"Shaping Young Minds with Skill Oriented & Value Based Education"

**From the Desk of
KIET Dignitaries**

The present higher education system is accelerating towards a new phase because of the industrial revolution and the exponential growth of modern technologies

**Dr. A Garg
Director**

which are transforming our society, industries and employer demands. These shifts have made it imperative for the educational institutions to align themselves with the **National Education Policy 2020** that envisions adaptability, flexibility and inclusivity in a broader aspect in order to prepare the next generation to thrive and compete in the new digital age.

To summarize, the classroom teaching must be outcome-based, focusing on improving student experiences. We need to create experienced freshers who can meet the demand of the industry immediately after joining.

I am of the very strong opinion that to achieve the above, it's necessary for the faculty members to straighten out the exclusive potential to fill industry-academia gaps with a faculty-friendly policy without much financial strain on them.

With this thought in mind, the KIET Group of Institutions has decided to declare the year 2022 as a **Skill Development Year for all KIETians**.

Celebration @ KIET

A new year is another chance to get new opportunities, new adventures, and new beginnings. **KIET Family** celebrated the New Year with **Cultural Gala** events. A **Hawan Puja** was also organized to welcome the new year with a smile. Here are the glimpses of this beautiful beginning.

The **73rd Republic Day** was celebrated with patriotic fervour adhering to COVID-19-appropriate behavior. Hon'ble **Director Dr. A Garg & Joint Director Dr. Manoj Goel** not only shared their vision for KIET but also encouraged the **KIET family** with their words of wisdom. **Dean S/W Dr. Satish Kumar** also addressed the KIET family.

Reading maketh a full man; conference a ready man; and writing an exact man" - An Interpretation of Francis Bacon writing.

Good books, the real friends, are the treasure of acumens and wisdom. It upholds the ability to decode insightful thoughts. When you read them in depth, they give sunshine to the shady opinions and illuminates the bliss. And that's how "Reading maketh a full man".

By "conference" as Bacon- discussion, debate viz let our mind be a storehouse of analytical points which permits a clear perspective to the tongue for disquisition.

So, "conference maketh a ready man".

By "writing", here, Bacon does not mean writing books or practicing composition. Let's foster our ability to refine our ideas in such a way which makes a writer eager to cultivate a different style of writing with complex concepts. To become an exact man lets our writing be deployed with 5c's (clarity, conciseness, complete, coherent & courtesy).

Here at KIET, I suggest that my budding minds master the LSRW skills and explore platforms of interpretation and expressions where you get sources of enjoyment with education all through. Consequently, the aforementioned quotation comes to its clear expression, "Reading maketh a full man; conference a ready man; and writing an exact man".

जिस नारी ने सबको जीवन दान दिया,
आज उसे ही जीने का अधिकार नहीं,
का सबको मैं सोचूँ तो,
करी नहीं तो पूरा हत्या है करी...

वही कल्पना करो जीवन की तो किस नारी सम्भव नहीं,
पर जिस नारी ने जीवन दान दिया,
आज उसे ही जीने का अधिकार नहीं...

कभी लगने से चढ़ते,ले कभी लगने से बाद,
उपर एक नारी को जान पर मिलने अवधारण,
मनवा, मरिमा, मरते,सादगी है कलश आगर,
फिर भी दिखती है क्या बेवश और लखर.....

सब पुरोही तो आज के समाज की बड़ी ज़रूरत की परिभाषा है,
जब जटिल का हो तो आशा,
बेटी पर निराश,
जब सुख न हो तो
तो नारी के नाम पर ही समाशा...

अप सबको प्रकृत हूँ कटी क्या इशार नहीं??
बेटी क्या सन्तान नहीं?
और जिस नारी ने सबको जीवन दान दिया,
फिर क्यों उसे जीने का अधिकार नहीं??????...

उनके हज़ारों से , न मिलना अच्छा है,
गैरो सी फ़िलारत से,दूर का सलाम अच्छा है,

मेरी नजरों को नजरअंदाज कर देती उसकी नजरें,
तभी दीवार से , वो तस्वीर-ऐ-गुफ्तगु अच्छा है,

मथानुत हो तो बता दिया करो,
उन तमाम बहानों से,एक इंसार अच्छा है,

पूरी रात उजाड़ दी ,एक तेरी तस्वीर को देकर,
तेरी खामोशी से , तेरा रसवा करना अच्छा है,

एक शरद से ज़िंदगी,उसी पर ज़िंदगी फ़ना करते हो,
कभी एक ही शरद से मुनास-ख़लारा भी अच्छा है,

सुख भूलने की बात,शाम को बात ही भूल जाता है ,
दिलकशा का सन्तीका-ऐ-दुबक-ऐ-अंदाज अच्छा है,

*In the darkest of the nights
I saw dim sparks lights
Lying in a sad position
Made me close my eyes*

*But a little time apart
The lights started to glow brighter
My heart felt a fresh breath and went a lot lighter*

*Now I wanted to touch the light
The darkness was not so happy place
So with the strength I gained I approached to the glow*

*And one final day
The darkness finally left my sight
For it always was just that one bit
That one bit of strength required to let it all show happy
and bright*
