Electrical & Electronics Engineering V-CIPECH is providing an opportunity to connect with keynote speakers from all over the Globe to exchange information that helps with agility and growth. Speakers will provide the insight, foresight and advance developments in the technology in their respective fields.

Prof. Nikhil R Pal

FIETE, FNASc., FNAE, FNA, FIFSA, FTWAS, FIEEE, Past President, IEEE Computational Intelligence Society (2018-2019) Professor, Electronics and Communication Sciences Unit (ECSU), Indian Statistical Institute, Calcutta

Prof. Ramesh Bansal

FIET (UK), FIE (India), FIEAust, SM IEEE (USA), CPEngg (UK), Professor, Electrical Eng. Department, College of Engineering, University of Sharjah, Sharjah, UAE

Dr. Vivek De

Intel Fellow at Intel Corporation IEEE Fellow, Portland

Dr RegianeRelva Romano

CIO at VIP-Systems Informatica, Brazil

Prof. Álvaro Rocha

AISTI & University of Lisbon, Portugal

Dr. Cher Ming Tan

Professor Electronics Department, Chang Gung University, Taiwan

Prof Pat Wheeler

Global Director of the Institute of Aerospace Technology Head of the Power Electronics, Machines and Control Research Group, Department of Electrical and Electronic Engineering, University of Nottingham, University Park, Nottingham
