<< EDITORIAL BOARD >>

जीवन अपना ऐसा हो , जैसे बहता नीर ,
 कभी इठलाती सी लहरें , कभी सागर सा गंभीर ।
 नगर-नगर की यादें हो , पर रुकने का वो नाम न ले ,
 बहता ही जाये हरपल-हरदम , जब तक मंज़िल पहचान न ले
 कुछ पुष्प हैं खिलते नदी में जैसे , चहरे पर भी मुस्कान खिले ,
 गिरते झरनों के संगीतो सी , हमको भी एक आवाज़ मिले ।
 मन अपना हो रंगीन सी दुनिया , शफरी सम सब आशायें हो ,
 उनके रंगो पर इतराती , जीवन की सारी राहें हो ।

मर गया आँखों का पानी क्या लिखूं,
 आदमी तेरी कहानी क्या लिखूं।
 है अमीर ए कारवां सोया हुआ,
 कब शुरू होगी रवानी क्या लिखूं।
 हैं दरख्तों पर न पंछी और न गुल ही,
 इस सहर को मैं सुहानी क्या लिखूं।

Departure

I opened my eyes to see the dawn But now I repent,
 for its too bright for me to be alive.
 The sunrays pierce through my skin, making me numb and
 breaking my soul from the inside.
 The breeze scratches my body , carves and moulds me into a
 vessel
 A vessel that is hollow and shattered.
 In desire of finer things, I rest and hold myself together till
 twilight ,
 But little did I know, that it was way darker inside.
 Even the night shimmers brighter than the murk I possess .
 But now I realize ,
 That the world's not perished but I am.
 All this time I considered this world to be the place of the
 condemned
 But the truth is, it wasn't me who suffered but I am the
 suffering .
 And now that I know my reality ,
 it's time of my
 departure.
