

## PROUD MOMENTS

In the field of designing, **KIET Design club** from **Department of Mechanical Engineering**, **Mr. Aditya Shukla** from **B.Tech 3<sup>rd</sup> year** cleared the **CSWE - MD** and now he is certified from **Dassault Systems at Expert Level in Mechanical design**. He is the first undergraduate student from **KIET** who achieved this certificate and raised the banner of excellence in designing.

**KIET Group of Institutions, Delhi-NCR** is very much strategic about increasing the opportunities and proficient in global industry and now a proud member of **Confederation of Indian Industry (CII)**. The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

KIET Group of Institutions organized the **5 Days Workshop/Awareness Program on Outcome Based Education (OBE) Practices (Phase - 2)** from **19<sup>th</sup> July – 23<sup>rd</sup> July 21** for faculty members. The resource persons were **Dr. Shailendra Kumar Tiwary (Professor & HOD –CE)**, **Dr. Atul Kant Piyooch (Professor – CE & Associate Dean –OBE)**, **Prof. Yaduvir Singh (Assoc. Prof. – EN & Assistant Dean –OBE)**, **Dr. Prateek Gupta (Assoc. Prof. –MBA)**, **Dr. Pravesh Singh (Professor –ECE )** and **Dr. Neelam Rawat (Professor –MCA)**.

**Prof. Dr. Satish Kumar**, Associate Professor- **Department of Electronics and Instrumentation Engineering & Dean SW** virtually delivered research lecture on **Voltage Stability and Issues, Analysis and Integration of Renewable Energy Resources** on **10<sup>th</sup> June 2021**. The main objective of this lecture was to give adequate insight about Renewable Energy Sources and stressed on how to make our earth more environmentally friendly.

## Plant Trees Together @ KIET

Under the aegis of **Environment and Energy Management (EEM) Cell** and Office of **DSW**, a **Pipal Plantation drive** was organized on **7<sup>th</sup> July 2021** in **KIET Group of Institutions, Delhi-NCR, Ghaziabad**. The plantation of saplings has been done under an initiative by **AKTU Lucknow**. Some Pipal plants were also received from **35 UP BN NCC Modinagar**. The event was graced by **Dr. Shailendra Kumar Tiwary, Head EEM Cell**, **Dr. Satish Kumar, Dean Student Welfare**, **Dr. Atul Kant Piyooch**, **Prof. Yaduvir Singh**, **Dr. Preeti Chitkara**, **Dr. Anurag Gupta, NCC Officer**, **Dr. Sangeeta Arora**, **Prof. Siddarth Jain**, **Prof. Sudhir Kumar** and **HCK. P. Singh, Admin Officer**.

<< ONLINE EVENT >>

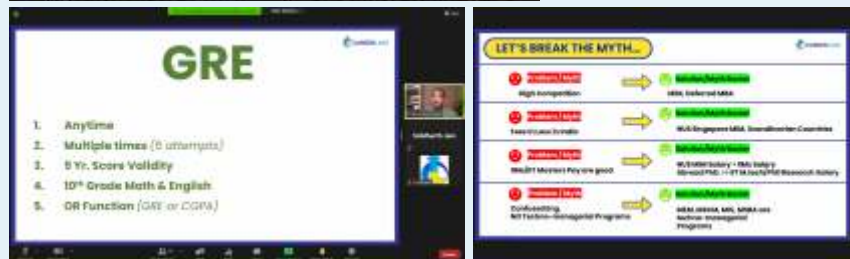

Department of Electrical and Electronics Engineering of KIET Group of Institutions in association with one of our international academic partners FACENS University Brazil is proudly announcing a seed for a new work for expansion, internationalization, and partnership where, in addition to the Smart Campus KIET with FACENS theme, we also aim to provide students with greater ease of use in professional and academic life.

When we aim to achieve, everyone's path is unique. The Department of Computer Applications always wants to inspire their students to become the best version of themselves and "Mission Million" is one such way where preparation meets with opportunity, and a motive outlined through riveting lectures by Industrial experts. 1<sup>st</sup> expert lectures series in the Summer Internship Program (SIP-21) on the topic: "Test Cases preparation" Resource Person: Prof R. N. Panda.

An alumni interaction session was organized for Electronics and Communication Engineering students on 12 June 2021. The alumni speaker was Mr. Devendra Maurya (2014-2018 batch), Associate physical Design engineer, Synapse. He addressed the 3rd year students on the topic of Core Electronic Scope. The session was indeed insightful and informative.

The Department of Civil Engineering in association with CAREERLABS conducted a Webinar on " Profile Building for Higher Education & Placements " on 25<sup>th</sup> Dec 2021 . The speaker was Mr. Satish Anand, a Josh Talks Speaker, Award-Winning International Author, Soft Skills Trainer having 19 years of experience. He trained more than 150+ universities and colleges across Asia.

This pandemic situation affected many of us somehow, physically, mentally, and financially. To overcome the physical effects of Covid-19 and to be aware of the essential precaution and care for our health dimension to come back to the normal schedule, the KIET Value Education cell organized a one hour webinar on "Swasthya-Sanyam" for staff members of KIET Group of Institution by Dr. Pramod Kumar Sharma on 4<sup>th</sup> July 2021.

Hard work is the foundation of all achievements, and no one ever succeeds without hard work. We're so proud of the countless hours of dedication towards study and the hard work that you've put into it. The Department of Computer Applications organized Toppers Felicitation Program on online mode via @MS Team on 3<sup>rd</sup> July 2021 (Saturday). Congratulations on all that you have accomplished.

<< EXPERT TALK >>

By learning you will teach; by teaching, you will learn". 2nd Lecture, on **Summer Internship Program (SIP-21)** under Expert Lecture Series of **Akash Bajpai**, was conducted and shared significant skills to become a coder.

An alumni interaction session was organized by the **Department of Electronics and Communication Engineering** on **12<sup>th</sup> June 2021** for **3rd Year ECE Students**. The alumna speaker was **Ms. Manya Srivastava** (2013-2017 batch), **Senior System Development Engineer, AMAZON**. She addressed the students on the topic of Introduction to a **New World of Coding**.

TBI-KIET organized an Expert Talk on **"How to Plan for Startups Legal & Ethical Steps"** on **14<sup>th</sup> July 2021** on **Facebook Live**. The session started with explaining the great benefits for all the young innovators who are planning for their **startup** and **business**. The session boosted student's motivation to the next level.

**Mr. Himanshu Saxena** delivered an expert Guest Talk for the MBA students of LNCT, Bhopal on **"Mapping your personality traits for building career"** in order to choose the right specialization in **MBA**. The talk was well appreciated for its unique approach and Mr. Saxena was well-acknowledged for the same.

<< GUEST TALK >>

An invited guest talk on **'Role of Regulatory Affairs in Pharmaceutical Industry'** was organized by the Minor Specialization Team, **KIET School of Pharmacy** on **10<sup>th</sup> July'2021** with the objective to interact with the expert in DRA who enlightened about the open door of career options in Drug Regulatory Affairs.

The guest speaker was **Dr. Jitendra Kumar Badjatya, Scientist-I, Regulatory Affairs, Torrent Pharmaceuticals AMD, Gujarat**. The Expert portrayed a real picture of the path, struggle, and luxuries that come with one's option of a career in DRA.

**KIET School of Pharmacy** organized a **Guest Talk** on the topic **"Clinical Research: Yesterday, Today and Tomorrow"** on **17<sup>th</sup> July 2021**. The Eminent Speaker of the talk was **Mr. Jagdish Jamagade, Sr. Clinical Research Associate (Level I), Clinical Functional Service Provider-South Asia, Clinical Operation, PPD on behalf of GSK- India**.

The **Department of Computer Science** organized an invited talk on **"Business Analytics Components and Tools "** on **16<sup>th</sup> July 2021 (Friday)**. **Prof. (Dr.) Pradeep Kumar Singh** was the convenor of the program This webinar was co-ordinated by **Prof. (Dr.) A.P. Shukla, Additional Head & Prof. Arti Sharma, Assistant Professor, CS Department**.

<< PROJECT EXHIBITION >>

As time goes by, the Department keeps adding newer, shinier, and more vibrant activities that redefine the essence of achievements. **"Project Exhibition 2K21"** organized by the **Department of Computer Applications** on **10<sup>th</sup> July 2021** on MS Teams to showcase those challenging students who step into the shoes of experts within their fields and consider beyond the boundaries of the theoretical knowledge that may help them to develop skills, confidence and their overall performance, necessary for success in the **21<sup>st</sup> Century**.

**Department of Computer Science & Engineering** conducted a mega online event - **"Project Exhibition - 2021"** on **10th July 2021**. The event provided a platform for the students to amalgamate their **creative ideas** and the **concepts learned in the classroom** and bring them to a practical realization. The zest and vigor of the participants made the event a grand success.

<< KIET INITIATIVE >>

Department of Electrical and Electronics Engineering of KIET Group of Institutions is not only confined within the limits of the curriculum but grabs every opportunity to spread out the message of **UNNAT BHARATH** and **AATMANIRBHAR BHARATH**. The faculty members along with the **Administrative Officer** visited the nearby villages to educate the students and village leaders about the prospects of higher education in the **Nation's growth**.

The Union Government has recently launched an umbrella program “**National Initiative for Developing and Harnessing Innovations (NIDHI)**” for nurturing ideas and innovation into successful startups. Keeping this aim in mind, **Technology Business Incubator- KIET Group of Institutions** calls for proposals under **National Initiative for Developing and Harnessing Innovation-Entrepreneur-in-Residence Program (NIDHI-EIR)**.

<< WEBINARS >>

**Dr. R. Srinivasan (HOD, KSOM)** represented KIET School of Management in the panel discussion. The discussion was moderated by **Mr. Lal Goel, Chairman, Organ Donation India Foundation & Gyan**. The panelists deliberated on points such as **being your own boss, chasing your passion, maximizing the impact for the society, leading by example**.

**Dr. Minakshi Karwal, Department of Applied Sciences, KIET Group of Institutions** was invited as a speaker in a webinar on “**Waste Management**” on **9<sup>th</sup> July 2021** organized by **Bharat Group of Institutions, Haryana**. Around **200** students and faculties of the institute attended the webinar and got benefitted through the speech.

The **Department of Civil Engineering** in association with **ACE Academy** conducted a webinar on “**Career Opportunities after B.Tech**” on **14<sup>th</sup> July 2021**. The speaker was **Prof. Anand Kumar, Motivational Speaker, Senior Faculty Member ACE Engineering Academy**.

The **Data Science and Deep Learning (DSDL), Centre of Excellence** and the **CSE Department**, in collaboration with **deeplearning.ai** organized the second **Pie and AI workshop** of the Ghaziabad region titled “**End to End Machine Learning Project Development**” on **22<sup>nd</sup> July 2021**. The workshop gave the participants an essence of conceptualizing, developing, and deploying ML projects in the real world.

Open source is built by the creativity, grit, and perseverance of maintainers and contributors. We are happy to inform you that the **Department of Computer Applications** organized a **short workshop** on the **Introduction of GitHub** on **20<sup>th</sup> July 2021** at **MS Team** where students were participating as experts and sharing their knowledge about **GitHub**.

To establish the close-knit network, **KIET Alumni Engagement Cell (AEC) & KIET Alumni Association (KAA)** successfully organized an **Alumni Panel Discussion** on the topic “**Relevance of MBA for Technical Professionals**” on **20<sup>th</sup> July 2021**.

After the grand success of **Virtual Vitae-I(2K20)** the **Department of Humanities & Social Sciences, KIET Group of Institutions, Delhi-NCR, Ghaziabad** extends its pride by announcing the winners of “**Virtual Vitae-II(2K21)**”. Heartiest congratulations to the winners! of **Virtual Vitae-II(2K21)**, **Ms. Nishtha Agarwal (ECE), WINNER, Ms. Tanya Bajaj (EN), FIRST RUNNER-UP, Mr. Apoorv Gupta (MBA), SECOND RUNNER-UP**. The Department also acknowledge the sincere participation of all the contestants **Best Wishes from the H&SS Department!**
