

KIET
GROUP OF INSTITUTIONS
Connecting Life with Learning

CHRONICLE
The Institute Mirror

**From the Desk of
KIET Dignitaries**

Dr. Satish Kumar
Dean-SW & Professor (EEE)

What you see today was once a dream of some visionaries who came together with the objective of providing **world-class education** here in the region and thus, the KIET Group of Institutions was established. In these 24 years, KIET has proved itself to be the trailblazer for a plethora of the **best practices** that are being followed here and thus, it stands tall in the country in terms of providing **competent professionals** to the world. KIET lays equal focus on **teaching and research** and that is one of the prime reasons that we are second to none. The Office of the Dean of Student Welfare is committed to create a **conducive environment** not only for the students but also for the faculty and staff. The office has also taken various initiatives like initiating creche facilities for the kids of KIET faculty and staff members. As mentioned above, we leave no stone unturned to do nothing but the best and thus, we have **30 clubs** in the campus that touch all the dimensions of one's personality and thus, the students of KIET get all the platforms to hone their skills and develop their personalities by getting rid of their inhibitions (if any). Various outreach clubs like our own **NGO Uddeshya** along with **UBA, Ek Prayas - Jagrukta ki Orr, WORC, SDG** etc. are working in the dimension of social welfare and social upliftment. Thus, we can proudly vouch for the fact that we as an academic organization are also shouldering our responsibilities towards society. And, we believe that whatever we have achieved is just a drop in the ocean and **the best is yet to come.**

Young Faculty Speaks

Mr. Himanshu Saxena

Assistant Professor- Communication & Soft Skills
Assistant Dean of Student Welfare (External Affairs)

KIET Group of Institutions has become a **dream destination for aspiring engineers**, managers and pharmacists across the nation today. This status shows that we enjoy today is the **outcome of the synergistic efforts** that are being put everyday by all the stakeholders of this institute. Erudite faculty pool, sincere students, and aware parents coupled with prudent leaders and **magnanimous management** have made it possible for KIET to carve a niche for itself.

The institute lays equal emphasis on

every aspect of the student lives to shape them well and make them **future-ready**. We can vouch for the fact that wherever our students go, they mark their presence and it can be verified by looking at the status of our **19000+ alumni** who have marked their **imprint on the world map** with their dynamic presence and great contribution to the world as a whole.

The office of the **Dean of Student welfare** works round the clock to create and **sustain a promising environment** for budding professionals to keep them at peace and make them focus on their careers.

The Department of Humanities & Social Sciences keeps on striving to provide the students with the right set of training that can **bridge the gap** between them and their dream careers. We are a learning institution that not only creates professionals rather value-oriented ones.

As I always say- Keep learning for learning is divine!
