

Notice

It is the matter of immense pleasure to inform that Office of Dean Academics is going to organize two webinars on the topics "**Challenges in good learning and assessment – Post COVID**" and "**NEP 2020 – Role of Institutions**" on 17th October 2020 and 28th October 2020 respectively for KIET faculty & staff members.

We are honored to have **Prof. N.C Shivaprakash** from **Department of Instrumentation, Indian Institute of Science, Bangalore** as Chief Guest of the day to speak on the these topics.

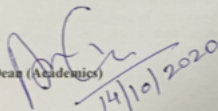

The webinar series aims to carry out the awareness about the online education post COVID and New education policy issued by Government of India.

We look forward the active participation of KIET faculty & staff members for the webinars.

The Platform of the webinars: Microsoft Team.

Link of the webinar: will be circulated shortly.
