It is hereby informed that ***Policy*** under reference has been revised to accommodate minor changes **(Refer - Annexure 1 for revised action plan)** to be implemented w.e.f. forthcoming semester i.e. **academic year 2019-20** spanning the entire stay of the student in the campus. The programme will be as per the following duration : B. Tech (100+ Hrs.), B. Pharm (100 Hrs.), MCA (80+ Hrs.), MBA (60 Hrs.) and M. Pharma (40 Hrs.) duly integrated in time table. *Semester wise distribution is tabulated below:-*

Name of Program	Sem I	Sem II	Sem III	Sem IV	Sem V	Sem VI	Sem VII
B.Tech	10 hours	-	20 hours	20 hours	20 hours	20 hours	10 hours along with Aptitude Training

2. It can be seen that the training process (Skill Enhancement Programme for Smart Empowered Professionals - SEP) is ranging from **40 - 100+ hours** depending on the course (B. Tech / B. Pharm / MCA / MBA/ M. Pharm) and will consist of the following stages:-

   (a) Training delivery, which consists of **"Two trainers in a classroom model for two consecutive lectures"** for all the streams in the second and third year of the four year courses running on campus and for a proportionate time for the other courses. It will also be attempted to freeze at least one trainer per year per section for effective monitoring of the students on a long term basis. In addition, the trainer's performance may also be ascertained.

   (b) Assessment - To be done on the basis of regular classroom activities, so as to account for the outcomes of the training provided; this is also linked to the number of students recruited every year as well as the percentage of training sessions attended by the student.

3. The **detailed guidelines** along with topics to be covered in each semester as per the above policy are attached herewith as appendices as per following details:-

   (a) Appendix A - B. Tech 1st sem. & B. Pharma 2nd semester
   (b) Appendix B - B. Pharma & B. Tech 3rd semester; MCA & MBA 1st semester
   (c) Appendix C - B. Pharma & B. Tech 4th semester; MCA & MBA 2nd semester

4. The modalities for implementations will be as follows:-

   (a) The respective HODs to earmark Soft Skills Training classes - number of hours as per above table in consultation with HOD HS.
   (b) Regular soft skills training sessions to be integrated in academic time table well in advance.
   (c) Attendance of students in the Soft Skills Sessions to be considered as a part of the regular attendance, for the students to appear for the internal CT's.
   (d) Assessment of soft skills year wise through class room activities & grading of students to be done on a scale of 1 – 5 marks for the same (where 1 stands for NEEDS IMPROVEMENT, 2 stands for BELOW AVERAGE, 3 stands for AVERAGE, 4 stands for GOOD and 5 stands for OUTSTANDING).
   (e) Certification on the basis of **80% and above attendance** and active participation (**achieving a grade of 3, 4 or 5**) in the activities. Those students who have **60% and above attendance** in the Soft Skills sessions and are consistently performing (**achieving a grade of 4 or 5**) well in the class activities will also be awarded a certificate with the relevant grade.

5. The idea is to fine tune the students attitude, values, beliefs, futuristic thinking, life-long learning, team-work, employability, various skill sets of communication, manners, etiquettes etc. so as to ensure that, they are capable enough to deal with different situations diligently and responsibly/ are able to express themselves clearly, correctly and concisely, so as to contribute towards the betterment of society.

6. Please ensure that the policy is implemented in letter and spirit so that the students become **Smart Empowered Professionals** once they graduate from KIET Group of Institutions.

7. The previous **Office Order 22/2018 dated 23 Jul'18** stands superseded.

Dear Sir/Madam,

Greetings from All India Council For Technical Education..!!

GUIDELINES FOR AN INSTITUTIONAL FITNESS PLAN IN THE HIGHER EDUCATIONAL INSTITUTIONS
All Higher Educational Institutions need to accord special & significant priority to physical & mental fitness of students and faculty in the campus and nominate a Nodal Officer for Fitness Implementation & Monitoring, whose activities would be monitored by an Institutional Committee. The following indicative guidelines/steps may be taken in this regard:

1. Physical fitness period or session may be incorporated into the academic calendar of the An institution, covering the aspects of sports, yoga, meditation, right diet etc. The physical fitness sessions may be staggered throughout the day to enable all students to participate.

2. Fitness Leaders in each institution to be created. For guiding students into physical fitness, services of students volunteer from the institutions, ex-servicemen and other volunteers may be obtained on a daily & voluntary basis.10 committed persons well versed in physical activity may be involved in the exercise.

3. Proper the utilisation of existing infrastructure, encouraging students to climb stairs, walk at least 10,000 steps a day, use cycles within the campus by creating cycling zones etc.

4. The top leadership of the Institution and professors actively participate with staff and students in fitness activities on a periodic basis to lead by example, eg: cycling, running, aerobics, marathon, meditation activities etc.

5. Incorporating provisions of healthcare and wellness initiatives in the objectives of the institution.

6. Annual health check-ups by volunteer health doctors or voluntary organisations to monitor student health & fitness and also maintain a record.

7. Providing guidance regarding a balanced nutritional diet, distribution of pamphlets and information material on the subject.

8. Redressing the emotional concerns of students in mental health. Awareness camps or sensitisation workshops on depression, anxiety and stress management may be organized for faculty and students.

9. Inviting health icons and motivational speakers on health & fitness to address students in campus and regular conduct of outdoor sports events in campus

10. Data pertaining to health & fitness activities of an institution should be placed on the website. Exemplary performers shall be selected subsequently for National level awards.

DIRECTOR'S MESSAGE

Swami Vivekananda once said "We want that education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet". KIET GROUP OF INSTITUTIONS is tirelessly devoted to the cause of providing quality legal education to its students.

Following the Motto of Dharma Sansthapanartham (for the sake of establishing the primacy of the laws of eternal values), every student in KIET GROUP OF INSTITUTIONS is not only encouraged to persist enthusiastically and vigorously towards their AKTU Academics but also towards an all-encompassing/ inclusive quest for knowledge and wisdom.

It is said that a good work-life balance is key for an individual's happiness in today's fast paced world. It is my most humble opinion while academic pursuits certainly contribute towards success, character building and holistic development can be achieved only by participating in a variety of activities to delight/ entice the myriad senses of the human mind.

Sports not only contributes towards physical and mental well-being in the age of computers & electronics, but also fosters a sense of independence, cooperation and team involvement. Perhaps, most importantly, extra-curricular activities teach students the importance of participation and involvement thereby imprinting wonderful experiences and memories.

It gives me immense pleasure to introduce the 5th Edition of KIET GROUP OF INSTITUTION'S Annual Sports Fest, RANN'2020. Certainly, just as all our prior editions were a resounding success, I have no doubt that this edition will be equally fulfilling and enjoyable for the participants.

I wish all the participants and my students the very best.

Dear Sir / Ma'am

This is to request you to inform all your final year students that **a final CV and Portfolio Checking Camp** is being organized the Soft Skills Team on the **31st of August'18**, for the full day and the **venue** is the **first floor rooms of the MBA Building**.

This is being organized as many students are coming at random and want to get their CV checked and they do not find the trainers in the staff rooms so they have to return empty handed.

Kindly circulate this information amongst all the final year students as this the **last opportunity** they will get for making any changes in their CV.

Looking forward to your kind cooperation.
With regards
