### WICKED MAN

The traitor's trust  
 The demon's compassion  
 The master's fault  
 The amateur's perfection

The betrayer's promise  
 The backstabber's pledge

The oath breaker's vow  
 The sinner's honour  
 The liar's sorrow  
 The wicked man's rest.

### CHANGE- A New Beginning

Change is a name of life  
 You cannot run away as this is the way of a life.

You have to fight  
 You have to fight if you want to shine like a bright light.

Just accept the change  
 And in this way live within a variety of good range.

Don't deny this fact like a fool  
 Be courageous enough to jump into a new pool.

Wash away all your badness  
 Then see how you will get free from all the sadness.

Don't be sad when good time passes away  
 But be happy as new life is in the way.

If you miss good old times then don't be tense  
 Just enjoy the change with a positive sense.

If you feel bad by saying bye to an old friend  
 Then don't think this is an end.

Just welcome the new ones  
 Spread love and see how happiness comes.

If changes come in your life,  
 Then,  
 Be alive again  
 And make your life newly begin.

### The Sublimed Saviour

It was tough for you  
 To believe a man when all you knew  
 Or seen or felt or heard  
 That it's not the same that granny  
 In her tales declared  
 As the hero, the savior.  
 Even then you gave him a chance,  
 Stepped into the venture  
 Petrified but  
 Anticipating the same old hero.  
 But no! Not this or any other time  
 What you see is the saviour, sublime  
 Into what you knew  
 Or seen or felt or heard.
