is edged by Meerut city to the north, by Gautam budh Nagar and Bulandshahar to the south, by the Jyotibaphuli Nagar district to the east and by Delhi to the south west. The three principle rivers traversing the district are the Yamuna, Ganges and Hindon. The average temperature during the month of January ranges between 5°C to 25°C.
