	Average	3.71	4.25	4.00	4.29	4.50	4.13	3.71	4.38	4.54	3.46

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "Syllabus is not much alliened so as to meet the demand of higher studies"

Action Taken In accordance with the analysis done , GATE classes were started so as to make students capable of clearing exams and persue higher studies.

	Average	3.88	4.25	4.06	4.06	3.94	3.94	3.31	4.13	4.5	4.13

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented"

Action Taken In accordance with the analysis done , Industry Academia Gap was identified and Suitable Value added courses were introduced in cirriculum as additional skill set.

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum. This information provided by you will be used as important feedback for quality improvement of the curriculum

(1- Strongly Disagree, 2 – Disagree, 3 – Neither agree nor Disagree, 4 – Agree, 5 – Strongly Agree)

S No.	Curriculum Evaluation	1	2	3	4	5
1	Syllabus is suitable to the course				✓	
2	Aims and objectives of the syllabi are well defined and clear to teachers and students				✓	
3	Course content is followed by corresponding reference materials.				.	✓
4	The syllabus has good balance between theory and application.				✓	
5	The syllabus has made me interested in the subject area.				✓	✓
6	The syllabus covers Modern/Advanced topics.				✓	✓
7	Syllabus is Industry Oriented.					✓
8	Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)			✓		
9	Applicability (Applicable in real life)					✓
10	Helps going for Higher Studies				✓	

Any Other Suggestions (If Any):

Analysis

1 Students whose average attendance was above 60% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students, need of IOT Classes was identified.

Action Taken In accordance with the analysis done , it was suggested to the Board of studies that a need of IOT classes as value added course

Analysis	
1	Students whose average attendance was above 60% were considered for Feedback.
2	Average was taken for all the 10 criterias.
3	After averaging it was found that according to the feedback given by students, need of C/C++ Classes was identified.
Action Taken	In accordance with the analysis done , it was suggested to the Board of studies that a need of C/C++ classes as value added course

Analysis

1 Students whose average attendance was above 60% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "Learning value in terms of skills, concepts knowledge needs to be enhanced"

Action Taken In accordance with the analysis done , Learning values in terms of skill improvement needs were identified and introduction of additional skill set was done.

Analysis

1 Students whose average attendance was above 60% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented"

Action Taken In accordance with the analysis done , Industry Academia Gap was identified and Suitable Value added courses were introduced in cirriculum as additional skill set.

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1. Students whose average attendance was above 85% were considered for Feedback.
2. Average was taken for all the 10 criterias.
3. After averaging it was found that according to the feedback given by students "Syllabus is not much alliened so as to meet the demand of higher studies"

Action Taken In accordance with the analysis done , GATE classes were started so as to make students capable of clearing exams and persue higher studies.

Student Curriculum Feedback (2016-17)

Grading range		
S.No.	**Grade**	**Marks**
1	Poor	1
2	Satisfactory	2
3	Good	3
4	Very Good	4
5	Excellent	5

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1	Students whose average attendance was above 85% were considered for Feedback.
2	Average was taken for all the 10 criterias.
3	After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented"

Action Taken	In accordance with the analysis done , Industry Academia Gap was identified and Suitable Value added courses were introduced in cirriculum as additional skill set.

Student Curriculum Feedback (2015-16)

Grading range		
S.No.	**Grade**	**Marks**
1	Poor	1
2	Satisfactory	2
3	Good	3
4	Very Good	4
5	Excellent	5

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

	AVERAGE	3.91	4.19	4.04	4.06	4.01	4.02	3.74	4.01	4.50

Analysis	
1	Students whose average attendance was above 85% were considered for Feedback.
2	Average was taken for all the 10 criterias.
3	After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented"
Action Taken	In accordance with the analysis done , Industry Academia Gap was identified and Suitable Value added courses were introduced in cirriculum as additional skill set.

Semester: IV

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum. This information provided by you will be used as important feedback for quality improvement of the curriculum.

Directions: For each question please indicate your degree of satisfaction with the following statement by choosing a ✓ score between 1 and 5.

(1- Strongly Disagree, 2 – Disagree, 3 – Neither agree nor Disagree, 4 – Agree, 5 – Strongly Agree)

S. No.	Curriculum Evaluation	1	2	3	4	5
1	Syllabus is suitable to the course				✓	
2	Aims and objectives of the syllabi are well defined and clear to teachers and students				✓	
3	Course content is followed by corresponding reference materials.					
4	The syllabus has good balance between theory and application.				✓	
5	The syllabus has made me interested in the subject area.				✓	
6	The syllabus covers Modern/Advanced topics.				✓	
7	Syllabus is Industry Oriented.				✓	
8	Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)				✓	
9	Applicability (Applicable in real life)				✓	
10	Helps going for Higher Studies				✓	

Your Opinion/Suggestion for improvement in contents of syllabus.

Student Curriculum Feedback (2019-20)

Grading range		
S.No.	**Grade**	**Marks**
1	Poor	1
2	Satisfactory	2
3	Good	3
4	Very Good	4
5	Excellent	5

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

	Average	**3**	**3**	**3**	**3**	**3**	**3**	**3**	**3**	**3**	**3**

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "more emphasis on core subjects these are root of engineering"

Action Taken As per analysis, GATE classes were started to make students capable of clearing PSU exams and persue higher studies.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students, need of Machine Learning Techniques was identified.

Action Taken As per analysis , it was suggested to the Board of studies that a need of Machine learning techniques as a subject is required to be included in curriculum.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After feedback analysis given by students "Practical skills and industry oriented courses to be enhanced"

Action Taken As per analysis , industry oriented courses were identfied and included in curriculum & increased practical hours for improvement of skill.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After feedback analysis given by students "Syllabus is not desined according to industry requirement"

Action Taken As per analysis , Industry Academia Gap was identified and so to fill gap between industry and academia value added courses were added with curriculum.

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1. A feedback survey form was collected by students current curriculum of each semester.
2. Average was taken for all the ten criteria.

Action taken

1. Proposal for research projects under various funding agencies are to be applied.
2. NPTEL MOOCS courses are identified and students are to be motivated to register and qualify the courses.
3. Students are to be motivated to participate in inter institute competition (Skill-Will Lead).
4. GATE classes are to be started for interested students in the department.

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1. A feedback survey form was collected by students current curriculum of each semester.
2. Average was taken for all the ten criteria.

Action taken

1. Virtual labs are to be added as beyond curriculum to improve the understanding the practical concepts.
2. It was decided to promote the research culture in department as per institute research policy. Faculty members are to be motivated to develop new research set ups.
3. Seminar/Conference/Guest lectures from eminent personalities from industry and academia has to be arranged for providing exposure of latest trends in mechanical field.
4. One month summer training program on “Hands on Practice in Mechanical Labs and Workshop” is to be planned for improving the skills of the students.
5. Research faculty is to be identified as per research policy of KIET to improve the research culture in department so that publications of faculty and students could increase.

Analysis

1. A feedback survey form was collected by students current curriculum of each semester.
2. Average was taken for all the ten criteria.

Action taken

1. A decision was taken to explore the possibility of collaboration with foreign university for the purpose of collaborative conference, faculty exchange program, internship and research project.
2. Some machines in workshop (milling and MIG welding) are old and should be replaced with new models and technology available in market.
3. Industry readiness skill courses are to be planned for enhancing the employability of the students.
4. Industrial visits are to be planned to every student to provide industrial exposure.
5. Need on training on mechanical design software is identified in order to provide the skill set required for placement in industries.

Student Curriculum Feedback (2016-17)

Grading range		
S.No.	**Grade**	**Marks**
1	Weak	1
2	Moderate	2
3	Strong	3

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

S.No.	Uni. Roll No.	Name	Syllabus is suitable to the course	Aims and objectives of the syllabus are well defined and clear to the teachers and students	Course content is followed by corresponding reference materials	The syllabus has good balance between theory and application	The syllabus has made me interested in the subjected area	The syllabus covers Modern/Advanced topics	Syllabus is industry oriented	Learning values (in terms of Sk8ills, Concepts, Knowledge, Analytical Abilities or Broadening Perspectives)	Applicability (applicable in real life)	Helps going for higher studies

Analysis

1. A feedback survey form was collected by students current curriculum of each semester.
2. Average was taken for all the ten criteria.

Action taken

1. Seminars/Conferences/Guest lectures from eminent personalities from industry and academia has to be arranged for providing exposure of latest trends in mechanical field.
2. NOX Sensor is to be initiated to purchase in ICE & Automobile Lab.
3. Francis Turbine is to be initiated to purchase in Fluid Machinery Lab.
4. A diploma in Automotive Mechatronics (ADAM) in collaborations with Mercedes-Benz India Pvt. Ltd. is to be initiated.
5. Emphasis on application of patent by student in guidance with faculty members is to be planned.
6. Collaboration with Gauri Components, Perfect Generators, North street cooling tower is to be initiated.

Student Curriculum Feedback (2015-16)

Grading range		
S.No.	**Grade**	**Marks**
1	Weak	1
2	Moderate	2
3	Strong	3

Dear Student!!

KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

You may also visit the KIET's website at www.kiet.edu.in for more details.

S.No.	Uni. Roll No.	Name	Syllabus is suitable to the course	Aims and objectives of the syllabus are well defined and clear to the teachers and students	Course content is followed by corresponding reference materials	The syllabus has good balance between theory and application	The syllabus has made me interested in the subjected area	The syllabus covers Modern/Advanced topics	Syllabus is industry oriented	Learning values (in terms of Sk8ills, Concepts, Knowledge, Analytical Abilities or Broadening Perspectives)	Applicability (applicable in real life)	Helps going for higher studies

Analysis

1. A feedback survey form was collected by students current curriculum of each semester.
2. Average was taken for all the ten criteria.

Action taken

1. Proposal for research projects under various funding agencies are to be applied.
2. NPTEL MOOCS courses are identified and students are to be motivated to register and qualify the courses.
3. Students are to be motivated to participate in inter institute competition (Skill-Will Lead).
4. GATE classes are to be started for interested students in the department.

Department of Civil Engineering

Curriculum Feedback Survey

Program Name (B.Tech/MCA/MBA/B.Pharm)

Department : Civil **Date:** 8/04/16

Name of the student: Atri Tyagi **Semester:** (VIII/VI/IV)

This questionnaire is intended to collect information based on your satisfaction towards the curriculum. The information provided by you will be used as important feedback for quality improvement of the curriculum.

Directions:

Please indicate your level of satisfaction with the following statement by ticking a (✓) score between 1 to 5.

(1- Strongly Disagree, 2- Disagree, 3- Neither agree nor Disagree, 4- Agree, 5- Strongly Agree)

Curriculum Evaluation						
S. No.	**Kindly Tick Relevant Grading from 1 to 5**	**(1)**	**(2)**	**(3)**	**(4)**	**(5)**
1.	**Providing foundation knowledge to apply for solution of problems of core programme?**				✓	
2.	**Analyzing the complex problems?**					✓
3.	**Designing solutions for complex problems?**				✓	
4.	**Conducting investigations of complex problems?**				✓	
5.	**Exposure to modern tools/system?**				✓	
6.	**Assessing societal, health, safety, legal and cultural issues?**					✓
7.	**Understanding the impact of the professional solutions in societal and environmental contexts.**					✓

8.	**Applying ethical principles and commit to professional ethics and responsibilities?**					✓
9.	**Functioning effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings?**			✓		
10.	**Communicating effectively on complex engineering activities with the community and with society?**			✓		
11.	**Demonstrating the knowledge and understanding of the management principles and apply these to one's own work?**			✓		
12.	**Recognizing the need for, independent and life-long learning?**					✓

Your opinion/suggestion for improvement in contents of syllabus.

Dear Student!!
KIET wishes you a very grand good luck for your future endeavors.

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.
You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "Syllabus is not helping much in going to higher studies"

Action Taken In accordance with the analysis done , addon programs and clubs were started so as to meet the demand

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.

2 Average was taken for all the 10 criterias.

3 After averaging it was found that according to the feedback given by students "more emphasis on core subjects these are root of engineering"

Action Taken As per analysis, GATE classes were started to make students capable of clearing PSU exams and persue higher studies.

Average Outcomes		**2**	**2**	**2**	**2**	**2**	**2**	**2**	**2**	**2**	**3**

Analysis	**1. Students whose average attendance was above 85% were considered for Feedback.**
	2. Average was taken for all the 10 criterias.
	3. After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented" and the syllabus of few subjects are not tuned with the demand of industries. It must be synchronized with latest techniques that can fulfill the job oppurtunities of students.
Action Taken	**In accordance with the analysis done department has identified the gap and started Value added courses, soft skill training, Guest lectures, winter school, summer schools, workshops, and Research based projects along with prior initiatives to fulfill the current demand of outer world and the curriculum.**

Average Outcomes		**2**	**3**	**3**	**3**	**3**	**2**	**2**	**2**	**3**	**3**

Analysis	**1. Students whose average attendance was above 85% were considered for Feedback.**
	2. Average was taken for all the 10 criterias.
	3. After averaging it was found that according to the feedback given by students "Syllabus is not much industry oriented" and the syllabus of few subjects are not tuned with the demand of industries. It must be synchronized and updated with latest techniques that can fulfill the job oppurtunities of students and improve their skills.
Action Taken	**In accordance with the analysis done department has conducted many Seminars, conferences, winter school, summer schools, workshops and Research based projects along with prior initiatives to fulfill the current demand of outer world and the curriculum.**

Analysis

1 A survey of 75 students was conducted for Batch 2017-20.

2 Average was taken for all the 10 criterias.

3 After averaging, it was found that curriculum feedback was satisfactory.

Action Taken • As per the analysis it is found satisfactory, hence no action is required.

Analysis

1 A survey of 99 students was conducted for Batch 2016-19.

2 Average was taken for all the 10 criterias.

3 After averaging, it was found that curriculum feedback was satisfactory.

Action Taken • As per the analysis it is found satisfactory, hence no action is required.

CURRICULUM FEEDBACK

Date: 30-05-2018

Name: SHAMBHAVI TRIPATHI

Roll No. 1502914067

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum. This information provided by you will be used as important feedback for quality improvement of the curriculum.

Directions:

For each question please indicate your degree of satisfaction with the following statement by choosing a ✓ score between 1 and 5.

(1- Strongly Disagree, 2 – Disagree, 3 – Neither agree nor Disagree, 4 – Agree, 5 – Strongly Agree)

Sl.No.	Curriculum Evaluation	1	2	3	4	5
1	Syllabus is suitable to the course		✓			
2	Aims and objectives of the syllabi are well defined and clear to teachers and students					
3	Course content is followed by corresponding reference materials.			✓		
4	The syllabus has good balance between theory and application.	✓				
5	The syllabus has made me interested in the subject area.			✓		
6	The syllabus covers Modern/Advanced topics.	✓				
7	Syllabus is Industry Oriented.	✓				
8	Learning value(In terms of Skills, Concepts, Knowledge, Analytical Abilities, or Broadening Perspectives)				✓	
9	Applicability (Applicable in real life)					
10	Helps going for Higher Studies			✓		

Your Opinion/Suggestion for improvement in contents of syllabus.

Syllabus should be Industry oriented.

SQ-PO mapping of Student Exit Survey
2019-20

Indicate using levels 1-5 that how well you agree with various survey questions in the table below by putting a tick (√) in the box :
(3- Strongly Agree 2- Agree 1- Partially Agree 0- Disagree)

Student Exit Survey

	SQ Statements
SQ1	Applying the knowledge of Management fundamentals and specialization to solution of complex management problems.
SQ2	Identifying, formulating, researching the literature, and analyzing complex Management problems reaching substantiated conclusions using principles of Management
SQ3	specified needs with appropriate considerations of public health and safety, and cultural, societal, and environmental considerations.
SQ4	Recognize the need of industry and ability to implement the entrepreneurial skills and life-long learning in the broadest context.
SQ5	Use research based methods including methods of analysis and interpretation of data and synthesis of information leading to logical decisions contributing effectively towards achievement of organizational goals.
SQ6	Demonstrate value based knowledge and understanding of Management principles and apply those to one's own work as a member and leader of a team to manage projects in multidisciplinary environments.

Department of Electronics and Communication Engineering is in process to reframe its Vision and Mission. Suggestions are welcome from faculty and staff members to formulate the Vision and Mission. In this Regards, all the faculty and staff members attend the meeting at department and institute level and share their suggestions to improve the performance of the students. We can not change the syllabus for the students as per our requirement as we are an affiliated institute to Dr. A. P. J. Abdul Kalam Technical University, Lucknow. So, we run additional skill classes for the students separately.

Analysis	Action Taken
2019-20	
We reached on conclusion that some advanced labs should be created for the students	We started NI-LabView Academy Lab and students started learning this and

Department of Electronics and Communication Engineering is in process to reframe its Vision and Mission. Suggestions are welcome from faculty and staff members to formulate the Vision and Mission. In this Regards, all the faculty and staff members attend the meeting at department and institute level and share their suggestions to improve the performance of the students. We can not change the syllabus for the students as per our requirement as we are an affiliated institute to Dr. A. P. J. Abdul Kalam Technical University, Lucknow. So, we run additional skill classes for the students separately.

Analysis	Action Taken
2018-19	
We felt that some improvement is required in programming skills of the students.	We ran classes of JAVA and Python

Department of Electronics and Communication Engineering is in process to reframe its Vision and Mission. Suggestions are welcome from faculty and staff members to formulate the Vision and Mission. In this Regards, all the faculty and staff members attend the meeting at department and institute level and share their suggestions to improve the performance of the students. We can not change the syllabus for the students as per our requirement as we are an affiliated institute to Dr. A. P. J. Abdul Kalam Technical University, Lucknow. So, we run additional skill classes for the students separately.

Analysis	Action Taken
2016-17	
We felt that some advanced processors must be included in the syllabus of Microprocessor	We sent suggestions regarding this to university

KIET GROUP OF INSTITUTIONS, DELHI-NCR, GHAZIABAD

Department of Information Technology

Faculty Feedback Process and Action taken

Faculty Feedback Process

The process of the faculty feedback is follows:

a) Faculty Feedback survey is conducted at Department Level

b) The institute has a common survey template for the entire campus.

c) The Department NBA/NAAC coordinator is custodian of this feedback survey at department level.

d) Department summarizes the feedback and forwards it to Dean academic office.

Faculty Feedback academic session wise as follows:

Faculty Feedback Action taken (academic year 2019-20)

Faculty members been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Faculty members suggested to add technology oriented MOOC for the honors degree program.
2) Faculty members also suggested to add more industry oriented subjects as elective.
3) It was also suggested to stream line the core subjects and elective subjects to prepare the students industry ready in particular specialization

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) Additionally Department also requested Prof. (Dr.) Adesh Kr. Pandey to present the department's view point in the University BOS as member.

Faculty Feedback Action taken (academic year 2018-19)

Faculty members been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Faculty members indicated that there is need to add courses like Data analytics and Big Data in the syllabus.
2) Faculty members also suggested add industrial training in 4th semester also.

3) It was also suggested to reduce non credit subjects to make the students more serious about the study.

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) Additionally Department also requested Prof. (Dr.) Adesh Kr. Pandey to present the department's view point in the University BOS as member.

Faculty Feedback Action taken (academic year 2017-18)

Faculty Feedback survey is conducted by the department at Department Level. Faculty members have been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Faculty members indicated that there is need to add courses like machine learning and data science in the syllabus.
2) Faculty members also suggested including mini project in 5th or 6th semester.

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) Department has prompted the mini project as value added courses.

Faculty Feedback Action taken (academic year 2016-17)

Faculty Feedback survey is conducted by the department at Department Level. Faculty members have been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Faculty members indicated that there is need to add more practical oriented subject in curriculum
2) Faculty members also suggested adopting the CHOICE BASED CREDIT SYSTEM (CBCS).
3) Faculty member requested more freedom industry oriented subjects.

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) The practical oriented course will be initiated as value added courses.

Faculty Feedback Action taken (academic year 2015-16)

Faculty Feedback survey is conducted by the department at Department Level. Faculty members have been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Faculty members indicated that there is need to add more industry oriented subject in the syllabus like Mobile Application Development and Web Technology.
2) Faculty members also indicated that curriculum should be industry oriented.

3) Faculty member requested more freedom to add/delete the topics in the syllabus.

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) Faculty members were requested to cover the important topics as beyond syllabus.

Faculty Feedback (Academic Year: 2019-20)

KIET Group of Institutions

Feedback from Faculty on Curriculum

Dear Faculty!!

This feedback form is intended to collect information relating to your satisfaction towards the curriculum, syllabus, teaching, learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the programme of the institution.
You may also visit the KIET's website at www.kiet.edu.in for more details.

FACULTY'S DETAILS	
Name	MINAKSHI
Email ID	minakshi.chauhan@kiet.edu
Mobile No.	8449820396
Academic Year/ Semester	2019-20/ Fourth
Department	CSIT
Subject	Microprocessor and lab

FACULTY'S FEEDBACK FORM					
Tick Any Grading from 1to 5	Poor (1)	Satisfactory (2)	Good (3)	V Good (4)	Excellent (5)
1. Current syllabus is updated as per current market demands			✓		
2. Need of review of the syllabus		✓			
3. Curriculum enhanced employability			✓		
4. The course content fulfils the need of students				✓	
5. Syllabus has made me interested in the subject area					✓

6. The books prescribed/listed as reference materials are relevant, updated and appropriate.				✓	
7. Freedom to propose, modify, suggest and incorporate new topics in the syllabus.					✓
8. Institute provides adequate funding and support to faculty members for upgrading their skills and qualifications.				✓	
9. Provisions for professional development are non-discriminatory and fair.					✓
10. The environment in the department is conducive to teaching and research.					✓

On a scale of 1 to 10 how do you rate your overall satisfaction with KIET's students, syllabus, and the curriculum?

1	2	3	4	5	6	7	8 ✓	9	10

Suggestions if Any:

The students should participate in making Embedded Systems to get the practical knowledge of this subject. More content regarding controller must be there.

				Analysis	On the basis of the review submitted it can be concluded that more hand on experiments in the syllabus content are required for the students that would be beneficial for their placements.
					Action Taken Report
				1	**Guest lectures from eliminant personalities from industry and academia has to be arranged for providing exposure of latest trends in mechanical field.**
				2	**Industrial visits are to be planned to every student to provide industrial exposure.**
				3	**One month summer training program on "Hands on Practice in Mechanical Labs and Workshop" is to be planned for improving the skills of the students.**
				4	**Industry readiness skill courses are to be planned for enhancing the employability of the students.**
				5	**Research faculty were identified as per research policy of KIET to improve the research culture in department so that publications of faculty and students could increase.**

				3	A proposal was initiated for financial grant from various agencies to conduct international conference for improving the professional development of faculty members.
				4	Faculty members is to be motivated and encouraged to apply for research grants from various funding agencies.
				5	One month summer training program on "Hands on Practice in Mechanical Labs and Workshop" is to be planned for improving the skills of the students.
				6	Proposal for FDP on Manufacturing Science and Technology is to be applied under AKTU grant.

Dr. K.L.A. Khan

HOD (ME)

KIET Group of Institutions (Mechanical Engineering Department)

Feedback from Faculty on Curriculum (2015-16)

					1. Current syllabus is updated as per current market demands	2. Need of review of the syllabus	3. Curriculum enhanced employability	4. The course content fulfils the need of students	5. Syllabus has made me interested in the subject area	6. The books prescribed/listed as reference materials are relevant, updated and appropriate.	7. Freedom to propose, modify, suggest and incorporate new topics in the syllabus.	8. Institute provides adequate funding and support to faculty members for upgrading their skills and qualifications.	9. Provisions for professional development are non-discriminatory and fair.	10. The environment in the department is conducive to teaching and research.

				Analysis	Based on the review submitted it is found that syllabus of some subjects are not as per requirement of the industries so it need to reviewed by the faculties who are in regular touch with the technological advancement of the market.
					On the basis of the feedback submitted by the faculty members it is found that there is a need of review of course syllabus and it should be synchronised as per industrial need.
					Action taken reporet
				1	Department has started summer and winter school on hands on training in material testing lab .
				2	Some advance equipments are to be purchased in MST and CAD/CAM Lab.
				3	**FDP on Internal Combustion Engines & Compressors proposal is to be applied under AKTU grant for professional development**

				4	Hobby clubs and student's clubs are to be contined for improving the employability of students										
				5	Summer trainning and seminar/conferences/workshops are to be conducted for professional development.

	Average	4.38	4.37	4.46	4.37	4.46	4.35	4.12	4.21	4.42	4.52	9.06	

Analysis	Based in the analysis, it is found that the syllabus of few subjects are not tuned with the demand of industries. It must be synchronized with latest techniques that can fulfill the job oppurtunities of students.
Action Taken	Department has started Internships, Research based projects alongwith prior initiatives to fulfill the current demand of outer world and the curriculum.

FACULTY'S DETAILS	
Name	Dr. Atul Kant Piyoosh
Email ID	atul.piyoosh@kiet.edu
Mobile No.	9918900101
Academic Year/ Semester	19-20 / Even
Department	Civil Engg.
Subject	Energy Science & Engineering

FACULTY'S FEEDBACK FORM					
Tick Any Grading from 1to 5	Poor (1)	Satisfactory (2)	Good (3)	V Good (4)	Excellent (5)
1. Current syllabus is updated as per current market demands					✓
2. Need of review of the syllabus		✓			
3. Curriculum enhanced employability				✓	
4. The course content fulfils the need of students				✓	
5. Syllabus has made me interested in the subject area					✓

6. The books prescribed/listed as reference materials are relevant, updated and appropriate.					✓
7. Freedom to propose, modify, suggest and incorporate new topics in the syllabus.		✓			
8. Institute provides adequate funding and support to faculty members for upgrading their skills and qualifications.				✓	
9. Provisions for professional development are non-discriminatory and fair.				✓	
10. The environment in the department is conducive to teaching and research.					✓

On a scale of 1 to 10 how do you rate your overall satisfaction with KIET's students, syllabus, and the curriculum?									
1	2	3	4	5	6	7	8	9 ✓	10

Suggestions if Any:

Subject	Data Structure

FACULTY'S FEEDBACK FORM					
Tick Any Grading from 1to 5	Poor (1)	Satisfactory (2)	Good (3)	V Good (4)	Excellent (5)
1. Current syllabus is updated as per current market demands			✓		
2. Need of review of the syllabus			✓		
3. Curriculum enhanced employability			✓		
4. The course content fulfils the need of students			✓		
5. Syllabus has made me interested in the subject area				✓	

6. The books prescribed/listed as reference materials are relevant, updated and appropriate.			✓		
7. Freedom to propose, modify, suggest and incorporate new topics in the syllabus.		✓			
8. Institute provides adequate funding and support to faculty members for upgrading their skills and qualifications.					✓
9. Provisions for professional development are non-discriminatory and fair.					✓
10. The environment in the department is conducive to teaching and research.					✓

On a scale of 1 to 10 how do you rate your overall satisfaction with KIET's students, syllabus, and the curriculum?									
1	2	3	4	5	6	7	(8)	9	10

Suggestions if Any:

Dr. Adesh Kumar Pandey
HoD (IT)

KIET GROUP OF INSTITUTIONS, DELHI-NCR, GHAZIABAD

Department of Computer Science & Information Technology

Faculty Feedback Process and Action taken

Faculty Feedback Process

The process of the faculty feedback is follows:

a) Faculty Feedback survey is conducted at Department Level

b) The institute has a common survey template for the entire campus.

c) The Department NBA/NAAC coordinator is custodian of this feedback survey at department level.

d) Department summarizes the feedback and forwards it to Dean academic office.

Faculty Feedback Action taken (academic year 2019-20)

Faculty members been asked to give their opinion about the subject they taught. The department analyzes the feedback given by the faculty members and following important points were inferred:

1) Self learning is also required for the growth of student that's why faculty suggested that add technology oriented MOOC for the honors degree program.
2) It was also suggested to stream line the core subjects and elective subjects to prepare the students industry ready in particular specialization

Following action have been initiated on the basis of feedback:

a) We are not able to makes changes directly being the affiliated institutes. So the feedback has been forwarded to dean academics to take-up the matter with University BOS.
b) Additionally Department also requested Prof. (Dr.) Adesh Kr. Pandey to present the department's view point in the University BOS as member.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.
2 Average was taken for all the 10 criterias.
3 After averaging it was found that according to the feedback given by students, need of Machine Learning Techniques was identified.

Action In accordance with the analysis done , it was suggested to the Board of studies that a need of Machine learning techniques as a subject is required to be included in curriculum.

Analysis	1. A feedback survey is taken by the alumni's during their visit to institute and at their premises or via mail. 2. Average was taken for 5 criteria in section A and 11 criteria in section B

S.NO	Area of Improvement	Input	Action Taken
1	**Curriculum effective in developing innovative thinking**	Curriculum should be as per the requirement of industry. Some new technology should be introduced to fill	Embedded Club Lab have been set up which deals with the projects robotics and others related projects. It introduced the concept of multi-branch projects in the institute.

Analysis

1 Students whose average attendance was above 85% were considered for Feedback.
2 Average was taken for all the 10 criterias.
3 After averaging it was found that according to the feedback given by students, need of Machine Learning Techniques was identified.

Action Taken In accordance with the analysis done , it was suggested to the Board of studies that a need of Machine learning techniques as a subject is required to be included in curriculum.

Analysis	1. A feedback survey is taken by the alumni's during their visit to institute and at their premises or via mail. 2. Average was taken for 5 criteria in section A and 11 criteria in section B

S.NO	Area of Improvement	Input	Action Taken
1	**Effectiveness of curriculum for development of entrepreneurship**	Syllabus is not as much aligned to make a student to thinking about entrepreneurship. Institute may help student to think in this direction.	Pick the students from e-cell and a startup named Startup Grind was established.

Various company visit our campus to recruit students in their organization every year. We take regular feedback from them to improve the employability enhancement of our students. They suggested us to organize industry visits for the students and train the students in the areas required by the industries. We have taken following steps to implement their suggestions:

Analysis	Action Taken
2015-16	
Industry Exposure should be given to the students. Training should be given to the students in the areas required by the industries of current times.	We arrange relevant industry trips for students two times in each semester.

Department of Information Technology

Employer Feedback Process and Action Taken

Employer Feedback Process

The process as following steps:

a) Feedback survey of Employer is conducted at institute level.
b) The institute has a common survey template for the entire campus.
c) The feedback is compiled at the department level.
d) The feedback is shared with respective HOD by the Head CRPC.
e) The departmental placement coordinators present the related summary points in the departmental meeting and action is decided accordingly.

Action Taken on the basis of employer feedback (Academic Year: 2019-20)

Following points were inferred on the basis of the feedback analysis and suggested by various employers:

1. Student should be made aware of latest technologies.
2. More emphasis should be given to communication skill.

Action Taken:

- ❖ It was decided that courses on Machine Learning will be offered to the students and faculty for the program has been identified.
- ❖ It was decided that courses on Salesforce will be offered to the students and faculty for the program has been identified.
- ❖ It was decided that courses on Communication skills will be offered to the students.
- ❖ Enhanced peer-to-peer learning should be implemented in upcoming semester.

This opinion is intended to collect information regarding your satisfaction towards the Vision, Mission and Programme Educational Objectives of the above said program. This information provided by you will be used as an important feedback for quality improvement of the course.

For each question please indicate your degree of satisfaction with the following statement by choosing a score between 1 and 5.

1-Strongly Disagree, 2-Disagree, 3-Neither agree nor Disagree, 4-Agree, 5-Strongly Agree

Sl. No.	Program Evaluation	1	2	3	4	5
1.	The department has the following vision and putting efforts accordingly, please indicate your satisfaction level from the department's Vision and you can also mention the points that you want to see in the vision of our department. **Department Vision:** To achieve excellence in imparting education in the field of IT by creating competent professional for Industry & Socio-economic development to meet National and International needs.					✓
2.	The department has the following mission and putting efforts accordingly, please indicate your satisfaction level from the department's Mission and you can also mention the points that you want to see in the mission of our department. **Department Mission:** To provide students with supportive environment that facilitates learning to solve the problems in the field of IT and to prepare them to be successful and ethical human beings as well as professional as they move to industry, academia and other professions					✓
3.	I would like to see the following capabilities in my appointed candidate after the completion of his / her degree. She/He must be able to understand mathematical, scientific, Concepts necessary to formulate, analyze and solve engineering problems faced by society. ..... She/He must be able to communicate effectively, work harmoniously in teams with professional ethics and has learned to adopt an integrated				✓	

	approach to problems in the field of electrical and electronics engineering by using latest and advanced technology tools. ..... She/He has broad understanding of the engineering and management principles and can apply the acquired knowledge in solving complex and multidisciplinary engineering problems. ..... She/He is equipped with the knowledge to design and develop engineering solutions to the problems faced by society for its sustainable development with the help of environment friendly technologies. ..... She/He has inculcated the ability to explore and learn by himself/herself, the changes taking place continuously in the field of engineering and technology as part of lifelong learning process.				✓	
4.	The student would meet current industrial and professional requirements.				✓	
5.	The Students has knowledge of Modern / Advanced topics and meet national and international criterion.				✓

Minutes of Virtual Meeting of faculty held on 4th April 2020 at 4:00 pm

Participants: IT Faculty Members **Chair:** Dr. Adesh Pandey, HOD-IT

S. NO	Agenda	Discussions/ Decisions taken	Responsibility
1.	**Brief and Appreciation form HOD**	➢ Every one shared his/her well being along with family. HOD requested to all to take care them several and their families. ➢ HOD appreciates the innovation done by all faculty members in one or other way and for their excellent contribution. ➢ ***HOD and all the faculty members applaud for the Prof. Awadhesh Kr. Srivastava for his excellent and innovative work on MOODLE. He is also working for integration of the online class module in MOODLE.***	
2.	**CT-2 Examination/ Evaluation**	➢ The Subject teacher should evaluate the answer sheet till the specified date and upload the marks on KIET portal along with their question paper. Department has already issued the template to generate the marks matrix.	All Faculty members
3.	**Virtual Flip Classes /Labs**	➢ T*opic wise sort video lectures* of particular subject will be provided to the students (one day prior to the class) for *unit-4 and unit-5* along with handouts/compiled notes *(2nd, 3rd and 4th year).* ➢ Faculties should complete the Unit-4 till **6th April 2020** and Unit **5th till 8th April 2020.** Subject Coordinator will send the filled template of e-learning to Add HOD-CSI by keeping HOD in cc. for respective units as per given deadlines.	All Faculty members
4.	**Doubt clearing Session**	➢ Doubt clearing sessions will be organized on zoom platform as per time table. ➢ Based upon the shared virtual content and notes, the student can discuss the doubts.	All Faculty members
5.	**Lab on Moodle**	➢ 2nd year web designing and 3rd year Compiler design, Web technology, Computer network lab would be conducted on Moodle.	Prof. Nidhi ,Prof. Amar, Prof. Om Prakash,Prof Surbhi , Prof. Sakshi Prof. Surendra and Dr. Mohit.j

6.	**Research Paper**	➢ Publishing One Research Paper in an Academic Session is Mandatory for all Faculty Members. ➢ It will be one of the major attribute of the faculty contribution. ➢ Faculty member will submit a draft to department till April 25th 2020 with plagiarism report. Dr. Vikas will coordinate the same and presentation will be scheduled accordingly after 25th April 2020.	All Faculty members
7.	**Research Projects**	➢ Department has allocated one research project to all Ph.D faculty members. Member should submit the draft of the same till 10th April 2020.	Dr. Ajay Agarwal, Dr. Vikas Goel, Dr. Mohit Agarwal.
8.	**Code -IT**	➢ Code-IT will continue after CT-2 also. Prof. Nidhi will coordinate the same.	1.Prof. Dinesh , Prof. Nidhi ,Prof. Amar , Prof. Surbhi , Prof Pramod
9.	**Code-Vita**	➢ Placement coordinator should motivate 3rd year students to register in Code-Vita till 10th April 2020.	Prof. Pramod
10.	**Employer Feedback**	➢ Following points were suggested by various employers: Student should be made aware of latest technologies. More emphasis should be given to communication skill. ➢ It was decided that courses on Machine Learning, Sales Force and Communication Skills will be floated for students in the coming semester. ➢ Enhanced peer-to-peer learning should be implemented in upcoming semester.	All Faculty members
11.	**NAAC Manual**	➢ The coordinator will provide the categorization of work description involved for department till **10th April 2020.**	Prof. Varsha Prof. Veepin
12.	**Mentoring**	➢ Ensure that Mentoring should be performed effectively as decided earlier. Department will monitor the same.	All Faculty members
13.	**Conclusion**	HOD/Add HODs praise all the faculty members for their wonderful contribution and requested everyone to be safe and healthy along with family and friends.	

HoD (IT)

Action Taken on the basis of employer feedback (Academic Year: 2018-19)

Following points were inferred on the basis of the feedback analysis and suggested by various employers:

1. There is a need for improvement of logic building skills and team work.
2. In addition to this, aptitude and reasoning also need to be enhanced among the students.

Action Taken:

- It has been decided that the aptitude classes will be conducted for all 3rd year students.
- The departmental club "Code-IT" will conduct various activities to improve logic building skills among the students so that the industry need can be fulfilled.

Minutes of Faculty Meeting held on 13TH MAY 2019 at 1:10 pm in the HoD's Chamber

Participants: IT Faculty Members **Chair:** Prof. Adesh Pandey, HOD-IT

S. No.	Agenda	Discussions/ Decisions taken
1	**Course File Date**	➢ It is decided that, all the faculty members must submit the course file.
2	**Lean**	➢ Lean period duration discussed to the faculty members.
3	**Sessional Marks**	➢ Faculties are asked to finalize Sessional & TA marks and to upload the same in ERP Portal.
4	**Projects**	➢ Project guide has been asked to check turnitin report of their respective students and submit the final report to project coordinator.
5	**Employer Feedback**	➢ Prof. Pramod Nath (Placement Coordinator) presented the feedback given by various employers. The key areas which need improvement in our students are Logic Building Skills, Team Work, Aptitude and Reasoning. ➢ After discussion with faculty members, HOD decided that the aptitude classes will be conducted in the coming semester for 3rd Year students. Code-IT club will conduct various activities to improve logic building skills.
6	**External Examinations Duty**	➢ Every faculty members are suggested to be vigilant during examination. All faculty members must carry ID cards during exam.

Distribution: IT Faculty Members **HoD (IT)**

Action Taken on the basis of employer feedback (Academic Year: 2017-18)

Following points were inferred on the basis of the feedback analysis and suggested by various employers:

1. Students should be more familiar with the courses like php, and web designing.
2. Industry Oriented Courses like Android and Data Science should also be made available.

HOD decided that the Industry Oriented Courses will be offered to all students of 2nd Year and 3rd Year in the coming semester.

Action Taken:

- It was decided that the industry oriented courses like php, web designing, Android and Data Science will be offered to all the students of 2nd year and 3rd year.

Minutes of Faculty Meeting held on 07th MAY '18 at 01:30 pm in the HoD Office

Participants: All Faculty Members of IT Dept. **Chair:** Prof Adesh Pandey, HOD-IT

Faculty Training/ Skill development/ Research:

S. No.	Agenda	Discussions/ Decisions taken	Responsibility
1	**MOOCs Certification**	• It has been finalised that all the faculty members will do certification course from any MOOC platform. The course will be finalised after approval of HOD. • Prof. Sartaj Ahmad will coordinate the process	Faculty member & Prof. Sartaj Ahmad
2	**Publication of research paper (SCI/SCOPUS/ UGC Approved/International Conferences)**	• HoD(IT) encouraged faculty members to do more research work. Faculty members need to publish minimum one paper in a year. • Dr. Sumit Kumar will coordinate the process	Faculty member & Dr. Sumit Kumar
3	**Organizing FDP**	• AKTU funded FDP on "Advances in Wireless Sensor Network" scheduled in July. • At least one FDP in a session should be organized.	Prof. (Dr.) Ajay Agarwal & Dr. Sumit Kr.
4	**Research/Sponsored Project**	• Faculty members having Phd degree must write at least one research project per semester	Faculty member with Ph.D

5	**Organizing International Conference**	Department will organize one international Conference along with CSE in 2019 and another will be organised in 2021 (IT will be in lead role) with IEEE or Springer.	Dr. Sumit Kumar & Mr. Sanjeev Kr. Dwivedi
6	**IEEE Student Chapter**	Department will soon activate IEEE student chapter.	Mr. Mukul Aggarwal

Managed Content Based Pedagogy:

S. No.	Agenda	Discussions/ Decisions taken	Responsibility
1	**Content Management Server**	• IT department is soon going to install moodle where English training, aptitude training, technical training, & online submission of lab file will be done. • Replacement of lab manual and course file will be done digital.	Faculty member & Mr. Awadhesh Kumar Srivastava

Activities/ Entrepreneurship :

S. No.	Agenda	Discussions/ Decisions taken	Responsibility
1	**Industrial Visit**	HoD(IT) suggested all faculty members to give at least one reference from industry.	Faculty member & Mr. Surendra Keshari

2	**Internship(summer/regular)**	Students need to be encouraged to do internship from quality sources.	Faculty member
3	**Students Participation**	• Mentors will be responsible for student's internal and external involvement in co-curricular activities. • Mentors will keep details of each notice and will be responsible of taking feedback from each student under them. • Co-ordinator:- Prof. Minakshi	Faculty member & Ms. Minakshi
4	**Feedback Given by Employer**	Following points were suggested by various employers: • Industry Oriented Courses like Web Designing, php, Android and Data Science should be made available to students. HOD decided that the Industry Oriented Courses will be offered to all students of 2nd Year and 3rd Year in the coming semester.	All concerned Faculty member
5	**Hackathon Competition**	Department will organize one national level hackathon per year.	Not Decided Yes
6	**Entrepreneurship Awareness Workshop**	Entrepreneurship Awareness Program will be conducted once in a year for a batch.	Placements Coordinators
7	**Mentorship of Students by IT Alumni**	Each IT students will be engaged with IT alumni so that they can motivate them from their achievements.	Mr. Kamal Kant Sharma & Mr. Rajiv Chourasiya

Social Media Activities:

S. No.	Agenda	Discussions/ Decisions taken	Responsibility
1	**LinkedIn**	All faculty members were suggested to add KIET Group of Institutions in their profile.	Faculty member
2	**Face book**	All faculty members were suggested to share posts of KIET page on fb.	Faculty member
3	**Quora**	All faculty members were suggested to answer questions related to our institutions in a positive way.	Faculty member

Distribution: All Faculty Members of IT Dept.

HoD (IT)

Action Taken on the basis of employer feedback (Academic Year: 2016-17)

Following points were inferred on the basis of the feedback analysis and suggested by various employers:

1. Student should be made aware of Industry Oriented Courses like Android, iOS, and php.
2. It can be implemented as a part the additional skill classes.

Action Taken:

- It was decided that the courses like Android, iOS, and php is important for students for placement point. So these industry oriented courses will be implemented as additional skill classes.
- Internship Coordinator shall be given the responsibility to coordinate the process.

Minutes of Faculty Meeting held on 4 May '17 at 10:25 am in the HoD Office

Participants: IT Faculty Members **Chair:** Prof. Adesh Pandey, HOD-IT

S. No.	Agenda	Discussions/ Decisions taken
1	**CT-2 Marks Update**	HoD advised faculty members to update CT-2 marks of allowed students who fulfilled the attendance criteria (List is already shared with all)
2	**Practical Marks**	HoD advised faculty members to finalize internal theory and Practical marks of students. We will discuss the same next week.
3	**Co curricular activities attendance**	It is been instructed to coordinators that they should prepare the attendance record of those students who have attended different co -curricular and extra - curricular activities inside and outside college so that student get benefitted in internal marks .
4	**GATE and CAT record**	Mr. Saurabh Diwakar and Mr. Surendra Kumar Keshari are advised to maintain/update the record of CAT/GATE/other competitive examination of final year students.
5	**AKTU Examination Duties**	Faculty members are suggested to make themselves available for end sem examination duties.
6	**Summer Courses**	Faculty members have been asked to offer summer courses.
7	**Feedback by Employers**	Following points were suggested by various employers: • Industry Oriented Courses like Android, iOS, php should be implemented as a part the additional skill classes. As per the feedback given by our recruiters, it has been decided that various short term courses such as Android, iOS, php will be offered to students as summer internship / courses in the coming semester. • Internship Coordinator is given the responsibility to coordinate the process.

HoD (IT)

Distribution: IT Faculty Members

Action Taken on the basis of employer feedback (Academic Year: 2015-16)

Following points were inferred on the basis of the feedback analysis and suggested by various employers:

1. Student should be made aware of latest technologies.
2. More emphasis should be given to team work.
3. Languages like iOS and Web Designing should be made available for the students.

Action Taken:

- It was decided that in order to bridge the gap and to meet the employer expectation, various guest lectures will be conducted to make students aware of latest technologies.
- It was decided that online learning platform such Moodle will be used as a medium for solving aptitude questions and access be given to students for practice in Moodle.
- Peer-to-peer learning should be implemented for students.

Analysis

1 For conducting this survey two company was chosen.

2 The student who is working in this company, the survey was conducted against him.

3 As per the survey the results were satisfactory.

Action Taken As the results of the survey is satsfactory, so no action is initiated.

Dear Sir/Ma'am!!

KIET wishes you a very grand good luck for your future endeavors

Entire family of KIET's is so glad that you have spent life's valuable years pursuing courses of your choice at KIET Group of Institutions, Ghaziabad. We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us valuable suggestions for further improvement of the Institute. Your valuable inputs will be of great use to improve the quality of our academic programs and enhance the credibility of our Institute.

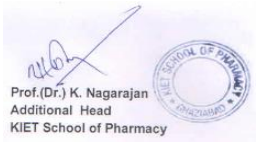

You may also visit the KIET's website at www.kiet.edu.in for more details.

Analysis

1. A feedback survey is taken by the alumni's during their visit to institute and at their premises or via mail.
2. Average was taken for 5 criteria in section A and 11 criteria in section B.

S.NO	Area of Improvement	Input	Action Taken
1	**Syllabus effective in producing practical/ innovative solutions to real world problems**	The students should be well wersed with trouble shooting behaviour to the bring psoitive change in the real time situations	Students were motivated to participate in model technical competitions like AKTU Parikrama, Smart India Hackathon. The institution also formuated guidelines for inter departmental participation of students for combined projects and research work.
2	**Level of adherence to personal and professional ethics whilst working on engineering problems.**	Students must be awared about the basic moral values and human values for an ethical and radical thinking approach	The value added course on Human Values and Professional ethics is taught to students to create ethical, morally sound and humble pharma professionals.

Annexure-4(B)

Employer Feedback Form (MBA)

- Form to be used in Finalisation of PEOs (Para 3, NBA manual)
- Feedback will be taken in routine (Around 50 per year)
- To be filled by Employers of our students.

Dear Esteemed Employer,

We extend our heartiest thanks on behalf of KIET Group of Institutions for giving our alumni an opportunity to work with your prestigious Company/Organization.

We shall very much appreciate and be grateful to you if you can spare some of your valuable time to fill up this feedback form. It will help us to improve the quality of education and training and also help us to identify the gaps that exists between the course curriculum and industry expectations.

Tick the number that best describes your level of satisfaction at each question: **1- Extremely unsatisfied, 2 - unsatisfied, 3 – meets expectation, 4 - satisfied, 5 – extremely satisfied.**

Q1. How satisfied are you with the student/s work performance in each of these areas:

S.No.	Particulars	1	2	3	4	5
1.	General communication skills				✓	
2	Problem solving at workplace				✓	
3.	Team Orientation					✓
4	Technical Knowledge				✓	
5	Proactiveness and self-motivated				✓	
6	Creativeness and out of the box thinking					✓
7	Planning and Organizing skills				✓	
8	Eagerness to learn and take responsibility					✓
9	Relationship with seniors/peers/subordinates				✓	
10	Leadership skills exhibited				✓	

Q2. On a scale of 1 to 10 how do you rate your overall satisfaction with the performance of KIET alumni, 1 being extremely unsatisfactory performance and 10 being a stellar performance. ..... 8 .....

Q3. If you were dissatisfied with any aspect, please comment.

..... NA .....

Q4. Suggestions for further improvement of the programme.

.....

.....

.....

We, at KIET School of Management, KIET Group of Institutions, thank you again for filling this form and giving your valuable insight. With this feedback, we shall endeavour for constant improvement of quality of education.

Analysis	1. A feedback survey is taken by the alumni's during their visit to institute and in Alumni meet. 2. Average was taken for all the ten criteria.

S.NO	Area of Improvement	Input	Action Taken
1	Curriculum relevant to your job	Curriculum should be as per the requirement of industry. Some subjects related to programming languages like Android , Python, Machine Learning must be introduced by University.	Same is communicated to BOS of institute to put the concern to University.
2	Course Meet Comtemporary Requirement	It is suggested by the students to bridge the gap between industry and Academics. Some new course Lab should be introduced.	Embedded Club Lab have been set up which deals with the projects robotics and others related projects. It introduced the concept of multi-branch projects in the institute.

Department of Information Technology

Alumni Feedback Process and Action Taken

Alumni Feedback Process

The process as following steps:

a) Feedback survey of alumni is conducted at institute level
b) The institute has a common survey template for the entire campus.
c) The feedback is compiled at the department level
d) The feedback is shared with respective HOD by the Head AEC
e) The departmental alumni coordinators present the related summary points in the departmental meeting and action is decided accordingly.

Action Taken on the basis of Alumni feedback (Academic Year: 2019-20)

Following points were inferred on the basis of the feedback analysis and suggested by various Alumni:

Alumni emphasis on peer to peer learning process among the students so that they can explore more and it should be implemented in upcoming semester.

Action Taken:

- It was decided that courses on Google cloud program will be offered to the students and one faculty and two students will coordinate the program.
- Students clubs are identified and peer to peer learning will continue in online mode.
- It was decided that courses on Communication skills will be offered to the students and volunteer students will lead this course with faculty coordinator.

15.	**Leave during the semester**	➢ Faculty members are suggested to avoid taking leave during academic semester unless it is urgent. ➢ Unplanned leave may not be sectioned until unless it really an emergency. ➢ Faculty members are suggested to adjust theory and lab classes before applying the leave and same must be communicated to Add HOD-IT ➢ Faculty members will take the adjusted classes after returning back. Add HOD-IT will monitor the same	Faculty Members & Add HOD-IT

16.	**Sales force Training**	➢ Discussion on vision of sales force courses for coming semester.	Prof. Navpreet
17.	**Suggestion**	➢ Prof Bhoopendra Kumar has suggested toadd date of paper publication and remark in research statistics record. ➢ Prof. Bhoopendra advised to divide the conference paper record as accepted, presented and published. ➢ Prof. Dinesh suggested for the hard copy of assignments and lab files.	All concerned

HoD (IT)

Action Taken on the basis of Alumni feedback (Academic Year: 2018-19)

Following points were inferred on the basis of the feedback analysis and suggested by various Alumni:

Alumni emphasis on technical skills and mindset of the students while choosing their career goal whether to go for industry or higher studies.

Action Taken:

- Some students require career counselling and guidance towards higher studies so we decided to arrange alumni panel interaction for the same.
- It was decided that some coding competition should be organized at students' level to improve their coding skills.

Action Taken on the basis of Alumni feedback (Academic Year: 2017-18)

Following points were inferred on the basis of the feedback analysis and suggested by various Alumni:

Alumni emphasis on to create an environment by which students are able to know the current demand of industry.

Action Taken:

- It was decided to launchedsome courses which are in demand as per the industry requirement so, we started courses like web designing and data science.
- We made WhatsApp group according to the area of interest of students and alumni to enhance peer-to-peer learning.
- It was decided that practical oriented subject should be aligned according to the requirement of industry.

Action Taken on the basis of Alumni feedback (Academic Year: 2015-16)

Following points were inferred on the basis of the feedback analysis and suggested by various Alumni:

Alumni emphasis on the learning of the students apart from their regular academic and give some more time for themselves to understand the concepts effectively.

Action Taken:

- It was decided that the labs and classrooms are open for students in the evening so that they can enhance their skill as it requires the resources which are available in the department.
- To make students learn by themselves, we decided to form student clubs as per the interest of their own in reference with the current industry requirements.
- Communication skills also plays an important role towards excel so it was decided to arrange some mock interview by our alumni to reduce the fear factor of students and it will be continuing.

Analysis	1. A feedback survey is taken by the alumni's during their visit to institute

S.NO	Area of Improvement	Input	Action Taken

1	Syllabus enhance employability	Due to frequent change of syllabus by the university, students missed few crucial learnings and were a bit unsatisfied with the skillset they had.	Value added courses were commenced in addition to the curriculum. Although from the next session the univeristy syllabus stablized as PCI prescribed new syllabus.
2	Course content interesting	Since few linking topics were missed due to syllabus change students found it less interesting.	do

WORDS OF WISDOM FOR FUTURE BATCHES

Throughout my two years of MBA at KIET, I had countless opportunities to develop analytical skills, leadership & proactive thinking through various programs & events.
These attributes were the key reasons because of which I was successfully placed as HR Executive at Chromeinfotech.
Big thanks to all my faculty & friends for the amazing journey at KIET
