(e-Cell KIET)

1. Endeavour 2K20

ABOUT E-SUMMIT “ENDEAVOUR’20”:- It is a corporate event put on by the KIET e-Cell (Entrepreneurship development cell of KIET GROUP OF INSTITUTIONS) under direct support by TBI-KIET, Ghaziabad. The event took place at KIET Group of Institutions, Ghaziabad on 29th February and 01st of March. Detailed in this document is the story of how this event came to be. Information about our e-Cell is provided to give an outline of the vision which helped to organize this event. Details of the Event are also included to show the reasoning of how the event happened, and who was involved. A description of the event, the rationale behind it, the venue, the participants, the promotions done, the sponsors, how the event was executed, and the final evaluation are outlined in detail to show the hard work and the satisfying pay off as a result of ENDEAVOUR_E-Summit’20. About the E-CELL KIET, it is an entrepreneurial development cell, promoted by TBI-KIET. The Technology Business Incubator (TBI) was established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology, Ghaziabad in Dec. 2007. It came into the existence with the objective to promote an entrepreneurship culture in the institute and in the adjoining area to produce entrepreneurs on a continuous basis in order to generate wealth & self-employment. With this zeal, TBI-KIET has been working for the creation of start-ups in thrust areas through innovation, support for IPR, licensing and training, and has shown remarkable growth and 85 incubatees were supported by TBI and 52 incubatees graduated successfully.

Every little bit helps. About our e-Cell family, it took on a daunting task of making this corporate event the best it could be. Spurred on with the goal of setting an ambience of entrepreneurial spirit among the young minds, we divided our team into smaller groups that would each cover a specific set of tasks. Prof. Satendra Kumar being our General Manager supported us in every possible way, without his assistance success of this event wouldn't be possible. Shaswat Mishra, President, e-Cell has been playing the lead role in the organization of this corporate event along with our Vice Presidents Harsh Mishra and Priya Mishra have taken over the responsibility and overseeing the entire event details and making sure each and every task is completed efficiently and in a timing manner. Anshika Verma, Shivam Dwivedi and Nipun Drayan Kumar, Abhishek

Mishra, Surya Prakash Pandey and Jatin Gupta, Pallavi Goyal, heading their duties for Public Relations, Technical, Corporate, Graphics and Event Management respectively. They had the task of getting the sponsors for our event. They were also in charge of distributing the items promised by the sponsors, as well as collecting the winning bids. Main sponsored of the events was "Startup In UP" UP Electronics Corporation Ltd., Lucknow. Various other sponsors with the help of whose support this is possible are as follows: - Dell Soft Technologies Pvt. Ltd., SAPRO, Enray Solution, Electro Field, T.I.M.E, etc. and Media Partner is News India 1.
