Digital System Design

Department of Electronics and Communication Engineering initiated an ICT based short term course on '**Digital System Design**' sponsored by NITTTR, Chandigarh.

ITS ALL ABOUT A PEN

Something which can give
Satisfaction without pleasure,
Something which can give
Pain without torture.

It can make you,
Meet your illusion.
Ends up,
Changing reality's dissolution.

Can make you smile and
Shed tears at the very same time.
Can take you to the day when he was with you
Also towards the end in the very next line.

It can hurt us, break us, and separate us,
But will ultimately bring us together.
It's all about a pen swinging in the
Hands of a writer.

-Garima Singh**Shambhaves Prata Singh****VAISHALI KESARWANI****LET'S GO...**

Visit a mountain so high
That just a vault would make me touch the sky...
Confining the snow when it would melt on my palm,
I want to taste the sweet bliss of winter's charm..
Holding a hot chocolate, quivering in the blanket,
I would contemplate the snow slowly kissing the leaves...
Let's go...
Visit a valley so deep
That sun would struggle to make its rays and dust meet...
Gazing at the sky when the dusk would prevail,
I would grasp the lazily falling hail..
Amidst a garden, when the sun rays would finally reach,
I would slowly fall asleep.

-Sugandha Chutani**मौत भी खूबसूरत है**

ज़िन्दगी एक ही डर के साथ बिताई सदा
ये पल ज़मीन पर आखिरी ना हो मेरा।
ज़िन्दगी के जुल्म पड़े सहने
इसकी खूबसूरती के भी क्या कहने।।

एक रात मेरे सपने में वो आई
आने वाली है वो ये बता गई।
मैं घबराई हुई थी
इस डर को हसी के पीछे छुपाई हुई थी।।

घर के द्वार बंद किए बैठी थी
पर वो दीवारों को पार कर आ गई।
मैं हर मुश्किल से दूर रहती थी
वो तो खुशियों के पीछे छिपकर आ गई।।

मैं पहचान ही नहीं पाई उसे
थोड़ा घबराई देखकर उसे।
पर उससे लड़ सकूँ इतनी ताकत ना थी मुझमें
आखिर में मौत ले ही आई अपने साथ मुझे।।

मेरा हाथ पकड़ मुझे बादलों के बीच ले आई
यहाँ सब वैसा है जैसा कहानियों में था सुना।
पर हम इंसान संतुष्ट कहाँ होते है भाई
मेरे सवालों का सिलसिला यहाँ भी ना रुका।।

किसी बुजुर्ग महिला को रोक मेने पूछ ही लिया
जी ये जन्नत है। तो जहन्नम है कहाँ?
वो हल्का सा मुस्कराई
और बोली लगता है अभी अभी ज़मीन से हो ऊपर आई।।
इससे पहले मैं कुछ कहती
वो बोल पड़ी जहन्नम वही है जहाँ तुम अबतक थी रहती।
बहुत कष्ट सहे होंगे तुमने
अब स्वर्ग में आराम करो।।

ज़िन्दगी छूटने के बाद मालूम पड़ा
हम नर्क से बचने के लिए अच्छे कर्म करते है।
और साथ ही लम्बी उम्र की कामना भी रखते है।
ये दोनों आशाएं साथ में पूरी हो सकती नहीं है।
शायद इसीलिए अच्छे इंसान भगवान के पास जाते जल्दी है।
