

### **National Entrepreneurship Challenge**

NEC is IIT Bombay's annual venture, which aims at fostering an entrepreneurial spirit and ensure holistic development of the scene throughout the nation.

Advance track of the National Entrepreneurship Challenge is meant to take entrepreneurial ventures to unimaginable heights, and hence, create an ecosystem that can be beneficial for like-minded individuals. By conducting various events, workshops, and interactive sessions, and also by performing well on various national level tasks, team e-Cell, KIET Ghaziabad was able to feed the entrepreneurial hunger in our institution effectively, and hence ace the Advance leaderboard of the National Entrepreneurship Challenge.

Under the able mentorship of Mr. Satendra Kumar, Dean of Entrepreneurship and Innovation, team e-Cell, KIET Ghaziabad has been able to turn 6 months worth of hard work into a fruitful result. The team has secured All India Rank 2nd in IIT Bombay's National Entrepreneurship Challenge, 2020, which saw them competing with over 700 teams.

The team comprises 10 illustrious students of our esteemed institution, namely:

1. Harsh Mishra,
2. Nipun Kumar Drayan
3. Priya Mishra
4. Harshit Saxena
5. Maulik Varshney
6. Bhavya Gulati
7. Kinshuk Agarwal
8. Siddhant Gupta
9. Ritik Mehta
10. Shivangi Pandey

### **Endeavour'19**
