19-01-2019 17:38:35	KAUSHANGI GOEL	ACADEMICS	TEACHING/LEARNING	URGENT	NEW	SUGGESTION	SUGG470	For B.Tech students who are preparing for technical exams. There must be a WhatsApp group created having all the teachers and the interested students preparing for the exams. This will help students to solve the problems at any time of the day and the teachers knowing the answers may reply to them for the query. This will help the students to solve their problems very fast and also a variety of questions will come across. I strongly feel it will help to lot of students who dont join coaching and prepare by self. It will be very beneficial if implemented.	---	CLOSED

The students having carry over papers, poor attendance, indiscipline cases, less than 60% marks in University Examinations and any other problem are identified as the ones who need personal guidance and regular monitoring. Following are the guidelines for mentors:

1. Weekly counselling regarding all the above aspects and maintain record in e-mentor card.
2. As a mentor, the primary role is to provide guidance and support to mentee based on his or her unique developmental needs.
3. A mentor may share with a mentee information about his or her own career path, as well as provide guidance, motivation, emotional support, and role modelling.
4. A mentor may help with exploring careers, setting goals, developing contacts, and identifying resources
5. Extra study materials and relevant handouts to students should be provided.
6. Submission of monthly report on the progress of the above guidelines to the HOD (ECE)/ Additional HOD (ECE).
