

KIET Group of Institutions recently became a part of the Global Business Summit – 2023 held at Hyatt Regency, New Delhi, on the theme ‘India’s Global Role, Global Goal: Innovations, Trends & Predictions’.

Dr. Preeti Chitkara, Head PR & International Relations, was invited as the institute’s representative and as a moderator for the session ‘How 5G Technology Will be Key Driver in India’s Global Growth’. The session turned out to be very insightful as industrialists from different sectors shared their thoughts and suggested effective solutions to promote the country's growth.
