

## International Internship 2019

International Internship not only adds a feather to one's cap but also escalates the attribute of the individuals. Career Guidance Centre of KIET Group of Institutions assists its students in getting International internships and information related to study abroad.

Alike last year, this time also 5 students of KIET Group of Institutions went to different destinations of the world to gain practical knowledge and experience in their field through international internships.

### Malasiya Internship

Our **MBA second-year students Maryada, Divya Tyagi, and Kumari Surbhi** went to Malasiya.

### Egypt Internship

Ashish Mishra and Prateek Kaushik, of B.Tech fourth and third years respectively, went to Egypt during the month of July and August'19 and participated ***in extensive knowledge and culture exchange programs.***
