## GUIDELINES FOR PAPER SUBMISSION

Please refer to the attached format for submitting the paper. E-mail your paper at  
"kiet.mba.conference@kiet.edu"

## CONFERENCE COMMITTEE

### CHIEF PATRON

Mr M.P Jain  
Chairman  
KIET Group of Institutions

### PATRON

Dr (Col) A Garg  
Director

### CONFERENCE CHAIRMAN

Dr R. Srinivasan  
HOD (MBA)

### CONFERENCE CONTROLLER

Dr Binkey Srivastava  
Addl. HoD (MBA)

### CONVENER

Dr Mani Tyagi,  
Dr Ranchay Bhateja  
Associate Professor s (MBA)

### COORDINATORS

Dr Prateek Gupta  
Dr Nitin Girdharwal  
Dr Meenakshi Tyagi  
Dr Deepa  
Dr Mrinal Verma  
Ms Renu Sharma  
Mr Amit Arora  
Dr. Shivani Agarwal  
Ms Neha Singh  
Ms Sapna Yadav  
Dr Puja Roshni  
Dr Ruchi Singh  
Dr. Rinki Dahiya

## ACCOMODATIONS

Limited Guest House accommodation inside the campus is available on payment bases. Participants are requested to contact in advance if they wish to avail boarding and lodging facilities within the campus. KIET Ghaziabad is located in a well-connected area and has multiple hotels available in the near vicinity.

## 5<sup>th</sup> INTERNATIONAL CONFERENCE

ON

## Recent Trends in Humanities, Technology, Management & Social Development

(RTHTMS 2020)

7<sup>th</sup> & 8<sup>th</sup> Feb 2020

Knowledge Partners  
(MTC Global)

In collaboration  
with

SWOSU  
Sri World Open University

\*Guaranteed Publication in  
SCOPUS/UGC Care

\*Additional Fee as applicable to be borne by participants; and  
subject to incorporation of modifications as suggested by reviewer.

Organized By  
**KIET School of Management**

**KIET**  
GROUP OF INSTITUTIONS

(A Technical Campus approved by AICTE &  
Affiliated to Dr. A.P.J. Abdul Kalam Technical Univ., Lucknow)  
Accredited by NAAC with Grade 'A' (5 yrs)

## ABOUT THE KIET GROUP OF INSTITUTIONS, GHAZIABAD

KIET was established in 1998 with the Intake of 198 students. The Institute has more than 5000 students on its rolls in 2019 : a substantial growth in 21 years to meet the need of quality technical education in U.P. We have pioneered technological, pharmaceutical and management education by offering Bachelor and Master programs in these fields. Most of the department are accredited by NBA. Also, KIET is accredited by NAAC with "A" Grade. KIET has been maintaining excellent results over the last several years and has been consistently rated as one of the best Institution of AKTU (formerly UPTU)

**KIET School of Management** was established in the year 2004 which offers Master in Business Administration (MBA) program. This two year full time course is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

## INTERNATIONAL GUESTS

**Mr. Nate Hicks**  
Business Everett Dobson,  
School of Business and Tech.,  
SWOSU, USA

**Mr. Kenjaboev Shukurjon Sharipovich**  
Rector  
Namangan Engineer Construction Institute  
Uzbekistan

**Mr. Soliev Ibodullohon Ismatullaevich**  
Head of Economic Department  
Namangan Engineer Construction Institute  
Uzbekistan

**Mr. Tursonov Ahrorbek Aminjon Og'li**  
International Relations Department  
Namangan Engineer Construction Institute  
Uzbekistan

## ABOUT THE CONFERENCE

This International Conference is a global event organized in partnership with **Southwestern Oklahoma State University, USA & Namangan Engineer Construction Institute, Uzbekistan**. This conference provides an international forum for researchers, developers, engineers and practitioners to exchange their valuable ideas and showcase the ongoing work which may lead to path breaking foundation of the futuristic science, technology & management. This conference accentuates indispensability of interdisciplinary research, innovative thinking and market opportunities for the participants.

### Mode of Research Paper Presentation

1. Author are expected to be present at venue at the conference for paper presentation.
2. But in special cases presentations in-absentia is permissible and the participants can send power point presentations of maximum 10 slides on [kiet.mba.conference@kiet.edu](mailto:kiet.mba.conference@kiet.edu)

## Conference Highlights

1. All papers will be published in Scopus indexed/ UGC care listed journals on payment of additional fee and after incorporating the reviewer comments.
2. Every author will get two certificates, one for paper publication in Journal another for paper presentation in conference.

## ABOUT SOUTHWESTERN OKLAHOMA STATE UNIVERSITY, USA

Established in 1901, Southwestern Oklahoma State University has a long-standing reputation for high quality academic programs and friendly service to students, alumni, and friends. SWOSU offers over 70 undergraduate degrees and 20 graduate degrees so students have a variety of choices. Located in the center of western Oklahoma in the beautiful city of Weatherford, students enjoy the interaction of a thriving community that is only 45 minutes away from the Oklahoma City metro area. With an enrollment of over five thousand students, there are many opportunities to participate in student organizations and exciting athletic events. SWOSU is often described as a "small campus with a big campus feel." **SWOSU's Everett Dobson School of Business and Technology** has earned recognition as one of the best business and technology schools in Oklahoma. With a current enrollment of 950, the student population is a rich blend of local and international students. Students have the opportunity to earn degrees in bachelor of business administration, computer science, or engineering technology. The business programs and engineering technology programs are fully accredited, with computer science pursuing accreditation in the near future. Graduates from different programs are hired by various companies in Oklahoma, as well as across the United States and internationally.

## ABOUT MTC GLOBAL

**MTC Global - a global think tank in higher education and an Apex Advisory Body in Management Education** in the world having presence in over 30+ countries, over 1000 B-Schools, 30,000 + members, 45 national chapters, 32 international chapters and connected with millions of people across the world through its different initiatives. A participant in United National Global Compact program, United Nations Academic Impact and ISO 9001: 2008 certified organization.

MTC Global are partner organization with United Nations for UN Global Compact and UN Academic Impact in line with implementation of Millennium Developmental Goals.

## GUIDELINES FOR PAPER SUBMISSION

**Line space: 1.5**(For whole the paper)

**Page Size: A4**(For whole the paper)

**Margin: Normal**(For whole the paper)

**PAPER TITLE** (Font size 18 Bold, Times New Roman)

**First Author<sup>1</sup>, Second Author<sup>2</sup>** (Font size 14 Bold, Times New Roman)

1. *Department, College or University Name, (Country Name)* (Font size 11 Italic, Times New Roman)

2. *Department, College or University Name, (Country Name)* (Font size 11 Italic, Times New Roman)

**ABSTRACT** (Font size 11 Bold, TIMES NEW ROMAN)

*The abstract should summarize the content of the paper. Try to keep the abstract below 200 words.*

*Do not make references nor display equations in the abstract.* (10 Italic Times New Roman)

**Keywords** (Font size 11 Bold, Italic) : *About five key words in alphabetical order, separated by comma* (Font size 11, Times New Roman, Italic)

**I. INTRODUCTION** (Font size 11, TIMES NEW ROMAN, BOLD)

The introduction of the paper should explain the nature of the problem, previous work, purpose, and the contribution of the paper. The contents of each section may be provided to understand easily about the paper. (10 Times New Roman)

**II. HEADINGS** (Font size 11, TIMES NEW ROMAN, BOLD)

The headings and subheadings, starting with "1. Introduction", appears in upper and lower case letters and should be set in bold and aligned flush left. All headings from the Introduction to Acknowledgements are numbered sequentially using 1, 2, 3, etc. Subheadings are numbered 1.1, 1.2, etc. If a subsection must be further divided, the numbers 1.1.1, 1.1.2, etc. The font size for heading is 11 points bold face and subsections with 10 points and not bold. Do not underline any of the headings, or add dashes, colons, etc. (Font size 10 Times New Roman)

**III. INDENTATIONS AND EQUATIONS** (Font size 11, TIMES NEW ROMAN, BOLD)

The first paragraph under each heading or subheading should be flush left, and subsequent paragraphs should have a five-space indentation. A colon is inserted before an equation is presented, but there is no punctuation following the equation. All equations are numbered and referred to in the text solely by a number enclosed in a round bracket (i.e., (3) reads as "equation 3"). Ensure that any miscellaneous numbering system you use in your paper cannot be confused with a reference [4] or an equation (3) designation. (Font size 10, Times New Roman)

**IV. FIGURES AND TABLES** (Font size 11, TIMES NEW ROMAN, BOLD)

To ensure a high-quality product, diagrams and lettering **MUST** be either computer-drafted or drawn using India ink. Figure captions appear below the figure, are flush left, and are in lower case letters. When referring to a figure in the body of the text, the abbreviation "Fig." is used. Figures should be numbered in the order they appear in the text. Table captions appear centered above the table in upper and lower case letters. When referring to a table in the text, no abbreviation is used and "Table" is capitalized. (Font size 10, Times New Roman)

**V. CONCLUSION** (Font size 11, TIMES NEW ROMAN, BOLD)

A conclusion section must be included and should indicate clearly the advantages, limitations, and possible applications of the paper. Although a conclusion may review the main points of the paper, do not replicate the abstract as the conclusion. A conclusion might elaborate on the importance of the work or suggest applications and extensions. (Font size 10, Times New Roman)

**VI. ACKNOWLEDGEMENTS** (Font size 11, TIMES NEW ROMAN, BOLD)

An acknowledgement section may be presented after the conclusion, if desired (Font size 10, Times New Roman)

**REFERENCES** (Font size 11, TIMES NEW ROMAN, BOLD)

This heading is not assigned a number. A reference list **MUST** be included using the following information as a guide. Only cited text references are included. Each reference is referred to in the text by a number enclosed in a square bracket (i.e., [3]). References **must be numbered and ordered according to where they are first mentioned in the paper, NOT alphabetically.**

**Examples follow:**

**Journal Papers:**

[1] M Ozaki, Y. Adachi, Y. Iwahori, and N. Ishii, Application of fuzzy theory to writer recognition of Chinese characters, International Journal of Modelling and Simulation, 18(2), 1998, 112-116. (10, Times New Roman)

**Note** that the journal title, volume number and issue number are set in italics.

**Books:**

[2] R.E. Moore, Interval analysis (Englewood Cliffs, NJ: Prentice-Hall, 1966). (10, Times New Roman)

**Note** that the title of the book is in lower case letters and italicized. There is no comma following the title. Place of publication and publisher are given.

**Theses:**

[3] D.S. Chan, Theory and implementation of multidimensional discrete systems for signal processing, doctoral diss., Massachusetts Institute of Technology, Cambridge, MA, 1978. (10, Times New Roman)

**Note** that thesis title is set in italics and the university that granted the degree is listed along with location information **Proceedings Papers:**

[4] W.J. Book, Modeling design and control of flexible manipulator arms: A tutorial review, Proc. 29th IEEE Conf. on Decision and Control, San Francisco, CA, 1990, 500-506 (10, Times New Roman)

## Entrepreneurship Development Programme (EDP)

At Bareilly

(20.02.2020 to 20.03.2020)

Sponsored by

NSTEDB, Department of Science and Technology (DST), Govt. of India

सत्यमेव जयते

Department of Science & Technology  
Govt. of India

Organized by

Technology Business Incubator-KIET Group of Institutions,  
Ghaziabad, U.P

**Building TBI-KIET**

### **Introduction:**

Entrepreneurship Development Programme (EDP) aims at training the science and technology graduates and diploma holders in the essentials of conceiving, initiating, planning and launching an economic activity or an enterprise successfully. The basic purpose of organizing entrepreneurial programme is to influence the potential persons and motivate them to take entrepreneurship as their career. Development of skill of Entrepreneurs can be through training, education and development. Entrepreneurship development is gradually increasing all over the world leads to self-fulfillment by becoming more empowered, socially and economically through business ownership. This training programme will be more helpful and recommended to the practitioners, researchers, planners, policy makers and academicians, who are involved in the concerned area. The overall specific objective of this training are promoting gender equality through female entrepreneurship and overall improvement of life of a woman.

## **Programme Objective:**

- Influencing the candidates for promoting entrepreneurship career
- Making the person explore successfully opportunities for enterprises
- Improve women's professional qualifications in rural areas by organizing a development programme.
- Develop skills in mobilizing and organizing women in recognition of women's potential as agents for social change
- Practice necessary skills of enterprise creation
- Acquire ability and capabilities of deciding about new venture opportunities, planning organizing and successfully managing the Small Business/Enterprise

## **Major Content:**

- Entrepreneurship Motivation
- How to identify startups & market analysis
- How to prepare Business Plans
- IPR: Patent, Copyrights, Trade Mark etc.
- Process of Incubation
- Design thinking and Product Design
- Information related to incubation facilities at TBI-KIET & mentoring
- Information of various government schemes viz. Startup India, Make in India, Standup India, Mudra Yojana, Seed Funding, NIDHI-EIR, NIDHI-PRAYAS, PMEGP etc

## **Target Group:**

In each EDP 25-30 potential entrepreneurs having degree Science & Technology/diploma (three years) in are trained through a structured training programme of 4 weeks duration. During the training period, participants also get to know the intricacies of how to start and manage an enterprise. At the end they are assisted in preparing a detailed business plan.

**Duration:** 4 weeks

### **About Programme:**

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students with following objective-

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for "Techniques of proposal preparation.

### **Course Contents:**

- Achievement Motivation.
- Concept of Entrepreneurs, Enterprise and Entrepreneurship.
- Prospects of developing entrepreneurship, particularly science & technology entrepreneurs.
- Business Opportunity Guidance. Techniques to select suitable projects.
- Project identification, formulation and appraisal.
- Market survey techniques & tools of market survey.
- Role of promotional, financial & regulating agencies for promotion of MSME.
- Principle of management & marketing management

- Book keeping & accounting procedure
- Exposure to small enterprise

### **Methodology:**

- Lectures, discussions, role play
- Interaction with successful entrepreneurs
- Assignment both individually as well as group
- Exposure visit
- Panel discussion

### **Target Group:**

- Faculty members of university/ engineering/management/science college as well as faculty of polytechnic who wish to become the motivator, trainer & facilitator of entrepreneurship.

### **Programme Time:**

- The programme is full time. Classroom sessions will be between 10:00 A.M. to 4:30 P.M., with appropriate breaks for tea, coffee and lunch.

## 3<sup>rd</sup> INTERNATIONAL CONFERENCE

on  
“EMERGING ROLE OF LEADERSHIP, VALUES AND ETHICS  
IN  
ORGANISATIONAL DEVELOPMENT”

Friday & Saturday 05<sup>th</sup> & 06<sup>th</sup> October 2018

Organized by

**KIET School of Management**

**KIET**  
GROUP OF INSTITUTIONS

(A Technical Campus approved by AICTE &  
Affiliated to Dr. A.P.J. Abdul Kalam Technical Univ., Lucknow)  
Accredited by NAAC with Grade 'A' (5 yrs)  
Ghaziabad-201206

## ABOUT THE KIET GROUP OF INSTITUTIONS, GHAZIABAD

KIET was established in 1998 with the Intake of 198 students. The Institute has more than 5000 students on its rolls in 2017-18 : a substantial growth in 19 years to meet the need of quality technical education in U.P. We have pioneered technological, pharmaceutical and management education by offering Bachelor and Master programs in these fields. Most of the department are accredited by NBA. Also, KIET is accredited by NAAC with "A" Grade. KIET has been maintaining excellent results over the last several years and has been consistently rated as one of the best Institution of AKTU (formerly UPTU)

**KIET School of Management** was established in the year 2004 which offers Master in Business Administration (MBA) program. This two year full time course, affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. The department is accredited by NBA. The training is imparted with specialization in **Human Resource, Marketing Management, Finance, Information Technology and International Business.**

## EMERGING ROLE OF LEADERSHIP, VALUES AND ETHICS IN ORGANISATIONAL DEVELOPMENT

### Background & Scope :

The international conference aims at exploring the role of leadership, values and ethics at the workplace and creating a conducive environment for sustainable economic and social development. Values and ethics provide the foundation to sustainability in all areas of human endeavour be it economic, social or technological development. Values & Ethics play an important role in different organisational functions such as production, distribution, exchange and consumption of products, services besides ethical HR practices and the environment. It also provides guidance on how to integrate our traditional values with emerging knowledge and modern management.

The conference will provide a platform to thought leaders, academic community, industry practitioners, business managers, philosophers and social scientists to share their views, best practices and research findings and also gain from others' experiences. The conference will also facilitate identification of knowledge gap and areas for future research. The deliberations would provide challenges and opportunities to all those interested in creating a value based society for sustainable socio-economic growth.

### Call for Papers and Suggested Themes:

The conference invites papers in the following tracks and provides some suggested themes. Contributors are welcome to choose any other topic related to any track and the theme of the conference. The paper should be original and should not have been published before.

### Values and Ethics and their roots in Indian Traditions :

- Values and Ethics: Conceptual Framework from Different Perspectives
- Role of Indian Values and Ethos in Sustainable Business Environment
- Role of Indian Traditions and Values in Green Management
- Stakeholder Approach towards ethics in Management
- Approach to towards leadership for organizational ethics
- Case Studies converging with the conference theme

### Spirituality at the Workplace :

- Role of Spirituality in promoting Ethical Business
- Incorporating Religious/ Faith based Values in Business
- Integrating Business Ethics through Value base Leadership
- Spiritual Values for Preventing Unethical Practices

- **Work life Balance & Well-being :**
- Spirituality & Individual Well-being
- Organisational Practices for Employee Well-being
- Employee Assistance Programmes
- Creating a 'Happy' Organisation

### Ethics in Business Management :

- Preventing Financial and Accounting Frauds
- Overcoming Creative Accounting
- Financial Inclusion: Challenges & Opportunities
- Models for Financial Inclusion
- Ethics in Marketing & Distribution
- Customer Relationship Management practices
- Ethical Issues in Production and Operations Management
- Ethical issues in Supply Chain Management
- Ethical Issues in Information Tech.

## GUIDELINES FOR PAPER SUBMISSION

**Line space: 1.5(For whole the paper)**

**Page Size: A4 (For whole the paper)**

**Margin: Normal (For whole the paper)**

**PAPER TITLE (Font size 18 Bold, Times New Roman)**

**First Author<sup>1</sup>, Second Author<sup>2</sup> (Font size 14 Bold, Times New Roman)**

1. *Department, College or University Name, (Country Name)* (Font size 11 Italic, Times New Roman)

2. *Department, College or University Name, (Country Name)* (Font size 11 Italic, Times New Roman)

**ABSTRACT (Font size 11 Bold, TIMES NEW ROMAN)**

*The abstract should summarize the content of the paper. Try to keep the abstract below 200 words.*

*Do not make references nor display equations in the abstract. (10 Italic Times New Roman)*

**Keywords (Font size 11 Bold, Italic) : About five key words in alphabetical order, separated by comma (Font size 11, Times New Roman, Italic)**

**I. INTRODUCTION (Font size 11, TIMES NEW ROMAN, BOLD)**

The introduction of the paper should explain the nature of the problem, previous work, purpose, and the contribution of the paper. The contents of each section may be provided to understand easily about the paper. (10 Times New Roman)

**II. HEADINGS (Font size 11, TIMES NEW ROMAN, BOLD)**

The headings and subheadings, starting with "1. Introduction", appears in upper and lower case letters and should be set in bold and aligned flush left. All headings from the Introduction to Acknowledgements are numbered sequentially using 1, 2, 3, etc. Subheadings are numbered 1.1, 1.2, etc. If a subsection must be further divided, the numbers 1.1.1, 1.1.2, etc. The font size for heading is 11 points bold face and subsections with 10 points and not bold. Do not underline any of the headings, or add dashes, colons, etc. (Font size 10 Times New Roman)

**III. INDENTATIONS AND EQUATIONS (Font size 11, TIMES NEW ROMAN, BOLD)**

The first paragraph under each heading or subheading should be flush left, and subsequent paragraphs should have a five-space indentation. A colon is inserted before an equation is presented, but there is no punctuation following the equation. All equations are numbered and referred to in the text solely by a number enclosed in a round bracket (i.e., (3) reads as "equation 3"). Ensure that any miscellaneous numbering system you use in your paper cannot be confused with a reference [4] or an equation (3) designation. (Font size 10, Times New Roman)

**IV. FIGURES AND TABLES (Font size 11, TIMES NEW ROMAN, BOLD)**

To ensure a high-quality product, diagrams and lettering **MUST** be either computer-drafted or drawn using India ink. Figure captions appear below the figure, are flush left, and are in lower case letters. When referring to a figure in the body of the text, the abbreviation "Fig." is used. Figures should be numbered in the order they appear in the text. Table captions appear centered above the table in upper and lower case letters. When referring to a table in the text, no abbreviation is used and "Table" is capitalized. (Font size 10, Times New Roman)

**V. CONCLUSION (Font size 11, TIMES NEW ROMAN, BOLD)**

A conclusion section must be included and should indicate clearly the advantages, limitations, and possible applications of the paper. Although a conclusion may review the main points of the paper, do not replicate the abstract as the conclusion. A conclusion might elaborate on the importance of the work or suggest applications and extensions. (Font size 10, Times New Roman)

**VI. ACKNOWLEDGEMENTS (Font size 11, TIMES NEW ROMAN, BOLD)**

An acknowledgement section may be presented after the conclusion, if desired (Font size 10, Times New Roman)

**REFERENCES (Font size 11, TIMES NEW ROMAN, BOLD)**

This heading is not assigned a number. A reference list **MUST** be included using the following information as a guide. Only cited text references are included. Each reference is referred to in the text by a number enclosed in a square bracket (i.e., [3]). References **must be numbered and ordered according to where they are first mentioned in the paper, NOT alphabetically.**

**Examples follow:**

**Journal Papers:**

[1] M Ozaki, Y. Adachi, Y. Iwahori, and N. Ishii, Application of fuzzy theory to writer recognition of Chinese characters, International Journal of Modelling and Simulation, 18(2), 1998, 112-116. (10, Times New Roman)

**Note** that the journal title, volume number and issue number are set in italics.

**Books:**

[2] R.E. Moore, Interval analysis (Englewood Cliffs, NJ: Prentice-Hall, 1966). (10, Times New Roman)

**Note** that the title of the book is in lower case letters and italicized. There is no comma following the title. Place of publication and publisher are given.

**Theses:**

[3] D.S. Chan, Theory and implementation of multidimensional discrete systems for signal processing, doctoral diss., Massachusetts Institute of Technology, Cambridge, MA, 1978. (10, Times New Roman)

**Note** that thesis title is set in italics and the university that granted the degree is listed along with location information **Proceedings Papers:**

[4] W.J. Book, Modeling design and control of flexible manipulator arms: A tutorial review, Proc. 29th IEEE Conf. on Decision and Control, San Francisco, CA, 1990, 500-506 (10, Times New Roman)

## ABOUT SOUTHWESTERN OKLAHOMA STATE UNIVERSITY, USA

Established in 1901, Southwestern Oklahoma State University has a long-standing reputation for high quality academic programs and friendly service to students, alumni, and friends. SWOSU offers over 70 undergraduate degrees and 20 graduate degrees so students have a variety of choices. Located in the center of western Oklahoma in the beautiful city of Weatherford, students enjoy the interaction of a thriving community that is only 45 minutes away from the Oklahoma City metro area. With an enrollment of over five thousand students, there are many opportunities to participate in student organizations and exciting athletic events. SWOSU is often described as a "small campus with a big campus feel." SWOSU's **Everett Dobson School of Business and Technology** has earned recognition as one of the best business and technology schools in Oklahoma. With a current enrollment of 950, the student population is a rich blend of local and international students. Students have the opportunity to earn degrees in bachelor of business administration, computer science, or engineering technology. The business programs and engineering technology programs are fully accredited, with computer science pursuing accreditation in the near future. Graduates from different programs are hired by various companies in Oklahoma, as well as across the United States and internationally.

## ABOUT MTC GLOBAL

**MTC Global - a global think tank in higher education and an Apex Advisory Body in Management Education** in the world having presence in over **30+ countries, over 1000 B-Schools, 30,000+ members, 45 national chapters, 32 international chapters** and connected with millions of people across the world through its different initiatives. A participant in United National Global Compact program, United Nations Academic Impact and ISO 9001: 2008 certified organization.

MTC Global are partner organization with United Nations for UN Global Compact and UN Academic Impact in line with implementation of Millennium Developmental Goals.

## ABOUT THE CONFERENCE

This International Conference is a global event organized with Southwestern Oklahoma State University. This conference provides an international forum for researchers, developers, engineers and practitioners to exchange their valuable ideas and showcase the ongoing works which may lead to path breaking foundation of the futuristic science, technology & management. This conference will accentuates indispensability of interdisciplinary and cross-linked thinking with respect of innovation and market opportunities for the participants.

### Mode of Research Paper Presentation

1. Author can directly Present paper and attend at the venue.
2. Author(s), those fail to attend the conference can send the power point presentation of maximum 10 slides on [kiet.mba.conference@kiet.edu](mailto:kiet.mba.conference@kiet.edu)

### Conference Highlights

1. Selected papers will be published in **SCI/SSCI journal** with an additional fees to be borne by the participant.
2. All the accepted and presented/Non Presented papers of the duly registered authors will be published in the **UGC listed International journals** having ISSN & Impact factor.
3. Every author will get two certificates, one for paper publication in Journal other for paper presentation in conference.
4. Registration kit for each papers those will attend the conference at venue.
5. All the papers of the conference will be published in the conference proceeding with ISBN.
6. Research Paper in absentia is also acceptable.

### Topics Covered

Research or Review Paper from all the Branch of Engineering, Science, Humanities and Management are welcome.

2. *Department, College or University Name, (Country Name)* (Font size 11 Italic, Times New Roman)

**ABSTRACT (Font size 11 Bold, TIMES NEW ROMAN)**

*The abstract should summarize the content of the paper. Try to keep the abstract below 200 words.*

*Do not make references nor display equations in the abstract. (10 Italic Times New Roman)*

**Keywords (Font size 11 Bold, Italic) : About five key words in alphabetical order, separated by comma (Font size 11, Times New Roman, Italic)**

**I. INTRODUCTION (Font size 11, TIMES NEW ROMAN, BOLD)**

The introduction of the paper should explain the nature of the problem, previous work, purpose, and the contribution of the paper. The contents of each section may be provided to understand easily about the paper. (10 Times New Roman)

**II. HEADINGS (Font size 11, TIMES NEW ROMAN, BOLD)**

The headings and subheadings, starting with "1. Introduction", appears in upper and lower case letters and should be set in bold and aligned flush left. All headings from the Introduction to Acknowledgements are numbered sequentially using 1, 2, 3, etc. Subheadings are numbered 1.1, 1.2, etc. If a subsection must be further divided, the numbers 1.1.1, 1.1.2, etc. The font size for heading is 11 points bold face and subsections with 10 points and not bold. Do not underline any of the headings, or add dashes, colons, etc. (Font size 10 Times New Roman)

**III. INDENTATIONS AND EQUATIONS (Font size 11, TIMES NEW ROMAN, BOLD)**

The first paragraph under each heading or subheading should be flush left, and subsequent paragraphs should have a five-space indentation. A colon is inserted before an equation is presented, but there is no punctuation following the equation. All equations are numbered and referred to in the text solely by a number enclosed in a round bracket (i.e., (3) reads as "equation 3"). Ensure that any miscellaneous numbering system you use in your paper cannot be confused with a reference [4] or an equation (3) designation. (Font size 10, Times New Roman)

**IV. FIGURES AND TABLES (Font size 11, TIMES NEW ROMAN, BOLD)**

To ensure a high-quality product, diagrams and lettering **MUST** be either computer-drafted or drawn using India ink. Figure captions appear below the figure, are flush left, and are in lower case letters. When referring to a figure in the body of the text, the abbreviation "Fig." is used. Figures should be numbered in the order they appear in the text. Table captions appear centered above the table in upper and lower case letters. When referring to a table in the text, no abbreviation is used and "Table" is capitalized. (Font size 10, Times New Roman)

**V. CONCLUSION (Font size 11, TIMES NEW ROMAN, BOLD)**

A conclusion section must be included and should indicate clearly the advantages, limitations, and possible applications of the paper. Although a conclusion may review the main points of the paper, do not replicate the abstract as the conclusion. A conclusion might elaborate on the importance of the work or suggest applications and extensions. (Font size 10, Times New Roman)

**VI. ACKNOWLEDGEMENTS (Font size 11, TIMES NEW ROMAN, BOLD)**

An acknowledgement section may be presented after the conclusion, if desired (Font size 10, Times New Roman)

**REFERENCES (Font size 11, TIMES NEW ROMAN, BOLD)**

This heading is not assigned a number. A reference list **MUST** be included using the following information as a guide. Only cited text references are included. Each reference is referred to in the text by a number enclosed in a square bracket (i.e., [3]). References **must be numbered and ordered according to where they are first mentioned in the paper, NOT alphabetically.**

**Examples follow:**

**Journal Papers:**

[1] M Ozaki, Y. Adachi, Y. Iwahori, and N. Ishii, Application of fuzzy theory to writer recognition of Chinese characters, *International Journal of Modelling and Simulation*, 18(2), 1998, 112-116. (10, Times New Roman)

**Note** that the journal title, volume number and issue number are set in italics.

**Books:**

[2] R.E. Moore, *Interval analysis* (Englewood Cliffs, NJ: Prentice-Hall, 1966). (10, Times New Roman)

**Note** that the title of the book is in lower case letters and italicized. There is no comma following the title. Place of publication and publisher are given.

**Theses:**

[3] D.S. Chan, *Theory and implementation of multidimensional discrete systems for signal processing*, doctoral diss., Massachusetts Institute of Technology, Cambridge, MA, 1978. (10, Times New Roman)

**Note** that thesis title is set in italics and the university that granted the degree is listed along with location information **Proceedings Papers:**

[4] W.J. Book, Modeling design and control of flexible manipulator arms: A tutorial review, Proc. 29th IEEE Conf. on Decision and Control, San Francisco, CA, 1990, 500-506 (10, Times New Roman)

# EVENT BROCHURE

# ABOUT US

WE EMPOWER ENTREPRENEURS!

All progressive organizations are an outcome of the dreams, ideas and creativity of its leaders, and so, a group of illustrious and enterprising men from Ghaziabad began an ambitious programme of philanthropy. They established Krishna Charitable Society, a non-profit making organization and undertook the bold venture of performing service to society through non-governmental education system.

Krishna Institute of Engineering & Technology was established almost two decades ago with an aim to provide advanced technical education to its students through its compelling and dedicated staff. KIET seeks to make its students technologically sound and ethically profound. Our mission is to achieve academic excellence, provide strong conceptual knowledge and instill human values and professional ethics.

**KIET E-Cell: The Entrepreneurship Development Cell** seeks to enhance the entrepreneurial mind set by providing necessary guidance, motivation and assistance to the aspiring entrepreneurs. KIET E-cell is purely a student body, run by a bunch of enthusiastic students, which aims to foster entrepreneurship culture among the students, fans the innovative spark in them and supports them to transform their ideas into reality.

KIET E-cell is strongly backed and promoted by its patron organization i.e. "TECHNOLOGY BUSINESS INCUBATOR (TBI)-KIET, Department of Science & Technology (DST)-Government of India". KIET E-cell has previously conducted successfully the four Techno-Entrepreneurial fest Endeavour consecutive for straight four years i.e. in the 2015, 2016, 2017, 2018.

This time for 2019 it proudly brings E-summit is going to be held for the second time in the history of KIET. The main focus of it is to polish and refines the skills and tighten their belt required to survive in this throat-cutting corporate world as well as to inculcate the spirit of entrepreneurship.

# Our Values

**Aspire for something**

**Connect with us**

**Grab the ladder to success**

# **ABOUT THE EVENT**

**Adorning itself with four thriving entrepreneurial summits in the past, KIET e-Cell is in for another brand new year with the opulent entrepreneurial summit ENDEAVOUR on 23rd and 24th February 2019. We have successfully conducted 4 seasons of endeavour with about more than 1000 registrations every year. This time we aim to organise a never seen before version of ENDEAVOUR that will witness a convergence of academic communities, startup for pre-incubation and incubation, speaker sessions, venture capitalists and most importantly new age entrepreneurs.**

**The two days event will comprise of varied pitching events, workshops, panel discussions and many more. We aspire to reach new realms of innovation by nurturing young talent and providing them a massive platform. This astonishing fest brings to you with lots of opportunities to grab the experience through the corporate and fun events.**

The Institute offers B. Tech, M. Tech, B. Pharm, M. Pharm, MCA and MBA.

[www.kiet.edu](http://www.kiet.edu)

**About Programme:**

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students with following objective-

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for “Techniques of proposal preparation.

**Course Contents:**

- Achievement Motivation.
- Concept of Entrepreneurs, Enterprise and Entrepreneurship.
- Prospects of developing entrepreneurship, particularly science & technology entrepreneurs.
- Business Opportunity Guidance. Techniques to select suitable projects.
- Project identification, formulation and appraisal.
- Market survey techniques & tools of market survey.
- Role of promotional, financial & regulating agencies for promotion of MSME.
- Principle of management & marketing management
- Book keeping & accounting procedure
- Exposure to small enterprise

**Methodology:**

- Lectures, discussions, role play
- Interaction with successful entrepreneurs
- Assignment both individually as well as group
- Exposure visit
- Panel discussion

**Target Group:**

- Faculty members of university/ engineering/management/science college as well as faculty of polytechnic who wish to become the motivator, trainer & facilitator of entrepreneurship.

**Programme Time:**

- The programme is full time. Classroom sessions will be between 10:00 A.M. to 4:30 P.M., with appropriate breaks for tea, coffee and lunch.

**Programme Venue:**

- B.T. Kumaon Institute of Technology, Dwarahat, Almora, Uttarakhand

## About KIET Group of Institutions

KIET was established in 1998 at Ghaziabad with the intake of 198 students. The Institute has more than **5000 students** on its rolls in 2016-17: a substantial growth in 18 years to meet the need of quality technical education in U.P. We have pioneered technological, pharmaceutical and management education by offering Bachelor and Master programs in these fields. All our B.Tech, MBA, MCA & B.Pharm programmes have been accredited by NBA. Also, KIET is accredited by **NAAC with "A" Grade** for 5 Years. KIET has been maintaining excellent results over the last several years and has been consistently rated as one of the best Institutions in AKTU (formerly UPTU).

**KIET School of Management** was established in the year **2004** which offers Master in Business Administration (MBA) program. This two year full time course, affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. The department is **accredited by NBA**. The training is imparted with specialization in **Human Resource, Marketing Management, Finance, Information Technology and International Business**.

## About TBI-KIET

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 39 incubatees were supported by TBI-KIET. Presently TBI-KIET have 17 incubatee companies. 20 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. On the basis of performance Mahindra World City-SEZ, Jaipur has signed a MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". Mahindra World City-SEZ has awarded Certificate of Excellence for Skilled training programme being implemented by us.

**The broader objectives of TBI's are:** Enterprise and entrepreneurship development, Creation of a starts-up in thrust areas through innovation and support for IPR, licensing, training and other related requirements, Support and nurture indigenous technology thereby grooming entrepreneurs to run their enterprise successfully, Dissemination of knowledge and technology through meets, conferences and training for conducive growth, Provide R&D for industry to enable small/medium industries to take up R&D activities and technology up-gradation, Assistance and consultancy to SMEs located in the region by way of specialized services, Technology commercialization, To train unemployed youth for wage employment.

## About SWOSU

Established in 1901, Southwestern Oklahoma State University has a long-standing reputation for high quality academic programs and friendly service to students, alumni, and friends. Students may complete associate, bachelor's, master's, and doctoral degrees while attending either the traditional on-campus classes or participating in distance learning opportunities. SWOSU offers over 70 undergraduate degrees and 20 graduate degrees so students have a variety of choices. With an enrollment of over five thousand students, there are many opportunities to participate in student organizations and exciting athletic events.

**SWOSU's Everett Dobson School of Business and Technology** has earned recognition as one of the best business and technology schools in Oklahoma. With a current enrollment of 950, the student population is a rich blend of local and international students. Students have the opportunity to earn degrees in bachelor of business administration, computer science, or engineering technology. Graduate degrees are available as well. The business programs and engineering technology programs are fully accredited, with computer science pursuing accreditation in the near future.

## About NSTEDB

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Govt. of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make "JOB GENERATORS" rather than "JOB SEEKERS" Employment generation through the application of S&T is also encouraged based on innovative methods, techniques and equipments and support through information and trained S&T manpower. The NSTEDB continue to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ★ 3 Days EAC Programmes for college students, 6 weeks TEDP on specific areas for students, 2 weeks FDP programme on entrepreneurship for teacher of colleges & university, STED programme for the development of an area based on rural technology & TBI.

## About the Conference

The Central and State Governments have taken major initiatives in enhancing public utility and citizen services to improve the Quality of Life. The need for good governance for India's development is widely accepted. Information and communication technologies have a valuable potential to help Indian central and state governments deliver good governance to their constituents. Yet that potential remains largely untapped to date and there are various gaps hindering effective implementation of e-Governance in India.

The government has set a vision to transform government functions by leveraging IT to improve efficiency of citizen services. The primary responsibility of promotion and development of MSMEs is of the State Governments. However, the Government of India, supplements the efforts of the State Governments through various initiatives. The role of the Ministry of Micro, Small and Medium Enterprises and its organizations is to assist the States in their efforts to encourage entrepreneurship, employment and livelihood opportunities and enhance the competitiveness of MSMEs in the changed economic scenario.

The proposed discussion will explore various ideas and suggestions to implement e-governance strategies in a time bound frame work in efficacious manner to reform government processes and enable transparency and efficiency in government.

## Call for Papers

The conference will highlight the related focused areas based on the following themes / topics:

- **Good governance initiatives for MSME**
- **Governance with Accountability**
- **Transparency in E governance**
- **Move towards Digital India and Way ahead**
- **E-Initiatives**
- **E-Procurement**
- **E-Panchayat**
- **E-projects**
- **Limitation of E-governance in India**
- **Benefits of E-governance in India**
- **E-governance in India: Social Issues**
- **E-governance in India: Financial Issues**
- **Transformation through E-Governance**
- **Information Management**
- **Identity and Access Management**
- **Content Management**
- **Standards Management**
- **ICT Legal Framework**
- **Strategies for E-Governance in India**
- **E governance and Entrepreneurship**
- **E-Governance Initiatives**

## Guidelines for Paper Submission

- ✦ The full length paper should not exceed 5000 words with an abstract not exceeding 200 words (MS word format with 1.5 spacing, 12 font size in Times New Roman).
- ✦ The paper should contain a suitable title.
- ✦ All figures (charts and diagrams) and tables must be serially arranged.
- ✦ The references must be mentioned clearly at the end of the paper.
- ✦ Name and address of the author(s) should be mentioned on the first page of the paper with their affiliation including contact details.
- ✦ E-mail your paper at "[kiet.mba.conference@kiet.edu](mailto:kiet.mba.conference@kiet.edu)"

### **About NSTEDB:**

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Govt. of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make "JOB GENERATORS" rather than "JOB SEEKERS" Employment generation through the application of S&T is also encouraged based on innovative methods, techniques and equipments and support through information and trained S&T manpower. The NSTEDB continues to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ◆ Entrepreneurship Awareness Camp (EAC) for college students (3 Days).
- ◆ Technology Based Entrepreneurship Development Programme (TEDP) on specific areas for students and youth (6 weeks).
- ◆ Skill Development Training through Science & Technology (STST).
- ◆ Faculty Development Programme (FDP) on Entrepreneurship for teachers/faculty of college and university (2 Weeks).
- ◆ Science & Technology Entrepreneurship Development (STED) project for the development of an area based on rural technology.
- ◆ Technology Business Incubator (TBI).

### **About TBI-KIET:**

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and KIET Group of Institutions, Ghaziabad in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 45 incubatees were supported by TBI-KIET. Presently TBI-KIET has 19 incubatee companies. 20 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. Mahindra World City-SEZ, Jaipur has signed an MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". [www.tbi-kiet.in](http://www.tbi-kiet.in)

### **KIET Group of Institutions:**

KIET Group of Institutions, Ghaziabad was established in 1998 by Krishna Charitable Society at Ghaziabad, U.P. affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow. The Institute now has 5003 students on its rolls in 2015-16: a substantial growth in 15 years to meet the need of quality technical education in U.P., as also to ensure their overall growth as responsible professionals and global citizens. The Institute offers B. Tech, M. Tech, B. Pharm and M. Pharm. KIET is best college among all engineering colleges in Uttar Pradesh. The NIRF ranking in engg stream in between 151-200 and in management 50-75 ranking. [www.kiet.edu](http://www.kiet.edu)

Ghaziabad**

### **About Programme:**

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, entrepreneurial awareness programme, programme on entrepreneurship are organized. Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for "Techniques of proposal preparation.

### **Course Contents:**

- Achievement Motivation.
- Concept of Entrepreneurs, Enterprise and Entrepreneurship.
- Prospects of developing entrepreneurship, particularly science & technology entrepreneurs.
- Business Opportunity Guidance. Techniques to select suitable projects.
- Project identification, formulation and appraisal.
- Market survey techniques & tools of market survey.
- Role of promotional, financial & regulating agencies for promotion of MSME.
- Principle of management & marketing management

- Book keeping & accounting procedure
- Exposure to small enterprise

### **Methodology:**

- Lectures, discussions, role play
- Interaction with successful entrepreneurs
- Assignment both individually as well as group
- Exposure visit
- Panel discussion

### **Target Group:**

- Faculty members of university/ engineering/management/science college as well as faculty of polytechnic who wish to become the motivator, trainer & facilitator of entrepreneurship.

### **Programme Time:**

- The programme is full time. Classroom sessions will be between 10:00 A.M. to 4:30 P.M., with appropriate breaks for tea, coffee and lunch.

### **Programme Venue:**

Conference Hall ,TBI-KIET Group of Institutions  
13 KM Stone, Ghaziabad-Meerut Road, Muradnagar, Ghaziabad, 201206

At  
Agra

**From 11.11.2017 to 26.12.2017**

Sponsored by

NSTEDB, Department of Science and Technology (DST), Govt. of India

#### Training Details

Technology Business Incubator-KIET Group of Institutions, Ghaziabad is organizing as Technology based Entrepreneurship Development Programme( TEDP) of 6 weeks duration, aims at training potential entrepreneurs of Science and Technology graduates and the diploma holders.

In TEDP, 20-25 persons, having a degree/diploma in S&T are trained through a structured training programme of about 6 weeks duration. The TEDP provides class room training on motivational management areas besides actual hands-on training in the specific technology areas by technology experts

#### Programme Objective:

- The entrepreneurs are exposed to technical knowledge about the products and technologies and are enabled to develop their skills at the lab of the technology provider.
- The R&D lab having commercially viable technologies, get potential entrepreneurs as its "takers"; and
- The entrepreneurship-training institute provides support in a specific discipline of product-technology to have better control over the course of the programme and its success. The participants are selected through various tests and personal interviews to assess their potential of becoming a successful entrepreneur. During the training period, the participants also get to know the intricacies of how to start and manage an enterprise. At the end they are assisted in preparing a bankable project report.

**Target Group:** - Participants in the age group: 22 to 45 years, possessing degree/diploma in engineering/technology/science

*Moving towards  
"Make in India"*

**Friday-Saturday**  
2<sup>nd</sup> & 3<sup>rd</sup> September 2016

**Organized By**

**KIET School of Management**

**KIET**  
**GROUP OF INSTITUTIONS**

(A Technical Campus approved by AICTE &  
Affiliated to Dr. A.P.J. Abdul Kalam Technical Univ., Lucknow)  
Accredited by NAAC with Grade 'A' (5 yrs.)

"Shaping Young Minds with Skill Oriented & Value Based Education"

Website: [www.kiet.edu](http://www.kiet.edu)

## About KIET

KIET was established in 1998 at Ghaziabad with the intake of 198 students. The Institute has 5499 students on its rolls in 2015-16: a substantial growth in 18 years to meet the need of quality technical education in U.P. We have pioneered technological, pharmaceutical and management education by offering Bachelor and Master programs in these fields.

All our B.Tech, MBA, MCA & B.Pharm programmes have been accredited by NBA. Also, KIET is accredited by NAAC with "A" Grade for 5 Years.

KIET has been maintaining excellent results over the last several years and has been consistently rated as one of the best Institutions in AKTU (formerly UPTU). Our commitment towards achieving quality in academics and even nurturing overall personality of our students encourages us to focus upon academic excellence as reflected by our 2014-15 result in which 36 students, of different branches of our institute secured position in merit list of top twenty students (Highest in U.P.). Our students gain knowledge, competencies and skills needed for successful professional as well as entrepreneurial action in the contemporary world and to meet our endeavor of giving them the required competencies, KIET has taken the initiative to run employability enhancement program with the help of expert resources from industries.

## About KIET School of Management

**KIET School of Management** was established in the year 2004 which offers Master in Business Administration (MBA) program. This two year full time course, affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. The department is accredited by NBA. The basic purpose for MBA programme is to bring in an attitudinal change among the students, to develop their leadership qualities and finally to mould them into competent managers to handle resources optimally and to take effective decision to achieve organizational goal. The subjects covered in each semester are designed so as to equip students with modern management concepts and techniques with emphasis to relate it to real life situations. The training is imparted with specialization in Human Resource, Marketing Management, Finance, Information Technology and International Business.

## ABOUT ICSSR

**Indian Council of Social Science Research (ICSSR)** was *established in the year of 1969 by the Government of India* to promote research in social sciences in the country. The Council was meant to sponsor social science research programmes and projects and administer grants to institutions and individuals for research in social sciences.

To indicate areas in which social science research is to be promoted and adopt special measures for development of research in neglected or new areas. To give financial support to institutions, associations, and journals engaged in social science research. To co-ordinate research activities and encourage programs for interdisciplinary research. To organize, sponsor, and finance seminars, workshops and study groups.

## ABOUT THE SEMINAR

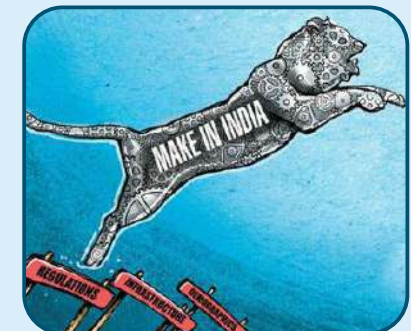

**"Make in India"** is a campaign launched by Hon'ble Prime Minister Shri Narendra Modi Ji to encourage industrialists to set up and excel their manufacturing units in India. It was **launched on 25<sup>th</sup> September 2014**. This campaign was designed by the Wieden + Kennedy (W+K) group which had previously worked on the Incredible India campaign and a campaign for the Indian Air Force. Business emolument is becoming dynamic day by day, so it is a challenge for every individual to take strong social and management actions and decisions. The Environment of society and business is characterized by high degree of uncertainty, so it is a need of hour to do thorough thinking before arriving at a decision.

The major objective behind the initiative is to **focus on 25 sectors of the economy** for job creation and skill enhancement. Some of these sectors are: Automobiles, Chemicals, IT, Pharmaceuticals, Textiles, Ports, Aviation, Leather, Tourism and Hospitality, Wellness, Railways, Auto Components, Design Manufacturing, Renewable Energy, Mining, Bio- Technology, and Electronics. The initiative hopes to increase GDP growth and tax revenue. The initiative also aims at high quality standards and minimizing the impact on the environment. The initiative hopes to attract capital and technological investment in India.

Two days seminar on **"Moving towards Make in India"** aims to provide an open platform to researchers, academicians, executives from corporate and others to discuss the new opportunities available for entrepreneurs, MSMEs, and foreign investors in India. Academicians, corporate persons and research scholars will be invited to put their views and make healthy discussion on the said topic. Eminent speakers will be invited to deliver seminar from prominent institutions and industries.

## OBJECTIVES OF THE SEMINAR

- To enhance conceptual knowledge among researchers and teachers related to management and social science.
- To discuss the changing business environment of India & throw light on major policy initiatives under 'Make in India' campaign.
- To Exhibit entrepreneurial behavior for business success.
- To carry out SWOC (Strength, Weakness, Opportunities, Challenges) Analysis.
- To analyze the policies & procedures that aid and retard business processes.
- To find out the situation of domestic industries after the Modus Operandi of Hon'ble Prime Minister Shri Narendra Modi Ji.
- To identify whether the government may be able to generate revenues or not and what will be the employment opportunities in the country.
- To provide a unique platform to the Scholars, Students, Academicians, Researchers, Technicians, Managers, Corporate persons, Industrialist and other related persons to discuss the various issues related to the above said theme.

### About Programme

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, entrepreneurial awareness programme, programme on entrepreneurship are organized. Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for "Techniques of proposal preparation.

### Course Contents

- Achievement Motivation.
- Concept of Entrepreneurs, Enterprise and Entrepreneurship.
- Prospects of developing entrepreneurship, particularly science & technology entrepreneurs.

The NSTEDB continue to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ◆ Entrepreneurship Awareness Camp (EAC) for college students (3 Days).
- ◆ Technology Based Entrepreneurship Development Programme (TEDP) on specific areas for students and youth (6 weeks).
- ◆ Skill Development Training through Science & Technology (STST).
- ◆ Faculty Development Programme (FDP) on Entrepreneurship for teachers/faculty of college and university (2 Weeks).
- ◆ Science & Technology Entrepreneurship Development (STED) project for the development of an area based on rural technology.
- ◆ Technology Business Incubator (TBI).

## About TBI-KIET

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 35 incubatees were supported by TBI-KIET. Presently TBI-KIET have 17 incubatee companies. 16 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. On the basis of performance Mahindra World City-SEZ, Jaipur has signed a MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". Mahindra World City-SEZ has awarded Certificate of Excellence for Skilled training programme being implemented by us. [www.tbi-kiet.in](http://www.tbi-kiet.in)

**KIET Group of Institutions:** Krishna Institute of Engineering & Technology (KIET) was established in 1998 by Krishna Charitable Society at Ghaziabad, U.P. The Institute now has 5003 students on its rolls in 2013-14: a substantial growth in 15 years to meet the need of quality technical education in U.P., as also to ensure their overall growth as responsible professionals and global citizens. The Institute offers B.Tech Degree courses in seven disciplines CSE,ECE,EN,IT,ME,CE & EI and M.Tech in four disciplines i.e CS,EC,EN,ME,MCA,MBA & Pharmacy (B.Pharm & M.Pharm). ### About Programme

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, entrepreneurial awareness programme, programme on entrepreneurship are organized. Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for "Techniques of proposal preparation.

### Course Contents

- Achievement Motivation.
- Concept of Entrepreneurs, Enterprise and Entrepreneurship.
- Prospects of developing entrepreneurship, particularly science & technology entrepreneurs.
- Business Opportunity Guidance. Techniques to select suitable projects.
- Project identification, formulation and appraisal.
- Market survey techniques & tools of market survey.
- Role of promotional, financial & regulating agencies for promotion of MSME.
- Principle of management & marketing management

- Book keeping & accounting procedure

## **Introduction:**

Women Entrepreneurship Development Programme (WEDP) aims at training the science and technology graduates and diploma holders in the essentials of conceiving, initiating, planning and launching an economic activity or an enterprise successfully. The basic purpose of organizing entrepreneurial programme is to influence the potential persons and motivate them to take entrepreneurship as their career. Development of skill of Entrepreneurs can be through training, education and development. Women entrepreneurship development is gradually increasing all over the world leads to self-fulfillment by becoming more empowered, socially and economically through business ownership. This training programme will be more helpful and recommended to the practitioners, researchers, planners, policy makers and academicians, who are involved in the concerned area. The overall specific objective of this training are promoting gender equality through female entrepreneurship and overall improvement of life of a woman

## **Programme Objective:**

- Influencing the candidates for promoting entrepreneurship career
- Making the person explore successfully opportunities for enterprises
- Improve women's professional qualifications in rural areas by organizing a development programme.

**TBI-KIET:** The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec., 2007. It has dynamic & supportive governing board comprising NSTEDB, DST, MSME, SIDBI, Syndicate Bank, IIA and Lead Entrepreneur. Satendra Kumar, G.M. is Ex-officio Member Secretary of the Board. The thrust area of TBI-KIET are ICT, Mechanical and Electronics. TBI-KIET has shown remarkable growth and till date 35 incubatees were supported by TBI-KIET. Presently TBI-KIET have 17 incubatee companies. 16 ideas were also funded by the MSME, Govt. of India and the grant to each idea is Rs. 6.25 Lacs. On the basis of performance Mahindra World City-SEZ, Jaipur has signed a MOU to establish a TBI office at Jaipur with an objective to create "Human Capital" under the scheme "Apni Pehchan Kaushal Se". Mahindra World City-SEZ has awarded Certificate of Excellence for Skilled training programme being implemented by us. [www.tbi-kiet.in](http://www.tbi-kiet.in)

**KIET Group of Institutions:** Krishna Institute of Engineering & Technology (KIET) was established in 1998 by Krishna Charitable Society at Ghaziabad, U.P. The Institute now has 5003 students on its rolls in 2013-14: a substantial growth in 15 years to meet the need of quality technical education in U.P., as also to ensure their overall growth as responsible professionals and global citizens. The Institute offers B.Tech Degree courses in seven disciplines CSE,ECE,EN,IT,ME,CE & EI and M.Tech in four disciplines i.e CS,EC,EN,ME,MCA,MBA & Pharmacy (B.Pharm & M.Pharm). [www.kiet.edu](http://www.kiet.edu)

**NSTEDB, DST, Govt. of India:** The National Science & Technology Entrepreneurship Development Board (NSTEDB), established in 1982 by the Government of India under the aegis of Department of Science & Technology, is an institutional mechanism to help promote knowledge driven and technology intensive enterprises. The Board, having representations from socio-economic and scientific Ministries/Departments, aims to convert "job-seekers" into "job-generators" through Science & Technology (S&T) interventions. [www.nstedb.com](http://www.nstedb.com)

**Dr. A.P.J. Abdul Kalam Technical University:** Uttar Pradesh Technical University (UPTU) was established by the Government of Uttar Pradesh on 8th May 2000. Under the University Act, 'Technical Education' includes programmes of education, research and training in Engineering, Technology, Architecture, Town Planning, Pharmacy, Applied Arts & Crafts and such other programmes and areas that the central Government may in consultation with All India Council for Technical Education (AICTE) by notification in Gazette declare. Presently Dr. Vinay Kumar Pathak is Vice Chancellor of the University. [www.uptu.ac.in](http://www.uptu.ac.in)

**SIDBI:** Small Industries Development Bank of India (SIDBI), set up on April 2, 1990 under an Act of Indian Parliament, is the Principal Financial Institution for the Promotion, Financing and Development of the Micro, Small and Medium Enterprise (MSME) sector and for Co-ordination of the functions of the institutions engaged in similar activities. [www.sidbi.com](http://www.sidbi.com)

**MSME:** MSME sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. MSMEs not only play crucial role in providing large employment opportunities at comparatively lower capital cost than large industries but also help in industrialization of rural & backward areas, thereby, reducing regional imbalances, assuring more equitable distribution of National income and wealth. [www.msme.gov.in](http://www.msme.gov.in)

**Deptt. of Infrastructure & Industrial Development:** "Udyog Bandhu" [Friend of Industry] is an organization of the State Government of Uttar Pradesh in India; dedicated to facilitate Investment in Industrial and Service Sectors, besides solving various problems of existing & up-coming industries as well, related to different Government departments. [www.udyogbandhu.com](http://www.udyogbandhu.com)

## About NSTEDB

National Science and Technology Entrepreneurship Development Board (NSTEDB) is an apex body under the Department of Science & Technology, Govt. of India. It has been focusing entrepreneurship among the persons with Science & Technology background with a view to make "JOB GENERATORS" rather than "JOB SEEKERS" Employment generation through the application of S&T is also encouraged based on innovative methods, techniques and equipments and support through information and trained S&T manpower. The NSTEDB continue to pursue and strengthen its multifarious activities/programmes taken up earlier, in addition to conceptualizing and initiating new programmes in consultation with institutions processing expertise in specific field. Some of the activities/programmes are as follows:

- ◆ Entrepreneurship Awareness Camp (EAC) for college students (3 Days).
- ◆ Technology Based Entrepreneurship Development Programme (TEDP) on specific areas for students and youth (6 weeks).
- ◆ Skill Development Training through Science & Technology (STST).
- ◆ Faculty Development Programme (FDP) on Entrepreneurship for teachers/faculty of college and university (2 Weeks).
- ◆ Science & Technology Entrepreneurship Development (STED) project for the development of an area based on rural technology.
- ◆ Technology Business Incubator (TBI).

## About TBI-KIET

The Technology Business Incubator (TBI) was supported and established jointly by the National Science & Technology Entrepreneurship Development Board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec., 2007. ### About Programme

Entrepreneurship in recent times has become a serious area of study. It is considered to be a solution for creating wealth, generating employment and providing new goods and services. Developing the spirit of entrepreneurship among the young has become vital because of the government cannot provide jobs for all kinds of unemployed youth, the corporate sector will provide limited jobs only to the best and that too without any job security and lastly, very often it is difficult to find an ideal job.

Entrepreneurship has very little to do with money. It is instead an attitude, a way of thinking. It goes beyond simply starting a company. In other words not all people who start their own organizations can necessarily be categorized as entrepreneurs. Entrepreneurs challenge assumptions, recognize opportunities in periods of change, reveal patterns where others see chaos and mobilize limited resource to achieve an objective.

The Technology Business Incubator-KIET in its efforts to create enterprising youth who are capable of surviving in an entrepreneurial society has been making some interventions in this direction through its Entrepreneurship Programme. The Entrepreneurship Programmes are targeted both for teachers of the various schools, colleges and universities as well as for the students. For the students, entrepreneurial awareness programme, programme on entrepreneurship are organized. Therefore, keeping this fact TBI-KIET organizing Faculty Development Programme. Since teachers play a vital role as change agent of the society. The Faculty Development Programme on Entrepreneurship. The purpose of the programme are:

- To create an awareness of the need and importance of entrepreneurship.
- To impart knowledge and develop skills in diverse training methods in imparting training to students and entrepreneurs.
- To plan curriculum that can imbibe the skills and competencies to achieve goals directed by values, have a positive attitude and have the ability to cope with the changing times.
- To develop teachers with an entrepreneurial and professional mindset.
- To make them aware about promotional financial & regulating scheme for MSME.
- To guide them for techniques of preparation of feasible & viable project.
- To guide them for "Techniques of proposal preparation.

### Course Contents

### About KIET

Welcome to KIET Group of Institutions. Krishna Institute of Engineering & Technology (KIET) was established in 1998 by Krishna Charitable Society at Ghaziabad, U.P. The Institute offers B.Tech Degree courses in seven disciplines i.e CSE, ECE, EN, IT, ME, CE & EI, M.Tech in four disciplines i.e. CS, EC, EN, ME. This institute also offers MCA, MBA & Pharmacy (B.Pharm & M.Pharm) Courses to meet varied aspirations of the students. All our B.Tech, MBA, MCA & B.Pharm programmes have been accredited by NBA. Also, KIET Group of Institutions is accredited by NAAC (An autonomous Institution of the UGC) with "A" Grade for 5 Years.

Department of Information Technology is a NBA accredited. The main aim of the department is to provide value based and industry oriented education to the students. The department of IT is equipped with four world class distinguished labs. Department has Apple IOS and Advance Computer Network excellence center to bridge the gap between industry and academia. Our goal is to become a center of excellence in the field of IT & related research and to churn out professionals to become leaders in innovation, entrepreneurship, and creativity in IT field.

### About TBI-KIET

The Technology Business Incubator (TBI) was promoted & established jointly by National Science & Technology Entrepreneurship development board (NSTEDB), Ministry of Science & Technology, Government of India and Krishna Institute of Engineering & Technology in Dec. 2007.

The objective of TBI-KIET is to promote knowledge driven enterprises and generation of value added employment using cutting edge Technologies, Enterprise & Entrepreneurship development, Technology commercialization and to promote small industries to take up R&D activities & Technology upgradation.

### About IPR

The importance of intellectual property in India is well established at all levels-statutory, administrative and judicial. India ratified the agreement establishing the World Trade Organization (WTO). This contains an Agreement on Trade Related Aspects of Intellectual Property Rights (TRIPS) which came into force from 1st January 1995. It lays down minimum standards for protection and enforcement of intellectual property rights in member countries which are required to promote effective and adequate protection of intellectual property rights with a view to reducing distortions and impediments to international trade. The Agreement provides for norms and standards in respect of following areas of intellectual property

- Patent

**From 24.05.2016 to 24.06.2016**

सत्यमेव जयते  
Department of Science & Technology  
Govt. of India

Sponsored by

NSTEDB, Department of Science and Technology (DST),  
Govt. of India

#### **Introduction:**

Women Entrepreneurship Development Programme (WEDP) aims at training the science and technology graduates and diploma holders in the essentials of conceiving, initiating, planning and launching an economic activity or an enterprise successfully. The basic purpose of organizing entrepreneurial programme is to influence the potential persons and motivate them to take entrepreneurship as their career. Development of skill of Entrepreneurs can be through training, education and development. Women entrepreneurship development is gradually increasing all over the world leads to self-fulfillment by becoming more empowered, socially and economically through business ownership. This training programme will be more helpful and recommended to the practitioners, researchers, planners, policy makers and academicians, who are involved in the concerned area. The overall specific objective of this training are promoting gender equality through female entrepreneurship and overall improvement of life of a woman

#### **Programme Objective:**

- Influencing the candidates for promoting entrepreneurship career
- Making the person explore successfully opportunities for enterprises
- Improve women's professional qualifications in rural areas by organizing a development programme.
- Develop skills in mobilizing and organizing women in recognition of women's potential as agents for social change
- Practice necessary skills of enterprise creation
- Acquire ability and capabilities of deciding about new venture opportunities, planning organizing and successfully managing the Small Business/Enterprise
