“Shaping Young Minds with Skill Oriented & Value Based Education”

**From the Desk of
KIET Dignitaries**

Dr. Manoj Goel, Joint Director

Nelson Mandela said, “**Education is the great engine to personality development**” and I believe an amalgamation of education and personality development is the key that plays an important role in preparing students for a successful career and happy life.

Education plays an important role in molding a person's life and creating a successful citizen in society. A person who acquires better education has more skills, capable of doing multiple tasks as well as meets the job requirement. Knowledge and degree provide him with more opportunities to accelerate his professional and personal growth in life. It teaches us social etiquette and generates a better physical and mental state of mind. Personality development comes from this physical and mental state of mind.

A better education improves certain traits in a person which contribute to an individual's overall personality and a good personality can help in building a better social and professional life. For this purpose, we have to introduce personality development early in a student's life. A set of actions form the inner and outer being in a person with an organized pattern of behaviour which helps to build into a person's characteristics.

Here, at the KIET Group of Institutions, our continuous endeavour is to offer each of our students a high-quality education in the relevant field along with the activities that contribute to their holistic development and make them ready for a successful professional life.

Proud Moments

KIET Group of Institutions got an opportunity to welcome the **Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath Ji** at its premises on 29th January 2022.

General (Retd) V K Singh - Hon'ble Minister of State in the Ministry of Road Transport & Highways and Ministry of Civil Aviation, Gol & **Shri Atul Garg** - Hon'ble Minister of State, Government of Uttar Pradesh were also present to welcome Shri Yogi Adityanath Ji.

KIET Group of Institutions has exhibited excellent results in the **QS I-Gauge** audit and earned an overall **Diamond** rating.

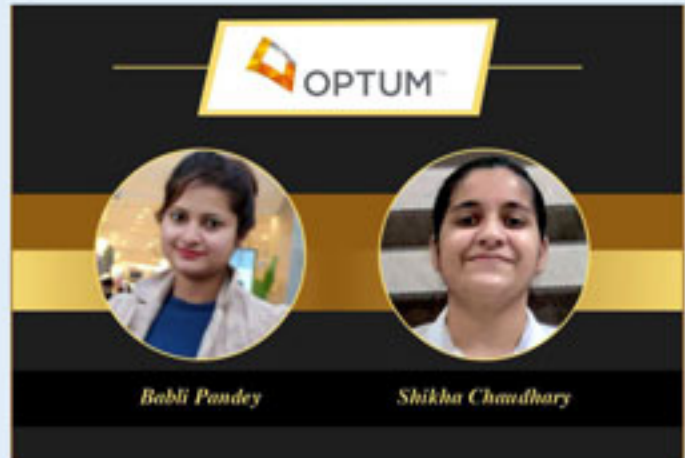

Celebration @ KIET

To promote the vibrant culture at the campus, KIET Group of Institutions organized a **Campus Picnic 2022** on 12th February 2022 for its staff where their family members got an opportunity to exhibit their talent at various extents. On this occasion, Young Dronacharya Awards were felicitated to faculty members to promote an environment of research and publication at the Institute. Outstanding Contribution Awards were also given to faculty and staff members for their excellent performance in various domains.

- "**Bharat Gaurav Puraskar**" by KTK Outstanding Achievers & Education Foundation.

- "**Young Scientist Award**" by Indian Pharma Education Society.

Young Faculty Speak

Dr. Vipin Tyagi
Assistant Professor
(HSS-Department)

“Knowing is not enough; we must apply. Willing is not enough; we must do”. - Johann Wolfgang von Goethe.

Inspired by this quote and KIET's untiring support encouraged me to create a MOOC on English Grammar for Employability on AICTE- Swayam portal. English is a common language for communication at international level. In fact, English not only opens career opportunities beyond

national boundaries but is also a key requirement for many jobs in the countries like India. Today it is the major language of debate and discussion at UNO, and the language of command for NATO. Keeping this perspective in mind, this course has been developed for the students and aspirants who are preparing for various competitive examinations and are interested in developing English language skills for employability enhancement. Of course, the circumference of this language is increasing day by day. That's why today globalization privatization and advancement in science and technology has made it imperative for us, to learn Grammar, to speak, and write like native speaker. Now the course is open on Swayam portal to enroll and join.

I wish happy learning to all my learners!

Editorial Board

Keep hustling

Emptiness can anytime fill your day

Someone come and leave

None of them is there for forever stay .

Life is destiny not a piece of shit that u can hire,

Sometime life show you heaven that doesn't mean it will not show you hell fire

It's better to love yourself and people you admire

Every moment in this life can really inspire

Kingdom not always belongs to the heir

For capturing the throne a little spark is all your heart require

Take the first step and let your wings free

Conquer the position and gather the glory

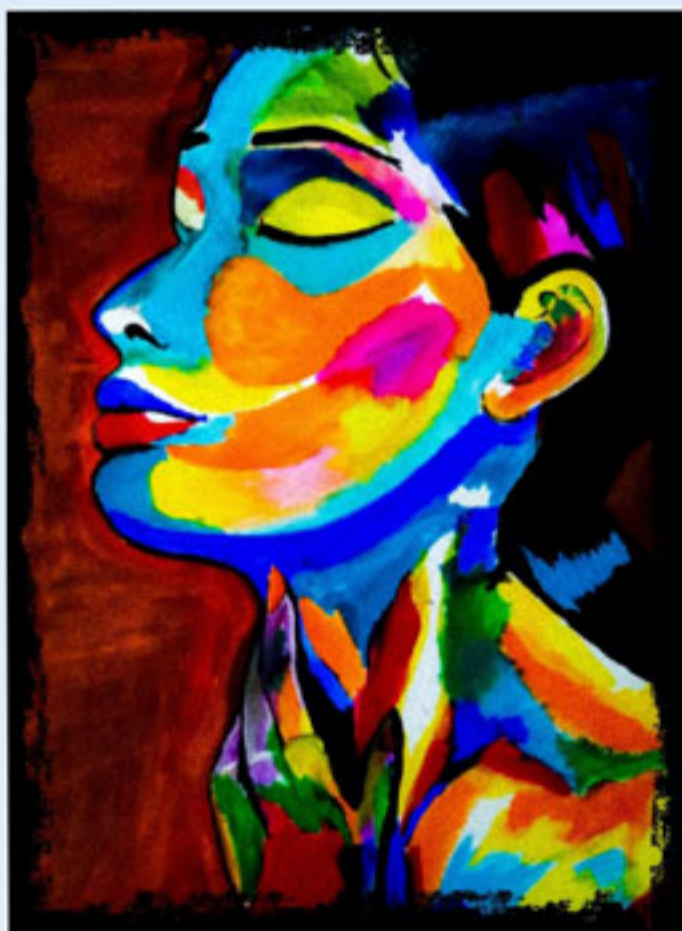

You're the creator , move forward and make your own sparkling story

Basic of winning is that you have a undying desire

Just keep in mind it's the kingdom that want to acquire

Either win the throne or set it on fire

Anmol Vats, B.Pharm 2nd Year

Rashi Sahu, B.Pharm 3rd Year

शुरु हुई एक अरसे से जो धर्म की कहानी
भुगत रहा है देश जिसकी आज भी निशानी
देश मेरा आज भी है भुखमरी से जूझता
धर्म का खजाना पर आज भी है भर रहा
हिंदू और मुस्लिम हैं कहने को तो भाई
फिर क्यों मंदिर मस्जिद की हो रही लड़ाई
क्यों नहीं भाई मेरे आ रहे हैं साथ-साथ
जब ईश्वर और अल्लाह ने सिखाया है
एक पाठ

में नहीं यह कह रहा कि धर्म को ही त्याग दो
एक दफा डोर इंसानियत की भी थाम लो
इस देश की है एकता हाथ में हमारे
टूटने ना दें इसे मिलके हम सारे

Ashutosh, B.Tech 2nd Year

KIET Alumni Section

KIET Alumni Engagement Cell (AEC) and KIET Alumni Association (KAA) jointly hosted the “Career Guidance Webinar on UPSC Preparation” on 18th February 2022. Mr. Ajay Kumar Yadav, IPS officer and a B.Tech 2010 alumnus, was the special guest at the webinar.

KIET Group of Institutions thanks its Alumnus Mr. Vinay Kureel, B.Tech (CSE-2003), Portfolio Manager, Capgemini, USA for visiting his beloved alma mater & devoting time from his busy schedule. Mr. Vinay Kureel during his visit at KIET on 02nd February 2022 refreshed his memories of college days.
