

NoteSub: Regarding CV Raman Award, Session 2021-22

This is with reference to the KIET Reward & Recognition Policy 'C.V. Raman Award' framed to identify top Researchers among Normal faculty and top Researchers among Research Faculty members who have made their valuable contribution in the area of Research towards Institutional progress.

The nominations were invited from faculty members for this award and honor for their contribution in the field of Research during the Academic Year: 2021-22 via HR mail dated 4th August 2022.

All the faculty members (Except Deans & HoDs) were eligible to apply and 44 faculty members (25 normal faculty members and 19 research faculty members) had sent their self-nominations in the prescribed format.

Team R&D has thoroughly scrutinized all the applications through several long meetings and has made the merit list based upon the credentials claimed by faculty members.

For Session 2021-2022

44 faculty members nominated themselves (25 normal faculty members and 19 research faculty members).

Please find below the Merit list of Dr. CV Raman Award Merit List comprising top 10 Normal faculty members and top 10 Research faculty members.

List of Top 10 Normal faculty members are as follows-
