Institute

KIET Group of Institutions was founded and established in the year 1998 by "Krishna Charitable Society" at Ghaziabad. It has been contributing technical knowledge in all the branches of Engineering, Computer Applications, Pharmacy, MBA, MCA and M. Pharm degree since last nineteen years. Witnessing the indelible development, it has been honoured with ISO-9001-2008 certification and NAAC accreditation with 'A' Grade for five years for its versatile faculty and high placement. Laboratories are recognized as SIRO by the Department of Scientific and Industrial Research (DSIR).

KIET School of Pharmacy

KIET School of Pharmacy (KSOP) Ghaziabad was established by Krishna Charitable Society in 2005, after realizing the prospects and potential of the course in the emerging scenario of the Global Pharmaceutical Industry and Education. KSOP is located on Delhi - Meerut Highway NH-58 near Ghaziabad, which is well connected by Air, road and rail. KSOP is a premier institute in the state of Uttar Pradesh accredited by NAAC with grade "A" and B.Pharm is accredited by NBA. KSOP is offering B.Pharm, M.Pharm in Pharmaceutics, Pharmacology and Quality Assurance affiliated by Pharmacy Council of India and AICTE. It is approved centre for Ph.D. affiliated by AKTU, Lucknow.

About The Conference

Our main objective is to create an awareness and exposure on the recent thrust area of Artificial Intelligence for various developments in healthcare sector, so as to enable the participants to focus themselves in accelerating the research in our country as per the global trends with reduced cost and benefit for the Indian Society.

The title of two days International Conference is "Impact of Artificial Intelligence in Health care", which clearly emphasizes the impact of message carrying the utility of artificial intelligence in health care sector.

As the Industrial revolution enormously enhances in medical health care sector, the thrust is focussed in developing polymeric biomaterials as tissue transplants/ artificial organs, several SVM algorithms and neural networks for designing and discovering new drugs for various diseases, 3D printing for formulation and development of new drugs.

This International Conference aims to really awaken the faculty's mind in creating a spark to carry out their research in this area. Apart from this, they shall learn the recent knowledge of the topic, which will surely make a benefit for their students in understanding the latest advancements taking place in health care sector. Faculty in different disciplines will come to a common platform in making a

collaborative research, which will surely bring the new products in market sooner or later.

The expected outcome of this conference will be:

1. Gaining knowledge and exposure in the current thrust area of artificial intelligence in health sector.
2. Open a new avenue of research for students and faculty who are going to participate in the conference.
3. Wide scope to enter the health care pharmaceutical industry by the participants.
4. Upon successful completion of particular research work in the area - design patents and core patents are possible by the participants. In addition, publications are also possible.

Who can participate?

Faculty and Student from MBBS, MD, MS, BDS, MDS, BHMS, BUMS, BAMS, D.Pharm, B.Pharm, M.Pharm, Pharm D, BSc. Nursing, MSc. Nursing, ANM, GNM, BPT, MPT, B.Tech, M.Tech, MCA and Industry Delegates.

Call For Papers

In the view of continuously growing importance of Artificial Intelligence in almost every field of technology and health care. IAIHC-2020, is focusing on high quality research papers in the following major disciplines:

- Artificial Intelligence
- Bioelectronics
- Machine Learning
- Robotic Surgery
- Telepharmacy
- Automated Dispensing
- Pharmaceutical Sciences
- Biological Mathematics

Publication Ethics

Authors are requested to submit original papers (not published or presented earlier) in MS Word as well as PDF format (refer Conference website) through the following Email id: iaihc.ksop@kiet.edu. The acceptance of the paper implies that at least one of the authors will present the paper.

Mode of Paper Presentation: Oral/Poster/Skype
