• **Frequently of the Board Meeting and Academic Advisory Body**

Board meeting are held twice in a year and Academic Advisory Body meeting is held annually.

• **Organizational chart and processes**

• ***Nature and Extent of involvement of Faculty and students in academic affairs/improvements***

The faculty members are involved in framing policies in various decision-making bodies of the Institute. There is a practice of conducting brainstorming sessions at Department and Institute level before finalizing any policy. Academic Council supervises, evaluates, and supports all the departments in a manner that promotes excellence and creative in their work.

All the faculty members at KIET Group of Institutions keep in mind the vision of the Institute and contribute towards the development of students into competent professionals who are of immense value to the industry as well as to the society. The faculty members teach and evaluate the students so that they develop as contributing professionals ready to face this rapidly evolving world. **The meetings of class representatives with the Director are conducted every semester as per the Academic Calendar.**

The Institution aims for all-round development of students involving their physical, mental, social, cultural, and spiritual well-being and discipline. The office of dean academics is instrumental in developing industry ready professionals by continuously upgrading the curriculum, providing a way to excellence. The Dean of Students Welfare office works very closely with the Student Committees to continuously improve the quality of campus life. The Institute works with individual students to solve their problems related to both academics & personal life. We care deeply about our students and are here to extend our support. KIET Group of Institutions provides a host of various student-driven activities ranging from Sports, Cultural, and Personal Hobbies to Technical Interests. The students are encouraged to become members of various Clubs to broaden their skills and horizons. KIET Group of Institutions is running four broad categories of clubs to up-skill students. The Literary/ Personality Development category has TEDx, KIET MUN, Odyssey, Quizzinga, and E-Booster clubs. The cultural category has music, Dance, Skit, Fashion, Drawing, etc., clubs. Besides these two are Sports Club and Creative cell. These Clubs are represented by the students and they actively participate in organizing several events at the national level while running the club. They help in coordinating all the events related to academics and other co-curricular, extracurricular activities under the guidance of a faculty coordinator. They also motivate other students to participate in the activities conducted by the institute. These clubs create a bridge between Students and Faculty members in the institute. Along with creating a support system and decreasing the stress level of academics, these clubs sharpen the interpersonal, teamwork, and networking skills of the students. Students earn many awards and recognition in inter college/ state/ national level competition in various activities. Along with these curricular and extracurricular activities, the students take part in different Social and extension activities through NSS, women cell and Uddeshya.

With the objective to ensure excellence in academics, the KIET Group of Institutions appoints two class representatives to take authentic feedback/response from the students. This is done through frequent C.R meetings with the concerned HOD, Dean, and Directors. There is also transparent online feedback system. Many students are also appointed as a member in different committees of the institute like Anti-Ragging Squad, Grievance Redressal Cell, IQAC committee, Student Counsellor Cell, *etc.*

To make students industry-ready, the KIET Group of Institutions is running Centres of Excellence, Clubs in Innovation Cell, and various departmental clubs on the institutional level. All these clubs are running on the latest technologies like Industrial Electronics, ME Design, Blockchain, IoT, Machine Learning, Cloud Computing, Robotics, Artificial Intelligence, Android Programming, iOS programming, Prototype and Product Making, Data Science, and 3D Designing. These clubs help the student in completing their final year project as well as an internship.

• ***Mechanism/ Norms and Procedure for democratic/ good Governance***

“The effective leadership is visible in various institutional practices such as decentralization and participative management.”

Decentralization in Working

The organizational structure of the Institute supports in conducting the operation in a decentralized and transparent manner with due clarity of duties and responsibilities of concerned academicians, administrators, decision makers and faculty members at various levels. The faculty members hold appointments of Deans, HODs, Ad. HODs and functional Heads are administrators at their respective level for smooth functioning of various activities of the Institute.

Dean (Acad.) is empowered to take decisions for all academic activities in consultation with the Director. Department heads are authorized to take decisions at the department level with full academic autonomy within the overall guidelines of senior management of the institute. The best practice of decentralization was observed in the KIET Group of Institutions during a pandemic in which the functioning of the system was supposed to shift from offline mode to online mode in teaching learning. This shift was possible only by the support from each level and the powers delegated to the Deans, HODs and faculty members. To ensure that there is smooth transition into the online mode the faculty members were trained by the IT department on the LMS and development of online video lectures, which resulted in development of more than 3000 video lectures in all the subjects. These video lectures have been uploaded on Moodle LMS and were made available to the students in addition to online teaching learning practices.

Participative management in Institutions

The Institute promotes a culture of participative management which enables faculty, staff and students to express their opinions and give their suggestions including constructive criticism in day-to-day functioning of the institute. All academic and administrative activities are decentralized and operational decisions are taken based on discussion and deliberations in the Director's meetings with Deans, HODs, and various committees. This culture of participative management empowers members with freedom to express their opinions, assess pros & cons of a decision being taken for improvement.

• ***Student Feedback on Institutional Governance/ Faculty performance***

The feedback for course opinion survey is collected from Students during every semester through KIET ERP portal. This feedback is analyzed at higher level and steps are taken to improve the teaching, learning and infrastructure facilities. Feedback of students is sought regularly about infrastructure and learning resources for ensuring their constant satisfaction. Accordingly, continuous review of infrastructure and learning resources is carried out by respective committees and the recommendations are integrated for upgrading, maintaining and utilizing physical, academic and support facilities as per following-

- The students having attendance more than 60% are eligible to give online feedback survey.
- A team from the Office of Dean Academics organizes online feedback survey including feedback of faculty members and physical facilities of the institution for improving the learning outcomes and infrastructure.
- Feedback from students is also taken through class representative meetings, and corrective measures are taken accordingly to improve the teaching-learning processes.
- **Corrective and Preventive Actions (CAPA)** policy gives a structure to find out the faculty members who require more training and counselling for improving their teaching skills.

The Institute CAPA policy helps to collect and analyze information, identify and investigate process & quality problems. It also directs to take " appropriate & effective and/or preventive action to prevent their recurrence. The CAPA policy include assessment of teaching-learning and research contribution by the faculty members. The Registrar office and HR Department collectively identifies non-conformity and initiates the CAPA to improve overall academic performance of faculty members.

• ***Grievance Redressal mechanism for Faculty, staff and students***

Faculty & STAFF

Complaints have been considered as an excuse by many people, but all complaints do not fall under the category of excuses and to resolve such pertinent issues in an amicable manner this committee has been formed. The faculty members can directly approach the members of this committee and ask for help in solving any kind of grievance s/he has. The top-level functionaries are involved in the team so that a correct and suitable decision can be taken quickly without the faculty members having to run from pillar to post. Employees can place their grievance through <https://tech.kiet.edu/hrms/>.

KIET Central Library has separate E-Library Section having 10 latest computers. It remains open from 09:00 AM to 08.00 PM on all working days.

- **National Digital Library (NDL) subscription details**

KIET Group of Institutions is the member of National Digital Library of India (NDLI). NDLI is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. It is designed to enable people to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources. It is developed, operated and maintained from Indian Institute of Technology Kharagpur.

- **Special purpose facilities available (Conduct of online Meetings/Webinars/Workshops, etc.) and Facilities for conduct of classes/courses in online mode (Theory & Practical)**

KIET Group of institutions Delhi-NCR believes in 'Achieving High' through its outcome-based Innovative Teaching-Learning pedagogy, extracurricular activities, and placements. **It** has remarkably positioned itself by grabbing NAAC with Grade 'A+', QS I Gauge with "Dimond Rating", NIRF Ranking- 176 in engineering, 76-100 in pharmacy, ARIIA with 2nd Rank, and its all programs are NBA accredited. KIET Group of Institutions has also witnessed a ***paradigm shift @ workplace commitments*** that have taken place due to **COVID 19** i.e., **Digital transition in no time and made the teaching-learning process viable.** To list a few measures that have been instituted @ KIET are as follows: -

- ✓ More than 5000 faculties self-shoot videos are uploaded on KIET Career Maestro, YouTube channel.
- ✓ Video recordings, course file design on MOODLE, Development/Uploading of e-content on KIET MOODLE Server. The links to all the recorded videos along with the study material have been provided to the students through Moodle LMS.

- ✓ We also encouraged our students, faculty, and staff members to enhance their knowledge through MOOC courses and resulting from that more than 12000 certifications were successfully completed on Coursera only.
- ✓ *Test case-based lab manual has been designed and uploaded on LMS to conduct the programming practical which can be automatically graded for the benefit of students and faculty members. Through this, the learning pattern has become more flexible, borderless, and self-paced.*
- ✓ *KIET Knowledge Resource Centre is also developed where e-books, e-journals, NDLI, previous year question papers with solutions, and important links to various learning platforms are available.*
- ✓ Exposure to faculty /students on the conduct of **virtual labs** and commencement of **virtual lab club 'TechAdventure'** by students. **13 Virtual Labs /Experiments** have been developed in-house.
- ✓ KIET Placement Spotlight Batch 2022: - → 303 Companies -- 1450 students -- 2175 offers.
- ✓ Highest package -- 48 LPA & Average Package -- 6 LPA. Strengthening of club activities/Mentoring-emphasized.
- ✓ KIET as "Knowledge Partner" for U.P. Police Hackathon.
- ✓ Inauguration of Idea Lab@ TBI in May 2022.
- ✓ Institute has been nominated as Scientific & Research organization by Ministry of Science & Technology.
- ✓ KIET received the **"Best Engineering College in North India for Placement 2021"** award in recognition of **Education Skill Development & Research** during the **7th Higher Education Summit cum 14th Rashtriya Shiksha Gaurav Puraskar Ceremony 2021** organized by **Centre for Education Growth and Research in May 2021.**
- ✓ The Institution has established a finishing school to prepare students for placement by awarding an in-house certification named ASSET (Aptitude, Softskills, English & Technical Training).

The beyond curriculum initiatives of KIET include –

- ✓ The Advanced Diploma in Automotive Mechatronics (ADAM) is an established course jointly run by KIET Group of Institutions and Mercedes Benz India Ltd.
- ✓ **KIET-MBS Research and Development Centre for Bio-Medical Instruments** is established with the vision of developing a Research and Development platform in the institute with taking the concept of Make in India.
- ✓ The institute has tied up with BIESSE MANUFACTURING COMPANY PVT LTD to set up the "Centre of advanced Woodworking (CAW)".
- ✓ To keep the pace with the emerging technologies, Center of Excellence in "Space Technologies" has been established.

- ✓ **KIET Group of Institutions** has secured **4 stars** in **IIC Annual Performance ratings for the year 2020-21 awarded by MoEs Innovation Cell, AICTE.**
- ✓ The institute has also established few departments that are beyond the curriculum. These are: Department of Public Relations and International Relations, Department of Skill development and finishing school & Department of innovation and entrepreneurship.
- ✓ Giving wings to entrepreneurship, KIET Technology Business Incubator setup under the aegis of the Department of Science & Technology – MHRD – GOI, and also collaborates with the Ministry of Micro, Small & Medium Enterprises, the Ministry of Electronics & Information Technology, the Small Industries Development Bank of India to promote start-ups.

KIET focuses on developing global citizens so that our students may contribute toward 17 sustainable development goals as laid down by United Nations.

• **Innovation Cell**

The Innovation Center of the institute promotes innovative work, supplements theoretical knowledge through a practice-based curriculum and thus enhances employability skills.

The **Innovation Centre** assists in creating better, talented, creative, and well-rounded engineers. It offers opportunities to augment theoretical knowledge through a practice based curriculum thereby enhancing employability skills and gives an opportunity to connect innovative work with real world problems / industry needs that lead to the creation of market ready projects. Multidisciplinary projects enhance team spirit and inculcate application of diverse fields of engineering and management.

A sustainable ecosystem requires infrastructure, machines, equipment, skilled trainers and mentors. To create the ecosystem of innovation and transfer of knowledge within the institute, KIET Group of Institutions, Ghaziabad jointly with NSTEDB, the Department of Science & Technology, Government of India has established **Technology Business Incubator (TBI)** in 2007. KIET-TBI has a dedicated state of the art infrastructure viz. five Storeys furnished building, equipped with 24X7 internet & power supply.

The core strength and thrust area of the KIET-TBI is ICT, Robotics Automation, Solar Energy, Automobile, E-mobility and SDG (Sustainable Development Goals). The Centre aims to train technology aspirants of all domains in multiple disciplines and foster research & product development and also

inspires students to start their own ventures and businesses. A FabLab, part of the Global Network of more than 2000 labs across the world is also set up to nurture creativity and innovation amongst students.

KIET Group of Institutions is also having an **e-cell (Entrepreneurship Cell)**, a student body aimed to promote an entrepreneurial culture among the young minds of today's generation, and encouraging the entrepreneurial mindset of an aspiring individual to convert their "Drop of an Idea into an Ocean of Reality", through various activities and events. Also we have a dedicated **IP cell (Intellectual Property Cell)** to manage & protect intellectual property (IP) rights of academic and non-academic staff, students and TBI-KIET's incubates. This cell is working to educate and put forward transparent procedures for ownership, protection and commercialization of the developed IP while sustaining the core moral values of students, academic researchers and faculty, such as integrity, merit, academic freedom, and pursuit of excellence.

We are also a **Scientific and Industrial Research Organization (SIRO)** approved by DSIR, Delhi. The Institution has Integration of teaching and research by **Innovation Centre and Technical Clubs**. The Innovation Centre was established to promote and inculcate the culture of learning by doing, and to provide a platform for the innovative work to create better, talented, creative and well-groomed engineers. The centre offers opportunities to augment the theoretical knowledge of students through a project based curriculum thereby enabling them for the competitive job market. Technical clubs running in different departments provide an opportunity to connect to innovative work with real world problems/ industry needs and also leads to the creation of market ready projects. Apart from this, specialized lab facilities are available in the campus like **D-Link, NI-LabView, Innovation Lab with IoT and Robotics facilities** to name a few.

The Institute also has a strong Academic Body comprising representatives from Government, Industry, Banks, R&D Institutions and Academia to mentor and impart knowledge through a series of regular sessions and workshops on emerging technologies, inculcating problem-solving skills and entrepreneurship.

- **Social Media Cell**

Social media cell was created to take care of all social media handles and to provide all information regarding the activities happening in the Institute.

- **List of facilities available**

- **Games and Sports Facilities**

- Infrastructure and equipment are the backbone of sports. Several empirical studies have established sports as a beneficial activity having a positive impact on the state of health, education and the economy.

Realizing the benefits of sports in general and sports infrastructure, UGC has released guidelines for developing infrastructure to promote sports in universities and colleges. We have specially developed a sports environment that matches global standards and gives a healthy sports experience to all our students, all of which is provided to students within campus. There are multiple sport facilities to keep our students engaged and physically fit.

- Both indoor & outdoor sports activities are conducted at regular intervals for students to maintain their physical fitness essential for them to perform their best in academics also. The institute has dedicated sports complex for the students to play football, cricket, lawn tennis, volley ball, basketball, table tennis and badminton etc. Other indoor games facilities are also available.

- **Basketball**

Being one of the most popular sports in colleges, basketball is played by a large number of students in the evenings. We have a dedicated basketball coach and a well-equipped sports department to help the budding players in every way they can.

- **Football cum Hockey Ground**

The university campus has a football cum hockey ground with lush green grass for the most widely played and followed sport in the world. An experienced coach assists the team every day.

- **Cricket**

A religion to most people in India than a sport and for the students of KIET it is no different. The infrastructure related to the game includes a cricket ground with natural turf, pitches, and synthetic practice pitches with flood lights.

- **Volleyball**

KIET has two dedicated grounds with all the amenities for volleyball. Students enjoy this game every day. KIET organizes inter-college events each year.

- **Lawn Tennis**

We have setup a standard Lawn tennis ground to make our sports facility meet global standards. It's amazing to see students enjoying their favorite game of choice.

- **SSB Training Ground**

An SSB training site has been setup to provide students with an exceptional training and experience. We have an ex-serviceman assisting students to gain this skill.

- **Gymnasium**

To ensure a sound mind in a sound body, special emphasis is laid on the health and fitness of the students. A modern gym, with all the latest equipment has been set up in the campus.

Indoor Sports Facilities

Every student is encouraged to take active part in at least one outdoor activity. However, along with outdoor games KIET Group of Institutions has set up facilities for indoor games like Table-Tennis, Badminton, Billiards, Chess, Carrom, etc., and league matches are encouraged. We are also planning an inter-college sports tournament to develop the spirit of healthy competition.

- **Extra-Curricular Activities**

"Each year, as new student enter our campus, we are delighted in welcoming them as the newest members of the society of scholars, and enthusiastically commit to support their academic accomplishment"

At our Institution we always aim for all-round development of students involving their physical, mental, social, cultural, and spiritual wellbeing including discipline. The Dean of Students office works very closely with the Student Committees to continuously improve the quality of campus life. We also work with individual students to solve their problems related to both academics and personal. We care deeply about our students and are here to recommend our support. Our door is always open to hear

all your concerns and suggestions in order to strengthen and build our learning community.

KIET Group of Institutions provides a host of various student driven activities ranging from Sports, Cultural and Personal Hobbies to Technical Interests. The students are encouraged to become members of various Clubs to help broaden their skills and horizons. These student clubs not only help the students explore their hidden talent but also help in areas such as Personality Development and inculcating in the students the spirit of organization by providing them with a platform for hosting their talents.

KIET Group of Institutions is running four broad categories clubs to upskill students. Literary/ Personality development category has TEDx, KIET MUN, Odysee, Quizzing, E-Booster clubs. Cultural category has music, Dance, Skit, Fashion, Drawing etc clubs. Besides these two are Sports Club and Creative cell. These Clubs are represented by the students. Students take active participation in organizing several events at national level while running the club. They help in coordinating all the events related to academics and other co-curricular, extracurricular activities as per the directive of a faculty coordinator. They also motivate other students to take part in the activities conducted by the institute. These clubs create a bridge between Students and Faculty members. Along with creating a support system and decreasing the stress level of academics, these clubs sharpen people dealing, team work and networking skills of students.

KIET Music Club

This Club engages and organizes any and all kind of music related activities in College. KIET Music Club was established in 2017 to act as an umbrella organisation for various bands and musical groups such as Goonj and Vaani and give platform to all the music enthusiasts in College.

KIET DANCE CLUB

The objective of this club is to instil a great love of dance while inspiring self confidence, discipline and respect of performing arts. Growth of dance community and participating in core dance events to represent KIET Group of Institutions, Ghaziabad. We provide a solid technical foundation to the developing dancer. We believe in an enriching education and we recognize that every student has something to offer the arts and arts has something to offer to every student.

KIET- Kavyanjali

KIET-Kavyanjali is one of the leading groups of KIET, which is dedicated to promoting literature among students. It works to keep the literature alive among the students by motivating and guiding them. KIET-Kavyanjali organizes Kavi-Sammelans and Kavya-Gosthis in the institution on a regular basis, inviting well known poets of different genre from different states of India, along with whom the students of KIET-Kavyanjali are allowed to perform on the stage.

Odyssey – The Literary Society of KIET

The main objective of the society is to inculcate the passion of reading, writing and speaking amongst the students of KIET and nurture their talent to a large extent.

Quizzinga - The Quiz Club of KIET

The sole aim of the club is to serve the students by inculcating the quizzing culture that makes them a complete student. These Quizzing practices not only cultivate learning habits in students, but provide the platform to experience the flavour of Competitive Exams also.

KIET Fashion Club

The basic aspect of establishment of this club was taking forward fashion and connecting it with college life in the most positive way. Pragmatic aims to transform fashion and trends by showcasing that there is nothing complex in fashion even simplicity could be a branch of fashion.

TEDxKIET

TEDx brings the spirit of TED's mission of ideas worth spreading to local communities around the globe. With the same perception, TEDxKIET aims to bring forth the epic and inspiring journey of people who achieved the impossible by believing in themselves.

TEDx KIET is an independently organized TED event focused on bringing together, speakers and participants under one roof to strike up conversations that matter. TED is a non-profit organization devoted towards spreading ideas, usually in the form of short, powerful talks where Technology, Entertainment, and Design converged. Following the dynamics of TED talks, TEDxKIET aims to bring the same format for the students of KIET Group of Institutions. TEDx talks are a great way to improve general knowledge. They not only enlighten students about any specific field but also enriches them with the gist from a huge diversity of subjects, directly from the insiders.

TBI Incubation lab cum E-Cell

Through its various activities and events, the Entrepreneurship Cell of KIET strives to enrich their knowledge in the domain of management and innovative invention, and to achieve an inspiring

environment to promote entrepreneurship among the crowd. We are aided by the counsel and backing of TBI-KIET (Technology Business Incubator).

KIET e-Cell is a student body of KIET, formed in 2014 with the aim to promote an entrepreneurial culture among the young minds of today's generation, and encouraging the entrepreneurial mindset of an aspiring individual to convert their "Drop of an Idea into an Ocean of Reality".

PRAGMATIC FASHION SOCIETY

Fashion is not only about sassy walks or powdery faces. It is about the way you dress-up and carry yourself. The vision of Pragmatic is to rebuild the thinking of people towards fashion. To establish a group defining the true meaning of fashion. To flag the name of our institution on every platform. To erase the wrong mind-set towards fashion.

We want to nurture the talent of artists & designers of our college, and build their confidence. Participate in various fashion events, portraying a particular theme. Dress designing is a major job in our society. Maintaining social media handles, uploading pictures describing different attires and latest fashion trends. Imparting social messages through our photoshoots. Organizing various offline and online fashion events.

SPARK CREATIONS

We have total five domains- Fashion, Creative arts, Content, Graphics, and Photography.

KIET Movie Society

KIET Movie Society is a movie club that makes short films to present in various colleges and in various competitions. We provide a platform to amateur Cinematographers, Directors, Actors, Writers, Editors, Make-Up Artists etc., to improve their skills.

World is changing very rapidly, with the world, technology is also changing very soon. It is not possible to change university syllabus every year, but it creates gap between industry requirement and student knowledge. To overcome this gap and make students industry ready, we are running 21 departmental clubs on institutional level, 7 center of excellence and 12 innovation clubs. All these clubs are running on latest technologies like blockchain, IoT, Machine Learning, Cloud Computing, Robotic, Artificial Intelligence, Android Programming, iOS programming, Prototype and Product Making, Data Science, and 3D Designing”

UDDESHHYA

UDDESHHYA is an NGO registered under Society Act 1860. The NGO is run by students of the KIET Group of Institutions, who work for the welfare of underprivileged people. OUR PROJECTS:

UJAGAR: For the healthy development of a country, it is very necessary to fight the social evil and taboos that still exist in our world. Keeping this agenda in mind, Team UDDESHHYA organizes various drives and awareness campaigns for the betterment of the underprivileged as well as some targeted audiences.

UPHAAR: Clean, functional clothes are a basic human need; unfortunately, not all can afford these necessities. Keeping this in mind, every year team organizes Cloth Collection Drive so that the collected clothes can be distributed to those who are in dire need of them.

UMEED: Under this project, Team Uddeshhya teaches mess workers of our college from 10:00 PM to 11:00 PM. During this time we work on their academics along with some extracurricular activities. Our main motive is to show them a path for a better future.

UDAY: To give basic education to every child team UDDESHHYA started project UDAY (evening school). By teaching, we try to shape the character, caliber, and future of these children. In the hope of solving the massive social problems associated with urban poverty, we also teach and develop skills in culturally deprived children of the slums. One of our slums, where we work, is Rajnagar slum, where we teach 50 kids daily and another slum is Ravli road, where we teach approx 75 kids with proper counseling.

BLOOD PORTAL: "Blood Donation Costs You Nothing, But It Can Mean The World To Someone In Need." Blood Portal is an initiative where team UDDESHHYA collaborates with various NGOs to ensure that the blood requirement of the patient is fulfilled and reaches out to people who need blood.

ROLE OF TEAM UDDESHHYA IN COVID PANDEMIC

In the ongoing pandemic, by facing various restrictions of lockdown, Team Uddeshhya Collaborates with Zomato Feeding India and RHA (Robin Hood Army), Muradnagar for providing supplies of rations in our slums. Also, we collaborated with the Srinivas Foundation, Ghaziabad for distributing Sanitary Napkins for our slum women.

In the second wave of the Covid Pandemic, when there was a shortage of supplies of Oxygen, hospital beds, and medicines, the team looked for every possible source and tried to help people. Many requests for blood and plasma were also coming which the team handled most effectively with limited sources available.

• Soft Skill Development Facilities

KIET Group of Institutions has always been known for its visionary approach and the institute has always been a trail blazer in terms of starting many innovative practices.

Following the same pattern, the institute felt a need of Training of the students in order to provide them the employability (as per the latest industry needs) and Life Skills the institute set up the department of Soft Skills in October 2012 with the same objective.

Within a short span of time the department produced effective results and thus, it was decided in the year 2018 to provide it with a well-planned structure wherein 21 experts from the domains of Soft Skills and English came together to form the Department of Humanities & Social Sciences with a common objective of making students ready for placements and life.

The Training wing of the department shoulders its responsibilities in terms of providing trainings to students in three dimensions viz., Soft Skills, Verbal Ability and Quantitative Aptitude. Other than regular training sessions the department also organizes various capsule trainings, Faculty Development Programs, Staff Development Programs, Management Development Programs.

The department uses a well-structured module for all kinds of trainings wherein Pre- Assessment, Mid - Assessment and Post- Assessment of the students are done in order to track their progress.

The sessions of soft skills training are merged in the regular time-table of the institute across all the courses and branches for providing a sincere and regular training to the budding professionals.

The department also coordinates with various agencies of repute to provide students with international exposure; some of them include- BEC, Talent sprint, *Versant etc.

The department has a unique teaching- leaning process and involves wide range of tools and techniques to provide the best training to the students. From flip classrooms to discussing case studies; from video tutorials to performing role-plays, from understanding what is a GD and an interview to appearing in the mock practice of these.

The department has been catering to all the training needs wherein it always strives to provide the best of resources and exposure to the students.

It is only because of the continuous endeavors of the department that Soft Skills course has been recognized by the university and thus, Soft Skills has been made an audit course with effect from the session 2020-21.

The department always believes that whatever it does is a drop in the ocean and the best is yet to come.

To know more about the department visit at- <https://www.kiet.edu/about-humanities-social-science> .

- **Teaching Learning Process**

KIET Group of Institutions is **affiliated with Dr. A.P.J Abdul Kalam Technical University, Lucknow**, and follows the curriculum prescribed by the University. The effective curriculum delivery is ensured by different processes, e.g. **Academic Council is responsible** for maintaining the standards of instructions required not only for effective curriculum delivery but also for robust education and examination system. The Head of the Departments discusses their action plans to arrive at an optimal and effective way for curriculum delivery. At the commencement of every academic semester, an academic calendar gets disseminated **as per the AKTU calendar**. After allocation of the subjects, the timetable committee prepares a master timetable uploads it on the **KIET ERP**. For well-planned curriculum delivery, lesson plans duly approved **by HODs are uploaded on KIET ERP**. The contents are delivered to students as per the lesson plan and **monitored by IQAC Committee**. The subject course file is uploaded on **MOODLE** that includes Vision/Mission of the Institute/Department, **PEOs, POs, PSOs, COs, Academic Calendar, Syllabus, Class/Master time-table, Lesson Plan as per Bloom's Taxonomy, Mapping of COs and POs**, Previous Year Question Papers, GAP-Analysis, Action is taken to fill the GAP, Assignments, Tutorials, Topic beyond the syllabus, Quizzes, Question Bank, List of Text & Reference Books, e-content. As per AICTE induction program guidelines, students are familiarized by the departments about syllabus contents, teaching pedagogy, Institutional clubs, Technology Business incubators, and Universal Human Values to make them good human beings and help nature and society. To achieve the maximum outcome of curriculum delivery, students are given exposure to the content through various activities like technical clubs, expert talks by eminent speakers for their career guidance, placements, and Industry trends. Conduction on classes is duly monitored by HODs, Dean, and Director regularly so that faculty members can finish the syllabus within a given time frame. A special team has been constituted under Dean **Academics to monitor the offline classes of all branches of the Institution.**

Departments identify gradual learners and organize the remedial classes for them. Guest lectures are also organized in various domain areas by all the departments. Class representatives and parent-teacher meetings are other forums where the progress of the students is discussed, and necessary suggestions and corrections are implemented if required. The institute is well equipped with smart virtual classrooms with other ICT facilities which further ensure effective delivery of the curriculum. Institute conducts **internal examinations CT-1, CT-2 & PUE** for monitoring students' performance. **Feedback from Students, Teachers, Employers, and Alumni** are taken based on

predefined parameters. Further, faculty-wise student feedback is reviewed, and the **Corrective and Preventive Action (CAPA)** form is filled if required. After the end semester examination, university results are declared, analyzed and corrective measures are taken accordingly.

- **Internal Continuous Evaluation System and place**

Institute holds three internal examinations during a semester. Two class tests and one Pre-University examination. The first-class test is held after the completion of 33% of the syllabus. The second-class test is held after the completion of next 33% of the syllabus. And the Pre-University Examination is held after the completion of 100% of the syllabus exactly in the format of end semester university examination.

The academic calendar is prepared by Dean Academics, and Dean student welfare prepares another calendar named activity calendar that contains information of activities organized by different clubs running at the institute level.

At our institute we have a Centralized Internal Examination(CIE) system. All the process is carried online through the institute ERP portal. There are three internal examinations (two Sessional and one Preuniversity examination) that are conducted in a semester to evaluate performance of the students. Then students' academic progress is monitored by performing the continuous internal evaluation of their obtained marks by the subject faculty. Actions are also taken accordingly if required any, e.g. improvement and remedial classes are scheduled accordingly for the students. At the end, the end-semester examination is conducted and managed by the university.

- **Student's assessment of Faculty, System in place**

We are in practice to taking Student Feedback in every six months on the Institutional Governance/faculty performance through ERP. Under the guidance of Dean (Acad.) & Registrar feedback system was designed under the process of ISO Certification.

17. Best Practices adopted, if any

To promote Teaching Learning and Research activities, KIET Group of Institutions follows the institutional best practices as below-

- KIET Group of Institutions is playing an important role in the overall development of their students. The goal is not only to enrich the knowledge but shape up the student's career. In this view, the institute is initiated an **Academic System** with a purpose to introduce students with the new guidelines of the KIET Group of Institution's system for better learning outcomes.
- To ensure quality enhancement, the Institute periodically conducts the performance audit of the departments (by the Internal **Quality Assurance Cell**) which includes review of teaching – learning methodologies, extension activities, co-curricular and extra-curricular activities conducted during the academic year.
- **The research & Development Department** operates through a well-drafted policy and team of operatives. All the departments of the institute select a DRC – Departmental Research Committee, which consists of the Head of the Department, a senior Professor, and one/two other faculty members inclined towards research. A follow-up system has been designed to keep tabs on the progress of the DRC every quarter and the progress is reported on an annual basis to the Director of the institute. The faculty who are actively involved are designated as 'Research Faculty' and correspondingly assigned a lesser teaching load in comparison to the other faculty members. Apart from the faculty members, the undergraduate & postgraduate students at KIET Group of Institutions are also motivated to go in for publications/patents/consultancies/projects, etc. Under the research policy, an incentive scheme has also been formulated to promote meaningful research that contributes towards National & International needs. The amount of incentive provided to the researchers depends on the impact factor of the publication and the repute of the publisher. As we are an affiliated institute, it is extremely honorable for us to have been nominated by our affiliating university – AKTU Lucknow to be a Research Centre.<https://www.kiet.edu/overview-research>, <https://www.kiet.edu/aktu-research-centre>
- Institute has adopted the format of **Outcome Based Education (OBE)** in the whole learning structure. All the attainments (COs and POs calculation) required to be calculated are done through the in house developed ERP software (NBA-ERP Module) automatically for finding the gaps and action taken.
- As per institute policy, **Scholarship/Incentives** are given to the students for scoring good percentage in semester exams. As the student will score more marks the amount of scholarship will increase.

- For promoting teaching and learning beyond syllabus at institute level, many technical clubs/innovation centers are operational for skill enrichment of students.
- Innovation and Entrepreneurship – We are motivating students to opt industry-based projects through **TBI (Technology Business Incubator)** and give them the required skill to become successful entrepreneur.
- KIET has good connect with local industries through **Indian Industries Association** for providing students Industry exposure and problem solving.
- We are providing internships to the students through start-ups with the help of TBI.
- **Dronacharya Award** is given for best teaching faculty member at departmental level and C.V Raman award is given to 10 best researchers at the institute level every year.
- We provide global exposure to the students through **International Internships**.
- We offer **foreign language** classes to all the interested students.
- The students who present technical paper in the inter-institute events, all the expenses of student are reimbursed by the institute itself through student reimbursement policy for encouraging research culture among the students.
- **Computer Programming Proficiency Cell (CPP)**, The Cell was formulated to give all KIETians a flavor of the most competitive and rewarding mind sport of current time, i.e., "Competitive Coding", where the programmers compete to solve exciting problems using their creativity and ingenuity. The CPP cell has become a cornerstone of the KIET pedagogy as it organizes weekly competitive coding contests where the mentors and students solve live coding challenges in the classrooms along with quarterly coding competitions for the entire first-year students to act as a self-evaluation metric and identifying the best KIET coders in their infancy for further grooming.
- **Skill Development & Finishing School (SDFS)**, The changing demands of the industry require more emphasis on coding, industry-based projects, and soft skills. Thereby, a separate vertical named **Skill Development & Finishing School** has been created to address these industry demands. It includes three verticals:
 - A. Competitive Coding Improvement Program (CCIP)** is a new initiative to fulfil the need of current trends in hiring freshers in big IT companies. It aims at developing-
 - Coding Skills,
 - Technical & Soft Skills of the students.
 - The competitive module KICCS-D-HACK 21.0 for students

B. Minor Specialization: Minor Specialization is to enhance learning skills of students, acquisition of additional knowledge and to enable/ encourages them to:

- Enhance their employability with additional knowledge
- Pursue cross-discipline research
- New technology beyond syllabus
- Minimize the gap between university syllabus and industry requirements

Minor Specialization includes Web and Mobile Application Development, Data Science & Deep Learning, Machine Learning, Design and Innovation, AI Integrated Green Energy Solutions & Smart Societies, Robotics and IOT, Application of Remote Sensing & GIS, Drug Regulatory affairs etc.

C. Finishing School: Following the contemporary hiring trends due to industry 5.0, this vertical is responsible for the ultimate refining of the pre-final year students for their recruitment process and getting hired as a professional in the corporate world after earning the ASSET (Aptitude+ Soft Skills + English + Technical Proficiency) certificate. The students undergo a mix of external third-party training & in-house training, to meet the following objectives to:

- Groom students as per the industry standards
- Hone the skills– Aptitude (QA, LR & VA), soft skills, and technical skills
- Prepare students for mass recruiters
- Provide students with ASSET certification for readiness towards recruitment drives

- **Industrial Research & Consultancy Development Centre (IRCDC),**IRCDC is formed to fill the gap between the industry and academia and promote industrial research and consultancy work across departments with the guidance and support of industry mentors and thereby develop strong links for collaborating research, technology transfer etc. Main objective of IRCDC is to make the institute a multidisciplinary resource knowledge Centre and provide consultancy services to regional, national industrial entity, social sectors, and technical concerns. The team IRCDC is an amalgamation of dexterous personnel from various domains who bring with them a varied range of experience along with the knowledge of different dimensions.

- **Career Counseling Centre (CCC)** is constituted at the institute to provide requisite guidance/ moral support to the students, creating awareness about varied career avenues, exploring/providing possible solutions to the challenges that they generally face while making their career choices, thereby enabling them to make a well-informed decision about their career and educational journey. Some of the major activities of CCC include organizing awareness/ orientation sessions on mass recruiters, competitive exams, exploring internship opportunities in collaboration with IIPC department in the institute, conducting one-to-one sessions with the students and so on.
- **Environment & Energy Management Cell (EEM)** is constituted to take care of divergent areas as identified viz. Energy Audit, Green Audit, Environmental Audit, Clean and Green campus and carrying out Environment Promotion Activities (In and outside campus) with an objective to support Institute's initiative towards methodical implementation of set target as per Environment Management Plan goals.
- **Value Education Cell, Centre of Excellence "Happiness"**, is constituted at the institute level to familiarize and equip students as well as faculty and staff to the importance and need of values & ethics. Through this cell, the institute aims towards the following –
 - Development of self & society as a whole
 - Development of right feelings, thought and behaviour in faculties, staff and students.
 - Development of right understanding free from pressure and affection based on natural acceptance.
 - Development of positive relationship among faculty, staff and student.
 - Development of fearless, stress less and harmonic environment with right understanding and relationship among administration, faculty, staff and student in KIET family.
 - Elimination of negative/ unfairness/ jealousy/ duplicity of thoughts from Institutional environment with the help of right understanding and relationship.
 - Holistic development of students with the help of valued based education and sanskar.
 - Development the feeling of co-existence and prosperity among self, family, society and nature through value-based education.
- **The Centre of Excellence "Space Technology"** – established on 22nd Feb 2020 - cultivates for knowledge in the field of Space Sciences, the manufacturing & development process of Nanosatellites. It also focusses on publishing their research on the 'WEB of SCIENCE' Indexed Journals and reputed SCOPUS Indexed International Conferences. Since its establishment, the CoE has organized multiple workshops for school students, to help them explore the world of space and satellites.
- **Innovation Centre** is conceptualized with a mission to promote **outcome-based learning for students** that includes learning by making market-ready projects and developing deeper understanding of the subject specifically in student's own interest area. This Centre is designed and developed with latest equipment for the practical hands-on experience of students and includes equipment and software tools of various fields of technology.

- **International Education Awareness week (IEAW)** is a flagship event of the PR & International Relations Department at the institute. During this program, representatives from different foreign universities are invited to the campus for a 5-day education fair. The representatives guide the students about the admission criteria, scholarship, and other such details related to higher education in a foreign land. This department focusses on novel initiatives to enhance the visibility of the institute across the nation and indulging in National/International Networking to brand the institute. It also caters to providing foreign language programs and international internship opportunities to the college students.
- **Women Outreach Activity Centre (WORC)**, "Little girls with big dreams become a woman with the vision"
Women Outreach Activity Centre (WORC) is constituted @ KIET with the motto of 'Live Life'. The main objective of the Centre is to empower girl students/ women, create awareness about their rights and duties, provide a platform to fulfill their dreams, and make them aware about the latest technologies and health issues.
WORC endeavors to:
 1. Highlight the importance of health, hygiene and safety for girls & women and Organize different activities, seminars, webinars, counseling awareness program on gender sensitization as well as promote culture of respect and equality for females.
 2. Inculcate entrepreneur's attitude among girls to make them job providers rather than job seekers and eliminate discrimination and all forms of violence against women and the girl child & and spread awareness about women helping numbers and process of complaints.

LUCKNOW - 01

Sub: AICTE approval to **Krishna Charitable Society, 13km Stone Ghaziabad-Meerut Road, Ghaziabad, UP** for establishment of **KIET School Of Pharmacy, 13km Stone, Ghaziabad- Meerut Road, Ghaziabad, UP** for the Academic year 2005-06.

Sir/Madam,

The Application/ Proposal received from **Krishna Charitable Society, 13km Stone Ghaziabad-Meerut Road, Ghaziabad, UP** has been processed as per laid down procedure, guidelines, policy and/or norms & standards of AICTE, mentioned in **AICTE Regulations and/ or "AICTE Hand Book for Approval Process"**.

I am directed to state that the All India council for Technical Education (AICTE) is pleased to accord approval for establishment of **KIET School Of Pharmacy, 13km Stone, Ghaziabad-Meerut Road, Ghaziabad, UP** for the academic year 2005-06 to conduct following course(s) with annual intake as given below:

FULL TIME COURSE (S)	ANNUAL INTAKE	ENTRY LEVEL	DURATION (YEARS)	PERIOD OF APPROVAL
B.PHARAMCY	60	10+2	4	2005-06
TOTAL	60			

Contd\2.....

The Approval accorded above is subject to fulfillment of the following conditions:

1. The institution must have affiliation to a University for the above courses before making admissions. In the absence of such Affiliation this letter of approval shall be treated as Withdrawn (Order of the High Court of Madras in W.P. No. 33256 of 2002 and other Batch of Petitions).
2. No admission shall be made by the Institution, contrary to the guidelines issued by AICTE, for the academic session 2005-06. All the admissions must necessarily be made through Entrance Test.
3. The approved course(s) shall commence as per the academic calendar of the Affiliating University.
4. If this letter of approval is received by you after the closing date of State/ National level Central Counseling for Admissions in the concerned State/ Union Territory, this letter of Approval will not be valid for making any admission during the above specified academic year, and shall be treated as withdrawn.
5. No excess admission shall be made by the institution during any academic year.
6. The approval is valid only for the academic year 2005-06. If no further extension of AICTE approval is received beyond the academic year 2005-06, this Approval Letter will not be valid for making any admission for the subsequent years.
7. Any other condition(s) as may be specified by AICTE from time to time.

Consequent to the Supreme Court Judgment, the Model Constitution of Governing Body notified by AICTE in its approval Regulations 1994, stands overruled. It has been decided that while AICTE will not insist on any nomination in the Governing Body of Private Unaided Institution, the Affiliating University/ State Government shall impose minimum conditions of affiliation, such as, prescription of qualifications of Governing Body Members, in order to insure academic excellence. It shall be desirable for the private unaided institutions to induct at least 50% of the members of the Governing Body drawn from renowned academia, academic administrators, Subject Experts and professionals from industry in order to seek their innovative ideas for continuous improvement in the delivery of teaching learning process, matching best practices elsewhere and achieve excellence.

Cont3/

Please note that the Council would verify the status in respect of recruitment of faculty and rectification of other deficiencies through **Surprise Inspection** without any prior intimation. The institution shall be liable for strict action including action under the relevant provisions of Indian Penal Code in case false information is furnished to the Council.

The Council has decided to undertake inspections without any prior notice before extending approval for the year 2006-07 anytime after September 2005. A compliance report in respect of conditions/ deficiencies listed in Annexure - A must be sent to the council before 30th September 2005 in the absence whereof extension of approval for the year 2006-07 may not be considered.

The Compliance Report to be submitted to the Council by 30th September, 2005 should also be accompanied with a **Visiting/ Processing Fee** as prescribed by the Council in the form of Demand Draft in favour of the Member Secretary, AICTE payable at New Delhi. In the absence of the processing / visiting fee, the compliance report may not be entertained.

In the event of infringement/ contravention or non-compliance of the above Conditions and/or the provision of AICTE Act & Regulations/ Guidelines/ Norms & Standards as prescribed by AICTE, further actions leading to "Reduced Intake" or "No Admission" or "Withdrawal of Approval", shall be taken by AICTE and the liability arising out of such actions will be solely that of the Management/ Trust/ Society and/ or the Institution.

- (f) That the institutions shall not have any collaborative arrangements with any Indian and/ or Foreign Universities for conduct of technical courses other than those approved by AICTE without obtaining prior approval from AICTE. In case any violation is reported to the Council, appropriate penal action including withdrawal of approval shall be initiated against the Institution.
- (g) That the Institution shall not conduct any course(s) in the field of technical education in the same premises/ campus and / or in the name of the Institution without prior permission/ approval of AICTE. In case any violation is reported to the Council, appropriate penal action including withdrawal of approval shall be initiated against the Institution.
- (h) The institution shall not conduct any non-technical course(s) in the same premises/ campus under any circumstances. In case any violation is reported to the Council, appropriate penal action including withdrawal of approval shall be initiated against the Institution.

3. That the institution shall operate only from the approved location, and that the institution shall not open any off campus study centers/ extension centers directly or in collaboration with any other institution/ university/ organization for the purpose of imparting technical education without obtaining prior approval from the AICTE.
4. That the tuition and other fees shall be charged as prescribed by the Competent Authority within the overall criteria prescribed by the Council from time to time. No capitation fee shall be charged from the students/ guardians of students in any form.
5. That the accounts of the Institution shall be audited annually by a certified Chartered Accountant and shall be open for inspection by the Council or any body or persons authorized by it.
6. That the Director/ Principal and the teaching and other staff shall be selected according to procedures, qualifications and experience prescribed by the Council from time to time and pay scales are as per the norms prescribed by the Council from time to time.
7.
 - (a) That the institution shall furnish requisite returns and reports as desired by AICTE in order to ensure proper maintenance of administrative and academic standards.
 - (b) That the technical institution shall publish an information booklet before commencement of the academic year giving details regarding the institution and courses/ programmes being conducted and details of infrastructural facilities including faculty etc. in the form of mandatory disclosure. The information booklet may be made available to the stakeholders of the technical education on cost basis. The mandatory disclosure information shall be put on the Institution Website. The information shall be revised every year with updated information about all aspects of the institution.
 - (c) That it shall be mandatory for the technical institution to maintain a Website providing the prescribed information. The Website information must be continuously updated as and when changes take place.
 - (d) That a compliance report in the prescribed format along with mandatory disclosures on fulfillment of the above conditions, shall be submitted each year by the Institution within the time limit prescribed by the Council from time to time i.e. 31st August 2007 for the current year.
 - (e) That if Technical Institution fails to disclose the information or suppress and/ or misrepresent the information, appropriate action could be initiated including withdrawal of AICTE approval.
8. That all the laboratories, workshops etc. shall be equipped as per the syllabi of the concerned affiliated University and shall be in operational condition before making admissions.
9. That a library shall be established with adequate number of titles, books, journals (both Indian & Foreign) etc as per AICTE norms.
10. That a computer center with adequate number of terminals, Printers etc. shall be established as per AICTE norms.
11. AICTE may carry out random inspections round the year for verifying the status of the Institutions to ensure maintenance of norms and standards.
12. That the AICTE may also conduct inspections with or without notifying the dates to verify specific complaints of mis-representation, violation of norms and standards, mal-practices etc.
13. That the Institution by virtue of the approval given by Council shall not automatically become claimant to any grant-in-aid from the Central or State Government.

F. No. 06/03/UP/PHARM/2005/35.

- 14 That the Management shall strictly follow further conditions as may be specified by the Council from time to time.
- 15 In the event of non-compliance by the **KIET School of Pharmacy, 13Km Stone, Ghaziabad-Meerut Road, Ghaziabad(UP)**, with regard to guidelines, terms and conditions prescribed from time to time, the Council shall be free to take measures for withdrawal of its approval or recognition, without consideration of any related issues and that all liabilities arising out of such withdrawal would solely be that of **KIET School of Pharmacy, 13Km Stone, Ghaziabad-Meerut Road, Ghaziabad(UP)**.

Sub: Extension of approval to Krishna Instt. of Engg. & Tech., 13 KM Stone, Ghaziabad-Meerut Road, Muradnagar, Ghaziabad, for the year 2005-06-reg.

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from several deficiencies, which are listed in **Annexure-A** for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another **last opportunity** to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of Krishna Instt. of Engg. & Tech., 13 KM Stone, Ghaziabad-Meerut Road, Muradnagar, Ghaziabad is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
MCA	120	120

Note:- Additional intake/new courses not granted on account of deficiencies in respect of existing courses/intake.

Contd.../2

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by **31st August, 2005** to entitle your institution for extension of approval for the year 2006-07.

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of **Member Secretary, AICTE payable at New Delhi**. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.

Sub: Extension of approval to Krishna Institute of Engg. & Technology, 13 Km. Stone, Ghaziabad-Meerut Road, P.O. Muradnagar, GHAZIABAD - 201 206, for the year 2005-06-reg.

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that quality of courses is not compromised and stakeholders are satisfied. The Council also undertakes an annual Inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of Krishna Institute of Engg. & Technology, 13 Km. Stone, Ghaziabad-Meerut Road, P.O. Subject: Accreditation status of programs applied by KIET Group of Institutions, 13th KM Stone, Ghaziabad-Meerut Road, Ghaziabad-201 206, Uttar Pradesh.

Sir,

This has reference to your application I.D. Nos. 6277-04/01/2022 and 6426-27/01/2022 seeking accreditation by National Board of Accreditation in Tier II format to the UG Engineering programs and Computer Application program applied by KIET Group of Institutions, 13th KM Stone, Ghaziabad-Meerut Road, Ghaziabad-201 206, Uttar Pradesh.

2. An Expert Team conducted onsite evaluation of the programs from 16th to 18th September, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s)	Level	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)	(7)
1.	Computer Science & Engineering	UG	Tier – II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.6 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering	UG		Accredited		
3.	Information Technology	UG		Accredited		
4.	Electrical & Electronics Engineering	UG		Accredited		
5.	Mechanical Engineering	UG		Accredited		
6.	Master of Computer Applications	PG	Tier – II January 2013 Document	Accredited	Academic Years 2022-2023 to 2023-2024 i.e. up to 30-06-2024	

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The UG Engineering programs have been granted accreditation for 3 years. KIET Group of Institutions, 13th KM Stone, Ghaziabad-Meerut Road, Ghaziabad-201 206, Uttar Pradesh should submit the Compliance Report for these programs at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

Contd./_

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to KIET Group of Institutions, 13th KM Stone, Ghaziabad-Meerut Road, Ghaziabad-201 206, Uttar Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
