VISION AND MISSION OF CLUB

Our mission is to instil a great love of dance while inspiring self confidence, discipline and respect of performing arts. Growth of dance community and participating in ore dance events to represent KIET Group of Institution ,Ghaziabad. We provide a solid technical foundation for the developing dancer. We believe in an enriching education and we recognize that every student has something to offer the arts and arts has something to every student.

We appreciate that the heart of a dancer is born into many different bodies and the love of dance can take on many different styles. We will develop well prepared dancers, should they so choose to pursue the arts professionally or are college bound.

It is clear that discipline, focus and artistic enlightenment of dance creates success in all aspects of life. Dance education contributes to the development of responsible, dedicated, determined and creative adults in society.

As said best by Mikhail Baryshnikov, 'I do not try to dance better than anyone else.I only try to dance better than myself
