'Every beginning has an ending, but it doesn't mean it ends forever.'

The last day of the distinctive event "International Education Awareness Week 2022- Chapter-3" was concluded with a 'Valedictory Session' followed by a grand and extremely informative International Education Fair.

The event was a sumptuous experience that informed students about career opportunities, education and Internships across the globe along with the importance of various foreign languages.

At the end of the event, an amazing skit was performed by the students of the Japanese language, through which they delivered all the mandatory information required for studying a foreign language.

Apart from this, a mesmerizing dance performance was given by the students of the German language.

Ms. Madhu Gautam, Assistant Head IR, delivered a vote of thanks.
