- ✓ **Frequency of the Board Meetings and Academic Advisory meeting**
Board meeting is regularly held half yearly and Academic Advisory Body meeting is regularly held every quarterly.
- ✓ **Organization Chart and Processes**

KIET Group of Institutions Organization Structure

➤ **Nature and Extent of involvement of faculty and students in academic affairs /improvements:**

Primary role of key persons like Director, Head of Departments, Professors etc. is to ensure that quality education is imparted in true spirit in consonance with the policies of AICTE, University and Krishna Charitable Society. They are continually involved in evolving new strategies to improve the teaching learning process in order to produce students with ability to apply what they learn, believe in lifelong learning and dedicated themselves to work for the common good.

Senior key persons are responsible for –

- i) Ensuring overall discipline.
- ii) Maintaining a conducive learning environment.
- ii) Delegate powers to subordinates.
- iv) Nurture the young faculty.
- v) Build a well-knit team.
- vi) Develop industry contacts.

Every department of the institute has departmental Societies conducted & organized by the students. The seminar & colloquy conducted under the auspices of these Societies result in a high level of interaction between of student & faculty and often an inter-department interaction. These have resulted in ideas emanating towards the improvement of the department. Further regular departmental meetings chaired by HODs- result in concrete suggestions.

➤ **Mechanism / Norms & Procedure for democratic / good Governance:**

KIET governed on the well-established practices of governance followed hitherto by Krishna Charitable Society. Under this system the Board of Governors/Governing council lays down the policies. The Governing Council comprises the management representatives, academicians of repute in the concerned field, noted scholars having institution building experience and finally the representatives of the industry. The progress of the institute reviewed regularly by convening the governing council meetings and directions given to correct the course of action in case of any deviations and provide guidance to the future plans. The institute has a high level of delegation of powers whereby the HODs organize and run their departments with free hand. This can be said at all level of the KIET organization.

➤ **Student Feedback on Institutional Governance/faculty performance:**

We are in practice to taking Student Feedback in every six months on the Institutional Governance/faculty performance through external agency. Feedback system was designed under the process of ISO Certification in 1999.

➤ **Grievance Redressal Mechanism for faculty, staff and students:**

The institute has a high-level committee to look into disciplinary cases and grievances of faculty, staff and students. The committee is headed by Dean (Acad.) and members are from different department. The cases are first viewed by the HOD and thereafter if it is beyond their level the cases are forward to the committee. Even the individual may put up their cases in the committee directly. Then the committee puts up their recommendations/suggestion to the higher authority to take decisions. The existing system is quite effective. Further, there is a tradition in our Institute wherein any faculty/staff member or a student can directly meet the Director of the Institute.
