BATCH 2024

Congratulations

Milestone Corner

On March 16, 2024, the inauguration of the 'Centre of Supercomputing', showcasing the pioneering 5 petaFLOPS AI Supercomputer: NVIDIA DGX A100, marked a significant milestone. The ceremony was graced by esteemed dignitaries, including the Chief Guest **Shri Sunil Kumar Sharma Ji**, Cabinet Minister of Electronics and Information Technology, U.P., and Special Guest **Shri Sanjeev Sharma Ji**, Mahanagar Adhyaksh - BJP, among others.

On February 22, 2024, KIET Group of Institutions took a monumental step forward with the inauguration of the Center of Excellence (CoE) dedicated to the **Power Semiconductor Devices**.

This momentous occasion was marked by the signing of a crucial Memorandum of Understanding (MoU) with **Mitsubishi** and the Electronics & Communication Engineering Department, ushering in a new era of academic-industry collaboration.

On February 24, 2024 KIET School of Pharmacy successfully hosted an 'Expert Lecture Series' and 'MoU Signing Ceremony with the Indian Pharmaceutical Association-Delhi State Branch'. The event marked a significant collaboration for advancing the pharmaceutical education and research.

On March 22, 2024 the 'Inauguration Ceremony' of the 'Centre for Robotics' took place marking a significant milestone in the institution's technological advancement.

Encomiums

KIET students showcased their athletic prowess at the **NIU Sports Fest Lakshya 2k24**, held from February 22 to 24, 2024.

Key highlights of the winners are:

- ❖ Kabaddi Boys: 2nd Place
- ❖ Athletics 100m Girls: 3rd Place
- ❖ 4x100m Relay Race Boys: 1st Place
- ❖ 4x100m Relay Race Girls: 2nd Place

Among numerous competitors from across the nation, Team E-Cell KIET has secured the prestigious **'National Rank 13'** and proudly clinched the **'UP Rank 1'** in the **NEC E-Summit** hosted by IIT Bombay.

On February 24, 2024, **Dr. Neelam Sharma**, Faculty-Applied Sciences, was honored by **General Vijay Kumar Singh (retd)**, Minister of State for her outstanding work in social upliftment under **'Shakti Vandan Abhiyaan'**.

Ms. Prapti Sharma from the School of AI, ML & DS has been named the **AWS Cloud Club Captain** for 2024. Joining a select group of **13 AWS Cloud Clubs** in India, KIET has proudly established its own.

Prapti's appointment is a remarkable achievement, selected from 1146 global applications in the Asia Pacific Region.

Tata Power DDL, Delhi, is organizing a **national-level train-to-hire program** for students across its **MoU partner institutes**. Ten students from KIET's B.Tech 3rd year Electrical and Electronics Engineering Department have secured their spots in this prestigious program. Over the next three semesters, these students will undergo comprehensive training in power distribution

system operation and maintenance, courtesy of Tata Power DDL. Successful completion of the program will open doors for potential employment opportunities with Tata Power DDL, Delhi.

MINDSET CONSTRUCT

Mindset is a cornerstone of career advancement and achieving success. Transitioning to college marks a significant milestone laden with responsibility. Whether a freshman, sophomore, or nearing graduation, your mindset and approach are paramount. A positive perspective fosters skill development, while a negative outlook can hinder progress and diminish the quality of life. Effective communication with peers and faculty members is essential for college students to unearth their talents and pave the way for a successful career. Attending a prestigious college imbues life with purpose

and perspective, motivating students to strive for their best selves. Sharing personal experiences and learning from others helps craft a comprehensive plan to achieve life goals. Every student should have a clear vision for their future, which can only be realized through thoughtful planning. Setting short-term goals is instrumental in realizing long-term aspirations. Every step taken, no matter how small, contributes to the journey. Embrace the student's experience fully, savor every moment, and make each step count towards a worthy destination.
