

Annual report of the celebrations and commemorative events for the last five years

Institution celebrates / organizes national and international commemorative days, events and festivals Describe the efforts of the Institution in celebrating /organizing national and international commemorative days, events and festivals during the last five years.

KIET Group of Institutions is committed to promote ethics and values amongst students and faculty to encourage the same. The Institutes celebrates days, persons and events of regional, national and international importance. It follows protocol in celebrating Republic Day, Independence Day, International Yoga Day and other national days. In addition, days marking the birth and death anniversaries of persons of note are celebrated according to the guidelines provided by Govt. of India.

Celebration of the national festivals starts with national anthem. The national anthem is also sung in all the functions. All national festivals are celebrated with great enthusiasm to inculcate a sense of patriotism in the students. Every year students come together and perform cultural programs like dance, skits highlighting societal problems. The students also prepare videos and speeches to share their thoughts on these days. As a mark of respect for the country, the students install flag collection box to reuse the flags during national festival. The student staff and alumni participate and rejoice during this celebration with great patriotic fervor.

The Institution also commemorates the birth / death anniversaries of great Indian personalities like Dr.A.P.J Abdul Kalam, Dr. Babasaheb Ambedkar, Chatrapati shivaji maharaj, Mahatma Gandhi. The students share the teachings of these eminent personalities through speeches and posters. On Teachers day too, the students' council puts up a show to express their love and gratitude for their teachers and salute the great Teacher Dr.Sarvepalli Radhekrishnan.

Women's day is celebrated on International Women's Day i.e. March 8 to show respect towards women in all the efforts taken by them to manage the personal and professional life and for their contributions.

Yoga is known for its amazing health benefits. International Yoga Day, celebrated on the 21st of June each year ever since its inception in 2015, is a great effort to emphasize the importance of inculcating this ancient Indian art in our lives.

'No one has travelled the road to success without crossing the streets of failure. God never promised us easy journeys. He only promised us great destinations'

Dear Faculty & Staff members and my Dearest Students,

At the outset I wish each one of you a *warm greeting* on the occasion of 74th Independence Day of our beloved country.

Today we all celebrate the *glory of freedom*. I feel so proud & blessed to be a citizen of India. On this very special day, I feel privileged as Head of Institution to share some of my views with all of you.

Freedom and liberty are the most precious gifts that weren't bestowed upon us, but acquired by our freedom fighters with their hard work, sacrifices and above all, their unity. **Let's salute them.**

On August 15, 1947, India became free from the British rule. **We are the privileged lot to have been born in free India. We were able to breathe the fresh free air since our birth.** Freedom of Speech/ Press & Fundamental rights were not with us while we were under the Foreigner's rule.

If at all we want to know the pangs of agony of being slaves under a foreign rule, we must ask our elders born before 1947. It was indeed a Himalayan task for every Indian those days to fight against those powerful giants, the British rulers. **We must not allow those hard times and struggles to fade away from our memories.** Hence it is befitting for us to celebrate such National festivals and recall those heroic deeds of our National heroes who laid their lives for the freedom of the country.

It is also a day to **express our sincere gratitude to all those who participated in the freedom struggle.** Let's not forget our **great leaders** who sacrificed their lives for the nation's freedom and prosperity. Dr. B. R. Ambedkar gave the longest written constitution to us. Father of the Nation Mahatma Gandhi taught us Ahimsa and Non-violence. Subhash Chandra
