SCAN ME

I hope that this does not last forever,
And I get used to being alone.
I hope I forget how nice it is to be touched,
To be held and to be desired,
I hope I forget and never remember.
I cannot do this anymore,
I sleep too much,
I do not eat,
I hate the way I look.
I am jealous but bordering on envious,
I want to be what people want me to be,
But I am not going to compromise on what little I have left of me.
So Please, If anything that has the power to help is listening.

- Harsh Mishra
ME, 3rd Year

ज़िन्दगी के हर मोड़ पर इम्तेहान हैं,
मुस्कुरा कर सामना करो तो सब आसान है।
किसकी ज़िन्दगी है भला इतनी सुलझी,
गौर से देखो जनाब वो भी एक इंसान है।
कहते हैं लोग की मुश्किल है जीना,
तो क्या मौत को अपना इतना आसान है।
डर के ना आएगा हाथ कुछ तेरे,
हिम्मत तो कर, सामना करना डरने से आसान है।
ए दोस्त! समझौता ना कर मुश्किल वक़्त से अपने,
तेरा खुदा उस वक़्त से भी बड़ा पहलवान है।

- 35+ students in evening school
- 140+ students in slum school
- 30+ students in night school

Darkest Night

The darkest night
Will give the brightest star
The ruthless fight
Will leave the faintest scar

Those who wish to revenge
Must never withdraw
Their bodies will scavenge
Their flesh burnt raw

To know what is right
Is to know the bar
The darkest night
Will give the brightest star.

The one who smiles wide
Will stand alone a time
With no one on side
Repenting for heinous crime

They bring in the light
From the sun of tar
The darkest night
Will give the brightest star.

The fallen will rise
The firm will be buried
The winner pays the price
Death has never hurried

To kill the rule of might
Will wage the gruesome war
The darkest night
Will give the brightest star.

The silent will shout
The applause will die
The truth will stand out
There is no place for lie

To heal the deepest bite
Will bring elixir in jar
The darkest night
Will give the brightest star
