

“Scholarship Opportunities to study abroad and how to build your profile to grab them” on 25th February 2019. Mr. Sanjeeva Raju,

The Department of PR & International Relations has successfully organized the session on “Scholarship Opportunities to study abroad and how to build your profile to grab them” in association with IDP Education Pvt Ltd on 25th February. Mr. Sanjeeva Raju, Manager for the US and New Zealand, who was the guest speaker, highlighted the importance of scholarships and shared the benefits of studying in foreign countries. He also enlightened the students about the different scholarships like Chevening Scholarship, Charles Wallace India Trust Scholarship, etc. offered by various countries like Australia, UK, USA and Canada, and the correct approach to build their profile so that students can easily grab these opportunities for higher studies. He also emphasized the need for essential career skills development which includes foreign university alumni connections, publication of our research work, resume building and much more. The event earned praises, applause and proved to be a highly enriching session on for the students.
