About KIET Group of Institutions, Ghaziabad

KIET Group of Institutions was established in 1998 by Krishna Charitable Society. Presently KIET Group of Institutions has more than 5600 students on its roll. KIET is the only private institute in the state of Uttar Pradesh, to have been included in the Overall Rank Band of NIRF-India Ranking 2017. KIET has pioneered technical, pharmaceutical & management courses. It is an approved Research Centre of Dr APJ Abdul Kalam Technical University, Lucknow and offers PhD programmes in selected streams. The industry-academia connect enriches the hands-on experience of the students while studying.

'**KIET School of Management**' was established in the year 2004 which offers Master in Business Administration (MBA) program. KSOM is dedicated to develop the leadership qualities and made competent managers to handle resources optimally and to take effective decision to achieve organizational goal. KSOM is known for organizing MDPs, FDPs, Conferences and Seminars on various emerging topics.

Humanities and Social Science Department. The significance of soft skills in the contemporary world has led to the establishment of the Humanities and Social Science Department in the year 2018. The fusion of the Soft skills connoisseurs and English language professionals has successfully contributed to the formation of the department.

About Management Development Programme

The MDP is designed for professionals with reasonable work experience to become more effective performer and problem-solver. This MDP will encourage the participants to learn and understand various aspects to boost the performance and productivity of their personalities through various management games, activities and exercises and thus, help the individuals to discover their potential via a journey of self-realization. With this rationale in mind the School of Management in association with department of Humanities and Social Sciences propose a one day Management Development Program (MDP) on Boosting Performance and Productivity.

Program Specific Objectives

The program will ensure the participants achieve:

- Examining their performance and productivity
- Identifying the challenges and handling those effectively
- Building Performance and develop skills
- Learning goal oriented approach and developing core competencies

Teaching Pedagogy

The program shall build on experiential learning, facilitated through Participatory Exercises, Role Plays, Management Games, and Experience Sharing with a clear focus on Indian Scriptures which will help the participants to discover their potential via a journey of self-realization. Participants will also be asked to submit an action plan towards the end of the program.

Trainers

Exclusive Trainers and experienced faculty from KSOM and HSS.

Who Should Attend

The industry delegates, research scholars, students, faculty members, or other fellows involved in industry endeavors / colloboration may join this program. The program is open to participants from public, private, government, non-government organizations.
