CELEBRATION @ KIET

Keeping our Hon'ble Prime Minister's vision in mind for a fitter country with the Fit India Movement and as a part of India's 75th Independence celebrations, KIET- Institutional Fitness Committee (IFC), Office of Student Welfare, KIET Group of Institutions, Delhi-NCR, successfully organized "FIT INDIA FREEDOM RUN 2.0" in physical mode within the KIET campus on 2nd October-2021.

To increase the enthusiasm of the students, our Joint Director Dr Manoj Goel also participated in this race.

A celebration of foreign language learners on campus was held by the Department of Public Relations and International Relations. The event started with the illumination of the lamp by Dr A Garg, Director, Dr Manoj Goel, Joint Director, Dr Anil K Ahlawat, Dean Academics, Dr Satish Kumar, Dean Student Welfare, Dr Preeti Chitkara, Head PR&IR and Assistant Heads PR & IR with IDP representatives Ms Sandhya Nair and Mr Lalit Malhotra.

<< KIET INITIATIVES >>

Excellence is not an exception; it is a prevailing attitude. The saying is in congenial with the milestone achieved by KIET Group of Institutions, Delhi-NCR that signed an MOU with IDP on 9th October 2021. IDP will provide KIET students with personalized course counseling, course request submission, and pre-departure counseling for study abroad possibilities.

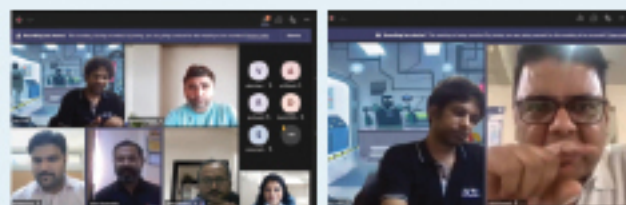

KIET Group of Institutions, Delhi-NCR has always made it possible for women in rural areas to be sufficiently informed of their rights. The goal of **Mission Pink** was to educate women and girls aged 14 and up in the village of Asalat Nagar near Muradnagar in the district of Ghaziabad about their own physical and mental health. In this event, a medical camp was arranged for health check-ups of participants and this initiative was taken by our students Priya Sinha and Dolly from B. Pharm IIIrd year. **Women's Physical and Mental Health Outreach** program also conducted for 20 girls and 30 women. Ms Durgesh Sharma, a social worker, and Ms Ravit, a female police officer, up-skilled the women on responding to eve-teasing and other forms of mental and physical harassment.

<<ALUMNI/GUEST TALKS>>

<< YOUNG FACULTY SPEAKS >>

Strategic Up-skilling with Digital Era: Preparing for Future Challenges & Opportunities By:- Ms Vaishali Kikan, Assistant Professor, ECE Dept

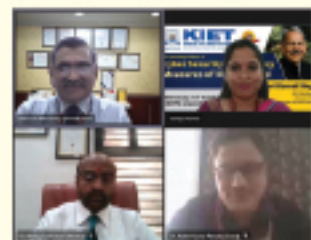

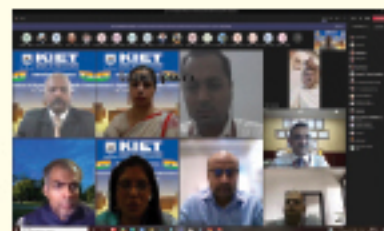

After reaching the 100 Crore vaccination milestone, everyone is dreaming of a new normalised world and especially education sector is witnessing a transformation where the skills learnt from the online world are directly applied in the physical classes. Teachers, as one of the most important stakeholders of the institute, are now amalgamating the learnings from the covid era and this results in various innovative teaching-learning pedagogy like animations, video lectures, e-notes, and online quizzes. To increase productivity and efficiency during pandemic, KIET Group of Institutions, Delhi-NCR continuously upgraded our skills and supported by conducting various FDPs, workshops to record the lectures and editing process. To enhance the learning experience for their students, KIET facilitated its faculty members by providing equipment, workspace and in-house video shoot. Students are getting the recorded lectures developed by all the faculty members in the form of self-shoot videos and PPT slides from where they can learn anytime & anywhere.

<< WEBINARS >>
